(2) Notwithstanding subsection (1) of this section, the commission shall make available to the aggrieved person and the respondent, at any time, upon request following completion of the commission's investigation of a discriminatory housing practice, information derived from the investigation and any final investigative report relating to that investigation.

SECTION 20. A NEW SECTION OF KRS CHAPTER 344 IS CREATED TO READ AS FOLLOWS:

SECTION 21. A NEW SECTION OF KRS CHAPTER 344 IS CREATED TO READ AS FOLLOWS:

(1) The commission shall determine, based on the facts, whether probable cause exists to believe that a discriminatory housing practice made unlawful under this chapter has occurred or is about to occur.

(2) The commission shall make the determination under subsection (1) of this section not later than the one hundredth day after the date a complaint is filed unless:

(a) It is impracticable to make the determination; or

(b) The commission has approved a conciliation agreement relating to the discriminatory housing complaint.

(3) If it is impracticable to make the determination within the time period provided by subsection (2) of this section, the commission shall notify the complainant and respondent in writing of the reasons for the delay.

(4) If the commission determines that probable cause exists to believe that a discriminatory housing practice has occurred or is about to occur, the commission shall, except as provided in subsection (6) of this section, immediately issue a charge on behalf of the aggrieved person for further proceeding under Section 23 of this Act.

(5) The charge:

(a) Shall consist of a concise statement of the facts upon which the commission has found probable cause to believe that a discriminatory housing practice has occurred or is about to occur;

(6) If the commission determines that the matter involves the legality of any state or local zoning or other land use law or ordinance, the commission shall follow the procedures described in Section 31 of this Act.

(7) If the commission determines that no probable cause exists to believe that a discriminatory housing practice has occurred or is about to occur, the commission shall promptly dismiss the complaint. The commission shall make public disclosure of each dismissal at the request of the respondent.

(8) The commission may not issue a charge under this section regarding an alleged discriminatory housing practice after the beginning of the trial of a civil action commenced by the aggrieved party under a federal or state law seeking relief with respect to that discriminatory housing practice.

SECTION 22. A NEW SECTION OF KRS CHAPTER 344 IS CREATED TO READ AS FOLLOWS:

After the commission issues a disciminatory housing charge under Section 21 of this Act, the commission shall cause a copy thereof, together with information as to how to make an election of an administrative or judicial choice of forum under Section 23 of this Act, and the effect of such election, to be served;

(1) On each respondent named in the charge, together with a written notice of opportunity for a hearing at a time and place specified in the notice, unless that election is made; and

(2) On each aggrieved person on whose behalf the discriminatory housing complaint was filed.

SECTION 23. A NEW SECTION OF KRS CHAPTER 344 IS CREATED TO READ AS FOLLOWS:

When a discriminatory housing charge is filed under Section 21 of this Act, a complainant, a respondent, or the aggrieved person on whose behalf the complaint is filed, may elect to have the claims asserted in that charge decided in a civil action under Section 32 of this Act, in lieu of an administrative hearing before the commission under Section 24 of this Act.

(1) The election shall be made not later than twenty (20) days after the receipt by the electing person of service under Section 22 of this Act, from the commission or, in the case of the commission, not later than twenty (20) days after service to the respondent and complainant.

(2) The person making the election shall give written notice of doing so to the commission and to all other complainants and respondents to whom the charge relates.

SECTION 24. A NEW SECTION OF KRS CHAPTER 344 IS CREATED TO READ AS FOLLOWS:

(2) At a hearing under this section, each party may appear in person, be represented by counsel, present evidence, cross-examine witnesses, and obtain the issuance of subpoenas. Any aggrieved person may intervene as a party in the proceeding. The Kentucky Rules of Civil Procedure, insofar as they are not inconsistent or in conflict with the procedure and practice provided by this chapter, shall apply to the presentation of evidence in the hearing as they would in a civil action in a Circuit Court.

(5) Any resolution of a discriminatory housing charge before a final order under this section shall require the consent of the aggrieved person on whose behalf the discriminatory housing charge is issued.

(6) The commission may not continue administrative proceedings under this section regarding any alleged discriminatory housing practice after the beginning of the trial of a civil action commenced by the aggrieved party under a state or federal law, seeking relief with respect to that discriminatory housing practice.

SECTION 25. A NEW SECTION OF KRS CHAPTER 344 IS CREATED TO READ AS FOLLOWS:

(1) The commission shall commence a hearing no later than one hundred twenty (120) days following the issuance of the discriminatory housing practice charge, unless it is impracticable to do so. (2) The commission shall make findings of fact and conclusions of law within sixty (60) days after the filings by the parties of conclusions of law, findings of fact, and briefs at the end of the hearing under this section, unless it is impracticable to do so. If the commission is unable to make findings of fact and conclusions of law within the period, or any succeeding sixty (60) day period thereafter, the commission shall notify the aggrieved person on whose behalf the discriminatory housing charge was filed, and the respondent, in writing, of the reasons for not doing so.

(3) If the commission finds that a respondent has engaged or is about to engage in a discriminatory housing practice, the commission shall promptly issue an order for appropriate relief, which may include actual damages suffered by the aggrieved person and injunctive or other equitable relief. The order may, to vindicate the public interest, assess a civil penalty against the respondent:

(a) In an amount not exceeding ten thousand dollars ($10,000) if the respondent has not been adjudged to have committed any prior discriminatory housing practice;

(b) In an amount not exceeding twenty-five thousand dollars ($25,000) if the respondent has been adjudged to have committed one (1) other discriminatory housing practice during the five (5) year period ending on the date of the filing of this charge; and

(c) In an amount not exceeding fifty thousand dollars ($50,000) if the respondent has been adjudged to have committed two (2) or more discriminatory housing practices during the seven (7) year period ending on the date of the filing of this charge; except that if the acts constituting the discriminatory housing practice that is the object of the charge are committed by the same natural person who has been previously adjudged to have committed acts constituting a discriminatory housing practice, then the civil penalties set forth in paragraphs (b) or (c) of this subsection may be imposed without regard to the period of time within which any subsequent discriminatory housing practice occurred.

(4) No order shall affect any contract, sale, encumbrance, or lease consummated before the issuance of the order and involving a bona fide purchaser, encumbrancer, or tenant without actual notice of the discriminatory housing charge.

(5) If the commission finds that the respondent has not engaged or is not about to engage in a discriminatory housing practice, the commission shall enter an order dismissing the charge. The commission shall make public disclosure of the dismissal.

(6) The commission shall cause the findings of act and conclusions of law made with respect to any final order for relief for a discriminatory housing practice, together with a copy of the order, to be served on each aggrieved person and each respondent in the proceeding.

Section 26. KRS 344.240 is amended to read as follows:

(1) ***Any*** [~~A~~] complainant, respondent, or intervenor aggrieved by an order of the commission, including an order dismissing ***any*** [~~a~~] complaint or stating the terms of a conciliation agreement, may obtain judicial review, and the commission may obtain an order of the court for enforcement of its order, in a proceeding brought in the Circuit Court in a county in which the alleged unlawful practice which is the subject of the order or complaint occurs or in which a respondent resides or has his principal place of business.

(2) The proceeding for review or enforcement is initiated by filing a complaint in the court. Copies of the complaint shall be served upon all parties of record. Within thirty (30) days after the service of the complaint upon the commission or its filing by the commission, or within such further time as the court may allow, the commission shall transmit to the court the original or a certified copy of the entire record upon which the order is based, including a transcript of testimony, which need not be printed. By stipulation of all parties to the review proceeding, the record may be shortened. The findings of fact of the commission shall be conclusive unless clearly erroneous in view of the probative and substantial evidence on the whole record. The court shall have power to grant such temporary relief or restraining order as it deems just, and to enter an order enforcing, modifying and enforcing as modified, or setting aside in whole or in part the order of the commission, or remanding the case to the commission for further proceedings.

(3) ***Except for a discriminatory housing practice,*** if the commission has failed to schedule a hearing in accordance with subsection (1) of ***Section 15 of this Act*** [~~KRS 344.210~~] or has failed to issue an order within one hundred eighty (180) days after the complaint is filed, the complainant, respondent, Attorney General, or an intervenor may petition the Circuit Court in a county in which the alleged unlawful practice set forth in the complaint occurs or in which the petitioner resides or has his principal place of business for an order directing the commission to take such action. The court shall follow the procedure set forth in subsection (2) so far as applicable.

(4) The court shall not consider any matter not considered by, nor any objection not raised before, the commission, unless the failure of a party to present such matter to or raise such objection before the commission is excused because of good cause shown. A party may move the court to remand the case to the commission in the interests of justice for the purpose of adducing additional specified and material evidence and seeking findings thereon, provided he shows good cause for the failure to adduce such evidence before the commission.

(5) The jurisdiction of the Circuit Court shall be exclusive and its final judgment or decree shall be subject to review by the Court of Appeals as provided by the Rules of Civil Procedure. The commission's copy of the testimony shall be available to all parties for examination without cost during business hours at the commission's office in Frankfort.

(6) A proceeding under this section must be initiated within thirty (30) days after a copy of the order of the commission is received, unless the commission is the petitioner or the petition is filed under subsection (3). If no proceeding is so initiated, the commission may obtain a decree of the court for enforcement of its order upon showing that a copy of the petition for enforcement was served on the respondent.

(7) If before the expiration of sixty (60) days after the date of the commission order is entered for a discriminatory housing practice and no petition for review has been filed under subsection (1) of this section, any person entitled to under the discriminatory housing practice order may petition for a decree enforcing the order in the Circuit Court for the county in which the discriminatory housing practice is alleged to have occurred.

(8) Except for subsection (3) of this section, all provisions in this section shall apply to orders issued in a discriminatory housing practice proceeding.

SECTION 27. A NEW SECTION OF KRS CHAPTER 344 IS CREATED TO READ AS FOLLOWS:

(1) An aggrieved person may file a civil action in an appropriate Circuit Court not later than five (5) years after the occurrence or the termination of an alleged discriminatory housing practice, or the breach of a conciliation agreement entered into as the result of an alleged discriminatory housing practice, whichever occurs last, to obtain appropriate relief with respect to the discriminatory housing practice or breach.

(2) The computation of the five (5) year period shall not include any time during which an administrative proceeding under this chapter is pending with respect to a complaint or charge of an alleged discriminatory housing practice. This subsection does not apply to actions arising from a breach of a conciliation agreement entered into as a result of an alleged discriminatory housing practice.

(3) An aggrieved person may file a civil action under this section whether or not a complaint has been filed under Section 16 of this Act, and without regard to the status of any such complaint, but:

(a) If the commission has obtained a conciliation agreement with the consent of an aggrieved person, the aggrieved person may not file an action under this section with respect to the alleged discriminatory housing practice which forms the basis for the complaint except for the purposes of enforcing the terms of the conciliation agreement; and

(b) An aggrieved person may not file a civil action under this section with respect to an alleged discriminatory housing practice which forms the basis of a charge issued by the commission if the commission has commenced a hearing.

SECTION 28. A NEW SECTION OF KRS CHAPTER 344 IS CREATED TO READ AS FOLLOWS:

Upon application by a person alleging a discriminatory housing practice or a person against whom a discriminatory housing practice is alleged, the Circuit Court may:

(1) Appoint an attorney for the person; or

Section 29. KRS 344.260 is amended to read as follows:

(1) Upon written application to the commission a party to ***any administrative*** [a] proceeding is entitled as of right to the issue of subpoenas in the name of the commission by an individual designated pursuant to its rules requiring attendance and the giving of testimony and the production of documents. A subpoena so issued shall show on its face the name and address of the party at whose request the subpoena was issued. On petition of the individual to whom the subpoena is directed and notice to the requesting party, the commission or an individual designated pursuant to its rules may vacate or modify the subpoena.

(2) Depositions of witnesses may be taken as prescribed by the Rules of Civil Procedure.

(3) If a person fails to comply with a subpoena, the Circuit Court for the county in which the person is found, resides, or has his principal place of business, upon application of the commission or the party requesting the subpoena, may issue an order requiring compliance. In any proceeding brought under this section, the court may modify or set aside the subpoena.

(4) Witnesses summoned by a subpoena in a discriminatory housing proceeding shall be entitled to the same witness and mileage fees as witnesses in proceedings in Circuit Court.

SECTION 30. A NEW SECTION OF KRS CHAPTER 344 IS CREATED TO READ AS FOLLOWS:

(1) In a civil action under Section 27 of this Act, if the Circuit Court finds that a discriminatory housing practice has occurred or is about to occur, the Circuit Court may award to the plaintiff actual and punitive damages, and subject to subsection (3) of this section, may grant as relief, as the court deems appropriate any permanent or temporary injunction, restraining order, or other order including an order enjoining the defendant from engaging in the practice or ordering affirmative action as appropriate.

(2) In a civil action under Section 26, 27, or 31 of this Act, the court, in its discretion, may award the prevailing complainant, a reasonable attorneys' fee and costs. The court, in its discretion, may award the prevailing respondent a reasonable attorneys' fee and costs if the respondent establishes that the complaint upon which the action was based was brought in bad faith. Whether a party has committed bad faith shall be determined in accordance with Rule 11 of the Kentucky Rules of Civil Procedure. The state shall not be liable in any event for fees and costs.

(3) However, no relief provided under this section shall effect any contract, sale, encumbrance, or lease consummated before the granting of that relief, and involving a bona fide purchaser, encumbrancer, or tenant, without actual notice of the filing of the complaint of a discriminatory housing practice complaint with the commission or the filing of a civil action.

SECTION 31. A NEW SECTION OF KRS CHAPTER 344 IS CREATED TO READ AS FOLLOWS:

(1) The commission or the Attorney General may file a civil action in Circuit Court for appropriate relief if the commission or Attorney General has probable cause to believe that:

(b) Any group of persons has been denied any housing right granted by this chapter and the denial raises an issue of general public importance; or

2. A party to a conciliation agreement concerning the discriminatory housing practice.

SECTION 32. A NEW SECTION OF KRS CHAPTER 344 IS CREATED TO READ AS FOLLOWS:

(1) If an election is made under Section 23 of this Act for a judicial rather than an administrative proceeding, the commission shall not later than thirty (30) days after the election is made, commence and maintain a civil action on behalf of the aggrieved person in the appropriate Circuit Court seeking relief under this section.

(2) Any aggrieved person with respect to the issues to be determined in a civil action under this section may intervene as of right in that civil action.

(3) If the court finds that a discriminatory housing practice has occurred or is about to occur, the court may grant as relief any relief under Section 30 of this Act which a court could grant with respect to a discriminatory housing practice in a civil action under Section 27 of this Act. Any relief granted under Section 30 of this Act that would accrue to an aggrieved person in a civil action commenced by that aggrieved person under Section 27 of this Act shall also accrue to that aggrieved person in a civil action under this section. If monetary relief is sought for the benefit of an aggrieved person who does not intervene in the

civil action, the court shall not award relief if that aggrieved person has not complied with discovery orders entered by the court.

SECTION 33. A NEW SECTION OF KRS CHAPTER 344 IS CREATED TO READ AS FOLLOWS:

Section 37. KRS 344.362 is amended to read as follows:

(4) Nothing in this section prohibits conduct against a person because the person has been convicted by any court of competent jurisdiction of the illegal manufacture or distribution of a controlled substance as defined in Section 102 of the Controlled Substances Act (21 U.S.C. 802) or KRS Chapter 218A.

(4) Unless the board, within sixty (60) days from the conclusion of the public hearing, adopts a final resolution designating the eligible company as an approved company, authorizing the project, and executing a service and technology agreement between the company and the authority, the approved company's request for designation and project authorization shall be considered denied.

(5) The decision to grant a company the status of approved company shall be solely that of the authority, which the board shall base its decision upon consideration of all information provided.

The amount of the approved company's income that is attributable to the economic development project shall be determined under Section 17 of this Act.

(a) Each employee paying the assessment shall be entitled to credits against his Kentucky income tax and local occupational tax, as follows:

2. One-fifth (1/5) of the assessment withheld from wages during the calendar year shall be permitted as a credit against any local occupational license fee incurred by the employee for the tax year in the jurisdiction in which the economic development project is located. If more than one (1) local tax is incurred, the one-fifth (1/5) assessment shall be prorated proportionately among the taxes; and

3. Employees paying the assessment shall not be subject to income tax withholding as required by KRS 141.310, and shall have any occupational license fee reduced by one-fifth (1/5) of the assessment, if the reduction has been approved by the local jurisdiction as provided in Section 14 of this Act; and

(b) If an approved company elects to impose the assessment as a condition of employment, it shall be authorized to deduct the assessment from each payment of wages to the employee;

(c) No credit, or portion thereof, shall be allowed against any occupational license fee imposed or dedicated solely by the board of education in a local jurisdiction;

(d) The approved company collecting an assessment shall make its payroll, books, and records available to the authority when the authority shall request, and shall file with the authority documentation pertaining to the assessment as the authority may require; and

(e) Any assessment of the wages of employees of an approved company in connection with their employment at an economic development project shall cease at the expiration of the agreement.

SECTION 12. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

Before any approved company is granted inducements as prescribed in Sections 1 to 15 of this Act, a service and technology agreement with respect to the company's economic development project shall be entered into between the authority and the approved company. The terms and provisions of the agreement shall be determined by negotiations between the authority and the approved company, except that each agreement shall include the following provisions:

(1) The term of an agreement shall not be longer than ten (10) years from the activation date established by the approved company. The activation date shall be any time within a two (2) year period after approval of the agreement by the authority. In order to implement the activation date, the approved company shall notify the authority, the Kentucky Revenue Cabinet, the employees, and the affected local jurisdiction, if any, of the date on which implementation of the inducements authorized in the agreement shall occur.

(2) The agreement shall include:

(a) A description of the authorized inducements to be used by the approved company;

(b) A provision that, if the total number of full-time employee falls below twenty-five (25), the authorized inducements shall be suspended until the number of full-time employees equal or exceed twenty-five (25); and

(c) A provision that neither income tax credits nor assessments are assignable without written consent by the authority.

SECTION 13. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) Before the end of the first year following the activation date, the authority shall, using data supplied by the approved company, verify and determine the total start-up costs for the approved company's economic development project. The initial approved costs shall be fifty percent (50%) of the start-up cost.

(2) Each year, during the ten (10) year life span of the agreement, fifty percent (50%) of the annualized rental payments shall be added to the unrecouped balance of approved costs.

(3) Each year, the inducement earned shall be subtracted from the approved costs.

(4) If, during any fiscal year of the agreement, the accumulated inducements equal the remaining balance of the approved costs, the assessments collected from the wages of the employees shall cease for the remainder of that fiscal year, and the approved company shall resume normal personal income tax and occupation license fee withholdings from the employees wages for the remainder of that year.

(5) If during any fiscal year of the agreement, the total of the income tax credit granted to the approved company exceeds the remaining balance of the approved costs, the approved company shall pay the excess to the Commonwealth as income tax.

SECTION 14. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) If an eligible company operates an existing service and technology business in Kentucky, and wishes to expand that business within the Commonwealth, the eligible company may submit an application to the authority to become an approved company and eligible for the inducements offered in Sections 1 to 15 of this Act.

(2) If an existing business becomes an approved company, the authority shall determine a base level of employment and a base level of state income tax liability of the approved company for determining eligible credits in remaining years of the approved company's project period. The base level shall be determined by taking into consideration any seasonal fluctuations or aberrations of employment levels over a preceding three (3) year period.

(3) The authority shall identify, by name, all of the existing employees engaged in the service and technology activity, and these employees shall be exempt from the assessment. If any of these employees cease working in the activity, another employee shall be added to the base level of employment, based on the earliest date of entry into the work force, and he shall be exempt from the assessment. The authority may negotiate with the approved company a different method of determining the base level of employment which would yield a more equitable result for the approved company, the Commonwealth, local jurisdictions, and the employees.

(4) To become eligible for inducements, the approved company shall create and maintain an increase of at least twenty-five (25) employees above the base level of employment.

(5) The approved company shall continue to pay to the Commonwealth, on an annualized basis during the term of the agreement, the base level of income tax, adjusted on an annual basis to reflect changes in the consumers price index. Any excess income tax owed may be taken as a credit.

(6) If any approved company expands because of an increase in business or because of the commencement of a new line of business, it shall be eligible, at the discretion of the authority, to negotiate a separate and additional agreement to cover the expanded business under the same conditions as authorized for expansion in this section.

SECTION 15. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) Before any agreement as prescribed in Section 12 of this Act shall become effective, the legislative body of any local jurisdiction which may lose revenue as a result of the inducements offered pursuant to Sections 1 to 15 of this Act shall approve by official action the granting of inducement to the approved company.

(2) In lieu of a credit against the local occupational license fee, the local government may elect, by vote of its legislative body, to provide for the benefit of the approved company, a benefit of service deemed to be equal to one percent (1%) of the employees wages which would have been subject to the local occupational license fee, or may provide an in-kind contribution equal to one half (1/2) of the rent for the duration of the agreement. For purposes of this subsection, benefits and in-kind contributions shall be services and programs deemed eligible by the local jurisdiction's governing body.

(3) If the local government elects to provide an incentive other than a credit against its local occupational license fee, the assessment authorized by Section 11 of this act shall be four percent (4%), one hundred percent (100%) of which shall be permitted as a credit against Kentucky income tax withheld pursuant to KRS 141.350.

Section 16. KRS 141.310 is amended to read as follows:

(1) Every employer making payment of wages on or after January 1, 1971 shall deduct and withhold upon ***the*** [~~such~~] wages a tax determined under KRS 141.315 or by the tables authorized by KRS 141.370.

(2) If wages are paid with respect to a period which is not a payroll period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days, including Sundays and holidays, equal to the number of days in the period with respect to which ***the*** [~~such~~] wages are paid.

(3) In any case in which wages are paid by an employer without regard to any payroll period or other period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days equal to the number of days, including Sundays and holidays, which have elapsed since the date of the last payment of [~~such~~] wages by ***the*** [~~such~~] employer during the calendar year, or the date of commencement of employment with ***the*** [~~such~~] employer during ***the*** [~~such~~] year, or January 1 of ***the*** [~~such~~] year, whichever is the later.

(4) In determining the amount to be deducted and withheld under this section, the wages may, at the election of the employer, be computed to the nearest dollar.

(5) The tables mentioned in subsection (1) of this section take into consideration the deductible federal income tax. If Congress changes substantially the federal income tax, the cabinet shall make ***the*** [~~such~~] change

in these tables [~~as~~] necessary to compensate for any increase or decrease in the deductible federal income tax.

(6) The cabinet may permit the use of accounting machines to calculate the proper amount to be deducted from wages when the calculation so permitted produces substantially the same result set forth in the tables authorized by KRS 141.370. Prior approval of ***the*** [~~such~~] calculation shall be secured from the cabinet at least thirty days before the first payroll period for which it is to be used.

(7) The cabinet may, by regulations, authorize employers:

(a) To estimate the wages which will be paid to any employee in any quarter of the calendar year;

(b) To determine the amount to be deducted and withheld upon each payment of wages to ***the*** [~~such~~] employee during ***the*** [~~such~~] quarter as if the appropriate average of the wages [~~so~~] estimated constituted the actual wages paid; and

(c) To deduct and withhold upon any payment of wages to ***the*** [~~such~~] employee during ***the*** [~~such~~] quarter ***the*** [~~such~~] amount [~~as may be~~] necessary to adjust the amount actually deducted and withheld upon the wages of ***the*** [~~such~~] employee during ***the*** [~~such~~] quarter to the amount that would be required to be deducted and withheld during ***the*** [~~such~~] quarter if the payroll period of the employee was quarterly.

(8) The cabinet ***may*** [~~is authorized to~~] provide by regulation, under ***the*** [~~such~~] conditions and to ***the*** [~~such~~] extent [~~as~~] it deems proper, for withholding in addition to that otherwise required under this section and KRS 141.315 in cases in which the employer and the employee agree to ***the*** [~~such~~] additional withholding. ***The*** [~~Such~~] additional withholding shall for all purposes be considered tax required to be deducted and withheld under this chapter.

(9) ***Effective January 1, 1992, any employer required by this section to withhold Kentucky income tax who assesses and withholds from employees the job assessment fee provided in Section 11 of this Act may offset a portion of the fee against the Kentucky income tax required to be withheld from the employee under this section. The amount of the offset shall be four-fifths (4/5) of the amount of the assessment fee withheld from the employee. If the Kentucky income tax to be withheld from the employee under this section is greater than four-fifths (4/5) of the job assessment fee set forth above, the excess shall be withheld. If the agreement under Section 15 of this Act is consummated, the offset shall be one hundred percent (100%) of the assessment.***

(10) Any employer required by this section to withhold Kentucky income tax may be required to post a bond with the cabinet. ***The*** [~~Such~~] bond shall be a corporate surety bond or cash. The amount of the bond shall be determined by the cabinet, but [~~in no case~~] shall ***not*** exceed fifty thousand dollars ($50,000).

(11)[~~(10)~~] The Commonwealth may bring an action for a restraining order ***or a***[~~,~~] temporary or permanent injunction to restrain or enjoin the operation of an employer's business until the bond is posted or the tax required to be withheld is paid or both. ***The*** [~~Such~~] action may be brought in the Franklin Circuit Court or in the Circuit Court having jurisdiction of the defendant.

(8) If an approved company can show to the satisfaction of the Revenue Cabinet that the nature of the operations and activities of the approved company are such that it is not practical to use the separate accounting method to determine the net income from the facility at which the economic development project is located, the approved company shall determine net income from the economic development project using an alternative method approved by the Revenue Cabinet.

(9) The Revenue Cabinet may promulgate administrative regulations and require the filing of forms designed by the Revenue Cabinet to reflect the intent of Sections 1 to 15 of this Act and the allowable income tax credit which an approved company may retain under Sections 1 to 15 of this Act.

Notice of the public hearing shall be given pursuant to KRS Chapter 424.

(4) Unless the board, within sixty (60) days from the conclusion of the public hearing, adopts a final resolution designating the eligible company as an approved company, authorizing the project, and executing a service and technology agreement between the company and the authority, the approved company's request for designation and project authorization shall be considered denied.

(5) The decision to grant a company the status of approved company shall be solely that of the authority, which the board shall base its decision upon consideration of all information provided.

SECTION 11. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) The approved company shall be entitled to an income tax credit equal to one hundred percent (100%) of the income tax that would otherwise be due to the Commonwealth by the approved company attributable to the economic development project, as limited by the provisions of this section and Section 13 of this Act. The amount of the approved company's income that is attributable to the economic development project shall be determined under Section 17 of this Act.

(2) The approved company may require each employee, subject to state tax imposed by KRS 141.020, as a condition of employment, to agree to pay a service and technology job creation assessment fee up to five percent (5%) of the gross wages for each employee whose job has been deemed by the authority to be created as a result of the economic development project;

(a) Each employee paying the assessment shall be entitled to credits against his Kentucky income tax and local occupational tax, as follows:

1. Four-fifths (4/5) of the assessment withheld from wages during the calendar year shall be permitted as a credit against the Kentucky income tax which would otherwise have been withheld as provided by KRS 141.310;

2. One-fifth (1/5) of the assessment withheld from wages during the calendar year shall be permitted as a credit against any local occupational license fee incurred by the employee for the tax year in the jurisdiction in which the economic development project is located. If more than one (1) local tax is incurred, the one-fifth (1/5) assessment shall be prorated proportionately among the taxes; and

3. Employees paying the assessment shall not be subject to income tax withholding as required by KRS 141.310, and shall have any occupational license fee reduced by one-fifth (1/5) of the assessment, if the reduction has been approved by the local jurisdiction as provided in Section 15 of this Act; and

(b) If an approved company elects to impose the assessment as a condition of employment, it shall be authorized to deduct the assessment from each payment of wages to the employee;

(c) No credit, or portion thereof, shall be allowed against any occupational license fee imposed or dedicated solely by the board of education in a local jurisdiction;

(d) The approved company collecting an assessment shall make its payroll, books, and records available to the authority when the authority shall request, and shall file with the authority documentation pertaining to the assessment as the authority may require; and

(e) Any assessment of the wages of employees of an approved company in connection with their employment at an economic development project shall cease at the expiration of the agreement.

SECTION 12. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

Before any approved company is granted inducements as prescribed in Sections 1 to 15 of this Act, a service and technology agreement with respect to the company's economic development project shall be entered into between the authority and the approved company. The terms and provisions of the agreement shall be determined by negotiations between the authority and the approved company, except that each agreement shall include the following provisions:

(1) The term of an agreement shall not be longer than ten (10) years from the activation date established by the approved company. The activation date shall be any time within a two (2) year period after approval of the agreement by the authority. In order to implement the activation date, the approved company shall notify the authority, the Kentucky Revenue Cabinet, the employees, and the affected local jurisdiction, if any, of the date on which implementation of the inducements authorized in the agreement shall occur.

(2) The agreement shall include:

(a) A description of the authorized inducements to be used by the approved company;

(b) A provision that, if the total number of full-time employee falls below twenty-five (25), the authorized inducements shall be suspended until the number of full-time employees equal or exceed twenty-five (25); and

(c) A provision that neither income tax credits nor assessments are assignable without written consent by the authority.

SECTION 13. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) Before the end of the first year following the activation date, the authority shall, using data supplied by the approved company, verify and determine the total start-up costs for the approved company's economic development project. The initial approved costs shall be fifty percent (50%) of the start-up cost.

(2) Each year, during the ten (10) year life span of the agreement, fifty percent (50%) of the annualized rental payments shall be added to the unrecouped balance of approved costs.

(3) Each year, the inducement earned shall be subtracted from the approved costs.

(4) If, during any fiscal year of the agreement, the accumulated inducements equal the remaining balance of the approved costs, the assessments collected from the wages of the employees shall cease for the remainder of that fiscal year, and the approved company shall resume normal personal income tax and occupation license fee withholdings from the employees wages for the remainder of that year.

(5) If during any fiscal year of the agreement, the total of the income tax credit granted to the approved company exceeds the remaining balance of the approved costs, the approved company shall pay the excess to the Commonwealth as income tax.

SECTION 14. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) If an eligible company operates an existing service and technology business in Kentucky, and wishes to expand that business within the Commonwealth, the eligible company may submit an application to the authority to become an approved company and eligible for the inducements offered in Sections 1 to 15 of this Act.

(2) If an existing business becomes an approved company, the authority shall determine a base level of employment and a base level of state income tax liability of the approved company for determining eligible credits in remaining years of the approved company's project period. The base level shall be determined by taking into consideration any seasonal fluctuations or aberrations of employment levels over a preceding three (3) year period.

(3) The authority shall identify, by name, all of the existing employees engaged in the service and technology activity, and these employees shall be exempt from the assessment. If any of these employees cease working in the activity, another employee shall be added to the base level of employment, based on the earliest date of entry into the work force, and he shall be exempt from the assessment. The authority may negotiate with the approved company a different method of determining the base level of employment which would yield a more equitable result for the approved company, the Commonwealth, local jurisdictions, and the employees.

(4) To become eligible for inducements, the approved company shall create and maintain an increase of at least twenty-five (25) employees above the base level of employment.

(5) The approved company shall continue to pay to the Commonwealth, on an annualized basis during the term of the agreement, the base level of income tax, adjusted on an annual basis to reflect changes in the consumers price index. Any excess income tax owed may be taken as a credit.

(6) If any approved company expands because of an increase in business or because of the commencement of a new line of business, it shall be eligible, at the discretion of the authority, to negotiate a separate and additional agreement to cover the expanded business under the same conditions as authorized for expansion in this section.

SECTION 15. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) Before any agreement as prescribed in Section 12 of this Act shall become effective, the legislative body of any local jurisdiction which may lose revenue as a result of the inducements offered pursuant to Sections 1 to 15 of this Act shall approve by official action the granting of inducement to the approved company.

(2) In lieu of a credit against the local occupational license fee, the local government may elect, by vote of its legislative body, to provide for the benefit of the approved company, a benefit of service deemed to be equal to one percent (1%) of the employees wages which would have been subject to the local occupational license fee, or may provide an in-kind contribution equal to one half (1/2) of the rent for the duration of the agreement. For purposes of this subsection, benefits and in-kind contributions shall be services and programs deemed eligible by the local jurisdiction's governing body.

(3) If the local government elects to provide an incentive other than a credit against its local occupational license fee, the assessment authorized by Section 11 of this act shall be four percent (4%), one hundred percent (100%) of which shall be permitted as a credit against Kentucky income tax withheld pursuant to KRS 141.350.

Section 16. KRS 141.310 is amended to read as follows:

(1) Every employer making payment of wages on or after January 1, 1971 shall deduct and withhold upon *the* [~~such~~] wages a tax determined under KRS 141.315 or by the tables authorized by KRS 141.370.

(2) If wages are paid with respect to a period which is not a payroll period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days, including Sundays and holidays, equal to the number of days in the period with respect to which *the* [~~such~~] wages are paid.

(3) In any case in which wages are paid by an employer without regard to any payroll period or other period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days equal to the number of days, including Sundays and holidays, which have elapsed since the date of the last payment of [~~such~~] wages by *the* [~~such~~] employer during the calendar year, or the date of commencement of employment with *the* [~~such~~] employer during *the* [~~such~~] year, or January 1 of *the* [~~such~~] year, whichever is the later.

(4) In determining the amount to be deducted and withheld under this section, the wages may, at the election of the employer, be computed to the nearest dollar.

(5) The tables mentioned in subsection (1) of this section take into consideration the deductible federal income tax. If Congress changes substantially the federal income tax, the cabinet shall make ***the*** [~~such~~] change in these tables [~~as~~] necessary to compensate for any increase or decrease in the deductible federal income tax.

(6) The cabinet may permit the use of accounting machines to calculate the proper amount to be deducted from wages when the calculation so permitted produces substantially the same result set forth in the tables authorized by KRS 141.370. Prior approval of ***the*** [~~such~~] calculation shall be secured from the cabinet at least thirty days before the first payroll period for which it is to be used.

(7) The cabinet may, by regulations, authorize employers:

(a) To estimate the wages which will be paid to any employee in any quarter of the calendar year;

(b) To determine the amount to be deducted and withheld upon each payment of wages to ***the*** [~~such~~] employee during ***the*** [~~such~~] quarter as if the appropriate average of the wages [~~so~~] estimated constituted the actual wages paid; and

(c) To deduct and withhold upon any payment of wages to ***the*** [~~such~~] employee during ***the*** [~~such~~] quarter ***the*** [~~such~~] amount [~~as may be~~] necessary to adjust the amount actually deducted and withheld upon the wages of ***the*** [~~such~~] employee during ***the*** [~~such~~] quarter to the amount that would be required to be deducted and withheld during ***the*** [~~such~~] quarter if the payroll period of the employee was quarterly.

(8) The cabinet ***may*** [~~is authorized to~~] provide by regulation, under ***the*** [~~such~~] conditions and to ***the*** [~~such~~] extent [~~as~~] it deems proper, for withholding in addition to that otherwise required under this section and KRS 141.315 in cases in which the employer and the employee agree to ***the*** [~~such~~] additional withholding. ***The*** [~~Such~~] additional withholding shall for all purposes be considered tax required to be deducted and withheld under this chapter.

(9) ***Effective January 1, 1992, any employer required by this section to withhold Kentucky income tax who assesses and withholds from employees the job assessment fee provided in Section 11 of this Act may offset a portion of the fee against the Kentucky income tax required to be withheld from the employee under this section. The amount of the offset shall be four-fifths (4/5) of the amount of the assessment fee withheld from the employee. If the Kentucky income tax to be withheld from the employee under this section is greater than four-fifths (4/5) of the job assessment fee set forth above, the excess shall be withheld. If the agreement under Section 15 of this Act is consummated, the offset shall be one hundred percent (100%) of the assessment.***

(10) Any employer required by this section to withhold Kentucky income tax may be required to post a bond with the cabinet. ***The*** [~~Such~~] bond shall be a corporate surety bond or cash. The amount of the bond shall be determined by the cabinet, but [~~in no case~~] shall ***not*** exceed fifty thousand dollars ($50,000).

(11)[~~(10)~~] The Commonwealth may bring an action for a restraining order ***or a***[~~,~~] temporary or permanent injunction to restrain or enjoin the operation of an employer's business until the bond is posted or the tax required to be withheld is paid or both. ***The*** [~~Such~~] action may be brought in the Franklin Circuit Court or in the Circuit Court having jurisdiction of the defendant.

(b) Compute the income tax due at the applicable tax rates as provided by KRS 141.020 or 141.040 on net income as defined by KRS 141.010(11) or taxable net income as defined by KRS 141.010(14), excluding net income attributable to an economic development project; and

(c) The tax credit shall be the amount by which the tax computed under paragraph (a) of this subsection exceeds the tax computed under paragraph (b) of this subsection; however, the credit shall not exceed the limits set forth in Sections 2 to 15 of this Act.

(4) Notwithstanding any other provisions of this chapter, an approved company which is an S-corporation, partnership, or trust shall be subject to income tax on the net income attributable to an economic development project at the rates provided in KRS 141.020(2), and the amount of the tax credit shall be the same as the amount of the tax computed in this subsection; however the credit shall not exceed the limits set forth in Sections 2 to 15 of this Act. If the tax computed herein exceeds the credit, the excess shall be paid by the S-corporation, partnership, or trust at the times provided by KRS 141.160 for filing the returns.

(5) Notwithstanding any other provisions of this chapter, the net income subject to tax and the tax credit determined under subsection (4) of this section shall be excluded in determining each shareholder's, partner's, or beneficiaries' distributive share of net income or credit of an S-corporation, partnership, or trust.

(6) If the economic development project is a totally separate facility, net income attributable to the project for the purposes of subsections (3), (4), and (5) of this section shall be determined under the separate accounting method reflecting only the gross income, deductions, expenses, gains, and losses allowed under KRS Chapter 141 directly attributable to the facility and overhead expenses apportioned to the facility.

(7) If the economic development project is an expansion to a previously existing facility, net income attributable to the entire facility shall be determined under the separate accounting method reflecting only the gross income, deductions, expenses, gains, and losses allowed under KRS Chapter 141 directly attributable to the facility and overhead expenses apportioned to the facility, and the net income attributable to the economic development project for the purposes of subsections (3), (4), and (5) of this section shall be determined by apportioning the separate accounting net income of the entire facility to the economic development project by a formula approved by the Revenue Cabinet.

(8) If an approved company can show to the satisfaction of the Revenue Cabinet that the nature of the operations and activities of the approved company are such that it is not practical to use the separate accounting method to determine the net income from the facility at which the economic development project is located, the approved company shall determine net income from the economic development project using an alternative method approved by the Revenue Cabinet.

(9) The Revenue Cabinet may promulgate administrative regulations and require the filing of forms designed by the Revenue Cabinet to reflect the intent of Sections 1 to 15 of this Act and the allowable income tax credit which an approved company may retain under Sections 1 to 15 of this Act.

Section 18. KRS 141.350 is amended to read as follows:

If more than one (1) taxable year begins in the calendar year, the amount shall be allowed as a credit against the tax for the last taxable year so beginning.

SECTION 19. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) The Kentucky Development Finance Authority, or its successor, shall develop, pursuant to KRS 154.005 to 154.180, criteria which may be used by the authority in considering the requests by industrial entities for financial assistance for proposed industrial development projects. The recommended source for industry productivity measures is the rate of change in industry labor productivity indexes published by the United States Bureau of Labor Statistics.

The approved company shall not be required to pay estimated income tax payments as prescribed under KRS 141.044 or 141.305 on income from the economic revitalization project. Ninety (90) days after the filing of the tax return of the approved company, the Revenue Cabinet of the Commonwealth shall certify to the authority the state income tax liability for the preceding year of the approved company with respect to a project receiving inducements under Sections 2 to 11 of this Act and the amount of any tax credits taken pursuant to Section 10 of this Act.;

c. If more than one (1) local occupational license fee is imposed upon the employees of the approved company, the portion of the assessment credited against the local occupational license fee shall be apportioned to each local occupational license fee according to each local occupational license fee's proportion to the total of all local occupational license fees. No credit, or portion thereof shall be allowed against any local occupational license fee imposed or dedicated solely to a local board of education.

(2) If, prior to the execution of the assessment agreement, the approved company elects to utilize the job revitalization assessment fee as prescribed in Section 11 of this Act, a vote of the employees shall be taken by the approved company to approve or disapprove the withholding of the assessment. The vote shall be conducted in a manner approved by the authority.

(3) The agreement shall not be executed unless the assessment is approved by a majority of the employees voting;

(4) A majority vote of the employees of the approved company voting in favor of the assessment shall authorize the approved company to invoke the assessment on all employees of the approved company; and

(5) Each employee shall sign a written authorization in a form acceptable to the authority by which the employer is authorized to deduct the assessment from the employee's wages;

(6) Notwithstanding the provisions of this section, no approved company shall assess the wages of an employee who is party to an individual employment contract with the approved company, or the wages of an employee whose wages will fall below applicable federal or state minimum wage standards if the job revitalization assessment fee is imposed.

(2) Each assessed employee shall be entitled to a credit against his Kentucky income tax required to be withheld under KRS 141.310 equal to two-thirds (2/3) of the job revitalization assessment fee, if the agreement set forth in Section 10(1)(d)2.b. of this Act is consummated.

(3) Each assessed employee also shall be entitled to a credit against his local occupational license fee in the form of a simultaneous adjustment of his local occupational license fee withholding equal to one-sixth (1/6) of the job revitalization assessment fee, unless the agreement set forth in Section 10(1)(d)2.b. of this Act is consummated.

(4) If an approved company shall elect to impose the assessment fee as a condition of employment or the retention of employment, it shall deduct the assessment from each paycheck of each employee subject to subsection (2) and (3) of this section.

(5) Any approved company collecting an assessment as provided in subsection (1) of this section shall make its payroll books and records available to the authority at reasonable times the authority shall request, and shall file with the authority the documentation respecting the assessment the authority may require.

(6) Any assessment of the wages of the employees of an approved company pursuant to subsection (1) of this section shall lapse upon expiration or termination of the agreement.

Section 12. KRS 141.310 is amended to read as follows:

(1) Every employer making payment of wages on or after January 1, 1971 shall deduct and withhold upon ***the*** [~~such~~] wages a tax determined under KRS 141.315 or by the tables authorized by KRS 141.370.

(2) If wages are paid with respect to a period which is not a payroll period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days, including Sundays and holidays, equal to the number of days in the period with respect to which ***the*** [~~such~~] wages are paid.

(3) In any case in which wages are paid by an employer without regard to any payroll period or other period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days equal to the number of days, including Sundays and holidays, which have elapsed since the date of the last payment of [~~such~~] wages by ***the*** [~~such~~] employer during the calendar year, or the date of commencement of employment with ***the*** [~~such~~] employer during ***the*** [~~such~~] year, or January 1 of ***the*** [~~such~~] year, whichever is the later.

(4) In determining the amount to be deducted and withheld under this section, the wages may, at the election of the employer, be computed to the nearest dollar.

(5) The tables mentioned in subsection (1) of this section take into consideration the deductible federal income tax. If Congress changes substantially the federal income tax, the cabinet shall make ***the*** [~~such~~] change in these tables [~~as~~] necessary to compensate for any increase or decrease in the deductible federal income tax.

(6) The cabinet may permit the use of accounting machines to calculate the proper amount to be deducted from wages when the calculation so permitted produces substantially the same result set forth in the tables authorized by KRS 141.370. Prior approval of ***the*** [~~such~~] calculation shall be secured from the cabinet at least thirty days before the first payroll period for which it is to be used.

(7) The cabinet may, by regulations, authorize employers:

(a) To estimate the wages which will be paid to any employee in any quarter of the calendar year;

(b) To determine the amount to be deducted and withheld upon each payment of wages to ***the*** [~~such~~] employee during ***the*** [~~such~~] quarter as if the appropriate average of the wages [~~so~~] estimated constituted the actual wages paid; and

(c) To deduct and withhold upon any payment of wages to ***the*** [~~such~~] employee during ***the*** [~~such~~] quarter ***the*** [~~such~~] amount [~~as may be~~] necessary to adjust the amount actually deducted and withheld upon the wages of ***the*** [~~such~~] employee during ***the*** [~~such~~] quarter to the amount that would be required to be deducted and withheld during ***the*** [~~such~~] quarter if the payroll period of the employee was quarterly.

(8) The cabinet ***may*** [~~is authorized to~~] provide by regulation, under ***the*** [~~such~~] conditions and to ***the*** [~~such~~] extent [~~as~~] it deems proper, for withholding in addition to that otherwise required under this section and KRS 141.315 in cases in which the employer and the employee agree to ***the*** [~~such~~] additional withholding. ***The*** [~~Such~~] additional withholding shall for all purposes be considered tax required to be deducted and withheld under this chapter.

(9) ***Effective January 1, 1992, any employer required by this section to withhold Kentucky income tax who assesses and withholds from employees the job assessment fee provided in Section 11 of this Act may offset a portion of the fee against the Kentucky income tax required to be withheld from the employee under this section. The amount of the offset shall be two-thirds (2/3) of the amount of the assessment fee withheld from the employee. If the Kentucky income tax to be withheld from the employee under this section is greater than two-thirds (2/3) of the job assessment fee set forth above, or four-fifths (4/5) if the agreement under Section 10(1)(d)2.b. of this Act is consummated, the excess shall be withheld.***

(10) Any employer required by this section to withhold Kentucky income tax may be required to post a bond with the cabinet. ***The*** [~~Such~~] bond shall be a corporate surety bond or cash. The amount of the bond shall be determined by the cabinet, but [~~in no case~~] shall ***not*** exceed fifty thousand dollars ($50,000).

(11)[~~(10)~~] The Commonwealth may bring an action for a restraining order ***or*** a[~~,~~] temporary or permanent injunction to restrain or enjoin the operation of an employer's business until the bond is posted or the tax required to be withheld is paid or both. ***The*** [~~Such~~] action may be brought in the Franklin Circuit Court or in the Circuit Court having jurisdiction of the defendant.

(9) The Revenue Cabinet may issue administrative regulations and require the filing of forms designed by the Revenue Cabinet to reflect the intent of Sections 1 to 11 of this Act and the allowable income tax credit which an approved company may retain under Sections 1 to 11 of this Act.

No director or officer of the authority shall be subject to any personal liability or accountability by reason of his execution of any obligation duly authorized by the authority.

SECTION 7. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

The authority may accept and expend moneys which may be appropriated from time to time by the General Assembly, or moneys which may be received from any source, including income from the authority's operations for effectuating its purpose, including, without limitation, the payment of the expenses of administration and operation.

SECTION 8. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

No director, officer, or employee of the authority shall be interested, directly or indirectly, or shall be an officer or employee, or have an ownership interest in any firm or corporation interested, directly or indirectly, in any contract with the authority.

SECTION 9. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) The authority shall establish standards for the determination and approval of eligible companies and their projects by the promulgation of administrative regulations in accordance with KRS Chapter 13A.

(2) These standards shall give greatest weight to the need for the project; the new capital investment in the project that will result in financial stability for the manufacturing facility; and the retention or expansion of the greatest number of employees at the manufacturing facility.

(3) With respect to each eligible company making an application to the authority for inducements, and with respect to the project described in the application, the authority shall make inquiries and request materials of the applicant, including, but not limited to, written evidence that except a substantial investment in the project, assisted by the inducements authorized by Section 2 to 11 of this Act, the eligible company will close its manufacturing facility, permanently lay off its employees, and cease operations.

(4) The eligible company shall, in a manner acceptable to the authority, detail the condition of the facility, including, but not limited to, financial, efficiency, and productivity matters; explain in detail why the company intends to close the facility; and set out alternatives that are available to the company.

(5) The authority shall engage the services of a competent consulting firm or technical resource to analyze the data made available by the company, and to collect and analyze additional information necessary to determine that, in its independent judgment, the company will close the facility absent intervention by the authority. The company shall pay the cost of this evaluation.

(6) The company shall cooperate with the consultant and provide all of the data which could reasonably be required by the consultant to make a fair assessment of the company's intentions to close the facility.

(7) The authority shall review the report of consultant and other information which has been made available to it to determine whether the company intends to close the facility for valid reasons. The authority shall determine the potential of the proposed revitalization project to make the facility stable, productive, and competitive in its market.

(8) The authority shall hold a public hearing to solicit public comment from any person, group, or interested party regarding the proposed project.

(9) After the public hearing, the authority, by resolution of its board of directors, may declare the jobs then existing at the facility to be lost; may approve the eligible company's application for a project; and may grant to the eligible company the status of an approved company. The decision reached by the authority shall be final and no appeal shall be granted.

(10) All meetings of the board of directors of the authority shall be held in accordance with KRS 61.805 to 61.850. The board of directors of the authority may, pursuant to KRS 61.815, hold closed sessions of its meetings to discuss matters exempt from the open meetings law and pertaining to an eligible company.

SECTION 10. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) The authority, upon adoption of an authorizing resolution, may enter into, with any approved company, a revitalization agreement with respect to its project. The terms and provisions of each revitalization agreement shall be determined by negotiations between the authority and the approved company, except that each revitalization agreement shall include the following provisions:

(a) The agreement shall set a date by which the approved company will have completed the project. Within three (3) months of the completion date, the company shall document the actual cost of the project in a manner acceptable to the authority. The authority may employ an independent consultant or utilize technical resources to verify the cost of the project. The approved company shall reimburse the authority for the cost of the consultant;

(b) In consideration of the execution of the agreement, the approved company may be permitted during the time in which the agreement is in effect, which shall not exceed ten (10) years, the following:

1. A credit against the Kentucky income tax imposed by KRS 141.020 or 141.040 on the income of the approved company generated by or arising out of the project as determined under Section 13 of this Act; plus

2. The aggregate job revitalization assessment withheld by the approved company in each year;

(c) The income tax credit allowed to the approved company shall be equal to the lesser of the total amount of the tax liability or fifty percent (50%) of the approved cost that has not yet been recovered. The credit shall be allowed in each fiscal year of the revitalization agreement in which a tax return of the approved company is filed until the entire fifty percent (50%) of the approved cost has been received. The approved company shall not be required to pay estimated income tax payments as prescribed under KRS 141.044 or 141.305 on income from the economic revitalization project. Ninety (90) days after the filing of the tax return of the approved company, the Revenue Cabinet of the Commonwealth shall certify to the authority the state income tax liability for the preceding year of the approved company with respect to a project receiving inducements under Sections 2 to 11 of this Act and the amount of any tax credits taken pursuant to Section 10 of this Act.;

(d) The agreement shall provide that:

1. The term shall not be longer than the earlier of:

a. The date on which the approved company has received Kentucky income tax credits or withholds assessments equal to 50% of the approved costs of its project; or

b. Ten (10) years from the date of the execution of the agreement.

2. Prior to final execution of the agreement, the company shall secure from all local governmental authorities responsible for collecting local occupational license fees one (1) of the following:

a. A resolution or order of the local governmental entities acknowledging and consenting to the termination or partial termination of the receipt of local occupational license fees paid by the approved *company on behalf of its employees to the local government entities resulting from the execution of the agreement; or*

b. In lieu of the credit against the local occupational license fee, an agreement with the local governmental entities by which the local governmental entities will appropriate funds in an amount equal to the amount of the credit of the local occupational license fee for the benefit of the approved company in a manner consistent with the applicable state laws.

c. If more than one (1) local occupational license fee is imposed upon the employees of the approved company, the portion of the assessment credited against the local occupational license fee shall be apportioned to each local occupational license fee according to each local occupational license fee's proportion to the total of all local occupational license fees. No credit, or portion thereof shall be allowed against any local occupational license fee imposed or dedicated solely to a local board of education.

(2) If, prior to the execution of the assessment agreement, the approved company elects to utilize the job revitalization assessment fee as prescribed in Section 11 of this Act, a vote of the employees shall be taken by the approved company to approve or disapprove the withholding of the assessment. The vote shall be conducted in a manner approved by the authority.

(3) The agreement shall not be executed unless the assessment is approved by a majority of the employees voting;

(4) A majority vote of the employees of the approved company voting in favor of the assessment shall authorize the approved company to invoke the assessment on all employees of the approved company; and

(5) Each employee shall sign a written authorization in a form acceptable to the authority by which the employer is authorized to deduct the assessment from the employee's wages;

(6) Notwithstanding the provisions of this section, no approved company shall assess the wages of an employee who is party to an individual employment contract with the approved company, or the wages of an employee whose wages will fall below applicable federal or state minimum wage standards if the job revitalization assessment fee is imposed.

(7) The agreement shall not be transferable or assignable by the approved company without the expressed written consent of the authority.

SECTION 11. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) The approved company may require that each employee subject to the income tax imposed by KRS 141.020, whose job was preserved or created as a result of the project, as a condition of employment or the retention of employment, agree to pay a job revitalization assessment fee, not to exceed, during any fiscal year of the approved company, six percent (6%) of the gross wages of each employee subject to the income tax imposed by KRS 141.020 whose job was retained or created as a result of the project. However, if the agreement under Section 10(1)(d)2.b. of this Act is consummated, the job revitalization assessment fee shall be five percent (5%) of each employee's gross wages subject to the income tax imposed by KRS 141.020.

(2) Each assessed employee shall be entitled to a credit against his Kentucky income tax required to be withheld under KRS 141.310 equal to two-thirds (2/3) of the job revitalization assessment fee; or if the agreement set forth in Section 10(1)(d)2.b. of this Act is consummated, the credit shall be equal to four-fifths (4/5) of the job revitalization assessment fee.

(3) Each assessed employee also shall be entitled to a credit against his local occupational license fee in the form of a simultaneous adjustment of his local occupational license fee withholding equal to one-sixth (1/6) of the job revitalization assessment fee, unless the agreement set forth in Section 10(1)(d)2.b. of this Act is consummated.

(4) If an approved company shall elect to impose the assessment fee as a condition of employment or the retention of employment, it shall deduct the assessment from each paycheck of each employee subject to subsection (2) and (3) of this section.

(5) Any approved company collecting an assessment as provided in subsection (1) of this section shall make its payroll books and records available to the authority at reasonable times the authority shall request, and shall file with the authority the documentation respecting the assessment the authority may require.

(6) Any assessment of the wages of the employees of an approved company pursuant to subsection (1) of this section shall lapse upon expiration or termination of the agreement.

Section 12. KRS 141.310 is amended to read as follows:

(1) Every employer making payment of wages on or after January 1, 1971 shall deduct and withhold upon ***the*** [~~such~~] wages a tax determined under KRS 141.315 or by the tables authorized by KRS 141.370.

(2) If wages are paid with respect to a period which is not a payroll period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days, including Sundays and holidays, equal to the number of days in the period with respect to which ***the*** [~~such~~] wages are paid.

(3) In any case in which wages are paid by an employer without regard to any payroll period or other period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days equal to the number of days, including Sundays and holidays, which have elapsed since the date of the last payment of [~~such~~] wages by ***the*** [~~such~~] employer during the calendar year, or the date of commencement of employment with ***the*** [~~such~~] employer during ***the*** [~~such~~] year, or January 1 of ***the*** [~~such~~] year, whichever is the later.

(4) In determining the amount to be deducted and withheld under this section, the wages may, at the election of the employer, be computed to the nearest dollar.

(5) The tables mentioned in subsection (1) of this section take into consideration the deductible federal income tax. If Congress changes substantially the federal income tax, the cabinet shall make ***the*** [~~such~~] change in these tables [~~as~~] necessary to compensate for any increase or decrease in the deductible federal income tax.

(6) The cabinet may permit the use of accounting machines to calculate the proper amount to be deducted from wages when the calculation so permitted produces substantially the same result set forth in the tables authorized by KRS 141.370. Prior approval of ***the*** [~~such~~] calculation shall be secured from the cabinet at least thirty days before the first payroll period for which it is to be used.

(7) The cabinet may, by regulations, authorize employers:

(a) To estimate the wages which will be paid to any employee in any quarter of the calendar year;

(b) To determine the amount to be deducted and withheld upon each payment of wages to ***the*** [~~such~~] employee during ***the*** [~~such~~] quarter as if the appropriate average of the wages [~~so~~] estimated constituted the actual wages paid; and

(c) To deduct and withhold upon any payment of wages to ***the*** [~~such~~] employee during ***the*** [~~such~~] quarter ***the*** [~~such~~] amount [~~as may be~~] necessary to adjust the amount actually deducted and withheld upon the wages of ***the*** [~~such~~] employee during ***the*** [~~such~~] quarter to the amount that would be required to be deducted and withheld during ***the*** [~~such~~] quarter if the payroll period of the employee was quarterly.

(8) The cabinet ***may*** [~~is authorized to~~] provide by regulation, under ***the*** [~~such~~] conditions and to ***the*** [~~such~~] extent [~~as~~] it deems proper, for withholding in addition to that otherwise required under this section and KRS 141.315 in cases in which the employer and the employee agree to ***the*** [~~such~~] additional withholding. ***The*** [~~Such~~] additional withholding shall for all purposes be considered tax required to be deducted and withheld under this chapter.

(9) ***Effective January 1, 1992, any employer required by this section to withhold Kentucky income tax who assesses and withholds from employees the job assessment fee provided in Section 11 of this Act may offset a portion of the fee against the Kentucky income tax required to be withheld from the employee under this section. The amount of the offset shall be two-thirds (2/3) of the amount of the assessment fee withheld from the employee. If the Kentucky income tax to be withheld from the employee under this***

section is greater than two-thirds (2/3) of the job assessment fee set forth above, or four-fifths (4/5) if the agreement under Section 10(1)(d)2.b. of this Act is consummated, the excess shall be withheld.

(10) Any employer required by this section to withhold Kentucky income tax may be required to post a bond with the cabinet. ***The*** [~~Such~~] bond shall be a corporate surety bond or cash. The amount of the bond shall be determined by the cabinet, but [~~in no case~~] shall ***not*** exceed fifty thousand dollars ($50,000).

(11)[~~(10)~~] The Commonwealth may bring an action for a restraining order ***or a***[~~,~~] temporary or permanent injunction to restrain or enjoin the operation of an employer's business until the bond is posted or the tax required to be withheld is paid or both. ***The*** [~~Such~~] action may be brought in the Franklin Circuit Court or in the Circuit Court having jurisdiction of the defendant.

SECTION 13. A NEW SECTION OF KRS CHAPTER 141 IS CREATED TO READ AS FOLLOWS:

(b) "Economic revitalization project" shall have the same meaning as set forth in Section 1 of this Act;

(c) "Tax credit" means the "tax credit" allowed in Section 10 of this Act.

(2) An approved company shall determine the income tax credit as provided in this section.

(3) An approved company which is an individual sole proprietorship subject to tax under KRS 141.020 or a corporation subject to tax under KRS 141.040(1) shall:

(a) Compute the income tax due at the applicable tax rates as provided by KRS 141.020 or 141.040 on net income as defined by KRS 141.010(11) or taxable net income as defined by KRS 141.010(14) including income from an economic revitalization project;

(b) Compute the income tax due at the applicable tax rates as provided by KRS 141.020 or 141.040 on net income as defined by KRS 141.010(11) or taxable net income as defined by KRS 141.010(14), excluding net income attributable to an economic revitalization project; and

(c) The tax credit shall be the amount by which the tax computed under paragraph (a) of this subsection exceeds the tax computed under paragraph (b) of this subsection; however, the credit shall not exceed the limits set forth in Section 10 of this Act.

(4) Notwithstanding any other provisions of this chapter, an approved company which is an S-corporation, partnership, or trust shall be subject to income tax on the net income attributable to an economic revitalization project at the rates provided in KRS 141.020(2), and the amount of the tax credit shall be the same as the amount of the tax computed in this subsection; however the credit shall not exceed the limits set forth in Section 10 of this Act. If the tax computed herein exceeds the tax credit, the difference shall be paid by the S-corporation, partnership, or trust at the times provided by KRS 141.160 for filing the returns.

(5) Notwithstanding any other provisions of this chapter, the net income subject to tax, and the tax credit determined under subsection (4) of this section shall be excluded in determining each shareholder's, partner's, or beneficiaries' distributive share of net income or credit of an S-corporation, partnership, or trust.

(6) If the economic development project is a totally separate facility, net income attributable to the project for the purposes of subsections (3), (4), and (5) of this section shall be determined under the separate accounting method reflecting only the gross income, deductions, expenses, gains, and losses allowed under KRS Chapter 141 directly attributable to the facility and overhead expenses apportioned to the facility.

(7) If the economic development project is an expansion to a previously existing facility, net income attributable to the entire facility shall be determined under the separate accounting method reflecting only

the gross income, deductions, expenses, gains, and losses allowed under KRS Chapter 141 directly attributable to the facility and overhead expenses apportioned to the facility, and the net income attributable to the economic development project for the purposes of subsections (3), (4), and (5) of this section shall be determined by apportioning the separate accounting net income of the entire facility to the economic development project by a formula approved by the Revenue Cabinet.

(8) If an approved company can show to the satisfaction of the Revenue Cabinet that the nature of the operations and activities of the approved company are such that it is not practical to use the separate accounting method to determine the net income from the facility at which the economic development project is located, the approved company shall determine net income from the economic development project using an alternative method approved by the Revenue Cabinet.

(9) The Revenue Cabinet may issue administrative regulations and require the filing of forms designed by the Revenue Cabinet to reflect the intent of Sections 1 to 11 of this Act and the allowable income tax credit which an approved company may retain under Sections 1 to 11 of this Act.

If more than one (1) taxable year begins in the calendar year, the amount shall be allowed as a credit against the tax for the last taxable year so beginning.

The authority shall not finance any facilities in that county and an approved company shall not be eligible for the incentives offered by KRS 152.262 to 152.298 unless the financing agreements required herein are entered into by all parties within one (1) year after the date of the decertification.

(2) The authority shall promulgate standards for the determination and approval of eligible companies and their economic development projects. These standards shall give greatest weight to the creditworthiness of eligible companies; the number of new jobs to be provided by an economic development project to residents of the Commonwealth; and the likelihood of the economic success of the economic development project. No economic development project which will ***result in the voluntary replacement of*** [~~replace~~] manufacturing facilities existing in the state shall be approved by the authority***; however, the authority may approve an economic development project that rehabilitates a manufacturing facility which has not been in operation for a period of three (3) consecutive months***. With respect to each eligible company making an application to the authority for inducements, and with respect to the economic development project described in the application, the authority shall request materials and make inquiries of the applicant as necessary or appropriate. After a diligent review of relevant materials and completion of its inquiries, the authority may by resolution of its board of directors designate an eligible company to be an approved company and authorize the undertaking of its economic development project in the qualified county.

Section 6. KRS 152.278 is amended to read as follows:

(b)[~~(2)~~] The financing agreement shall specify that the annual obligations of the approved company pursuant to KRS 152.262 to 152.298 shall equal in each year the annual debt service for that year on the bonds issued with respect to the economic development project; and the approved company shall pay such obligation of the financing agreement to the trustee for bonds issued for the benefit of the approved company, at such time and in such amounts sufficient to amortize such bonds.

(c) 1.[~~(3)~~ ~~(a)~~] In consideration for financing agreement payment, the approved company may be permitted the following during the period of time in which the financing agreement is in effect, not to exceed twenty-five (25) years.

(d) 1.[~~(4)~~ ~~(a)~~] The financing agreement shall provide that the assessments, when added to the credit for the Kentucky [~~state~~ ~~corporate~~] income tax herein granted, shall not exceed the total financing agreement annual payment by the approved company in any year, however, to the extent that financing agreement annual payments exceed credits received and assessments collected in any year, the excess payment may be recouped from excess credits or assessment collections in succeeding years.

2.[~~(b)~~] If during any fiscal year of the financing agreement the total of the income tax credit granted to the approved company plus the assessment collected from the wages of the employees equals the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the assessment collected from the wages of the employees shall cease for the remainder of the fiscal year of the financing agreement.

f. All remedies provided in subsection (1)(e)2. of this section shall be deemed cumulative.

(2) If an eligible company, at the time of submission of its application to the authority to become an approved company, does not request the authority in writing to issue bonds on its behalf, then each financing agreement used in connection with loans or other financing (other than bonds issued by the authority for which subsection (1) of this section shall be used) shall include the following provisions:

(a) The term of a financing agreement shall not be longer than:

1. The maturity of any loan or other financing incurred in connection with the economic development project, except that the financing agreement may terminate upon the earlier prepayment of all loans or other financing incurred in connection with the economic development project; or

2. Twenty-five (25) years from the date of the original financing agreement.

3. Nothing in this subsection shall limit the extension of the term of a financing agreement if there is a refinancing of the loans or other financing. The authority shall not own an economic development project that is the subject of this form of financing agreement.

2. If, during any fiscal year of the financing agreement, the total of the income tax credit granted to the approved company, plus the assessment collected from the wages of the employees, equals the annual debt service payments with respect to the loans or other financing incurred in connection with the economic development project, and if all excess payments with respect to the loans or other financing incurred in connection with the economic development project accumulated in prior years have been recouped, the assessment collected from the wages of the employees shall cease for the remainder of the fiscal year of the financing agreement.

(d) The financing agreement shall provide in substance that it may be assigned by the approved company only upon the prior written consent of the authority following the adoption of a resolution by the authority to that effect.

(e) The financing agreement shall provide that an approved company shall require of any lender to the approved company funding the loans or other financing incurred in connection with the economic development project written evidence to be provided to the authority of payments of all annual debt service to such lender. Such evidence shall be provided to the authority within forty-five (45) days after the end of each fiscal year of the financing agreement.

(f) The financing agreement shall provide that if an approved company fails to comply with its respective obligations under the financing agreement or that the lender to an approved company fails to comply with its requirements set forth in subsection (2)(e) of this section or is declared in default under the loans or other financing incurred in connection with the economic development project, then the authority, or any of its assignees, shall have the right, at its option, to:

(2) If wages are paid with respect to a period which is not a payroll period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days, including Sundays and holidays, equal to the number of days in the period with respect to which ***the*** [~~such~~] wages are paid.

(3) In any case in which wages are paid by an employer without regard to any payroll period or other period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days equal to the number of days, including Sundays and holidays, which have elapsed since the date of the last payment of [~~such~~] wages by ***the*** [~~such~~] employer during the calendar year, or the date of commencement of employment with ***the*** [~~such~~] employer during ***the*** [~~such~~] year, or January 1 of ***the*** [~~such~~] year, whichever is the later.

If Congress changes substantially the federal income tax, the cabinet shall make ***the*** [~~such~~] change in these tables [~~as~~] necessary to compensate for any increase or decrease in the deductible federal income tax.

(6) The cabinet may permit the use of accounting machines to calculate the proper amount to be deducted from wages when the calculation so permitted produces substantially the same result set forth in the tables authorized by KRS 141.370. Prior approval of ***the*** [~~such~~] calculation shall be secured from the cabinet at least thirty days before the first payroll period for which it is to be used.

(7) The cabinet may, by regulations, authorize employers:

(a) To estimate the wages which will be paid to any employee in any quarter of the calendar year;

(b) To determine the amount to be deducted and withheld upon each payment of wages to ***the*** [~~such~~] employee during ***the*** [~~such~~] quarter as if the appropriate average of the wages [~~so~~] estimated constituted the actual wages paid; and

(c) To deduct and withhold upon any payment of wages to ***the*** [~~such~~] employee during ***the*** [~~such~~] quarter ***the*** [~~such~~] amount [~~as may be~~] necessary to adjust the amount actually deducted and withheld upon the wages of ***the*** [~~such~~] employee during ***the*** [~~such~~] quarter to the amount that would be required to be deducted and withheld during ***the*** [~~such~~] quarter if the payroll period of the employee was quarterly.

(8) The cabinet ***may*** [~~is authorized to~~] provide by regulation, under ***the*** [~~such~~] conditions and to ***the*** [~~such~~] extent [~~as~~] it deems proper, for withholding in addition to that otherwise required under this section and KRS 141.315 in cases in which the employer and the employee agree to ***the*** [~~such~~] additional withholding. ***The*** [~~Such~~] additional withholding shall for all purposes be considered tax required to be deducted and withheld under this chapter.

The amount of the offset shall be two-thirds (2/3) of the amount of the assessment fee withheld from the employee. If the Kentucky income tax to be withheld from the employee under this section is greater than two-thirds (2/3) of the job assessment fee set forth above, the excess shall be withheld.***

(10) Any employer required by this section to withhold Kentucky income tax may be required to post a bond with the cabinet. ***The*** [~~Such~~] bond shall be a corporate surety bond or cash. (6) The cabinet may permit the use of accounting machines to calculate the proper amount to be deducted from wages when the calculation so permitted produces substantially the same result set forth in the tables authorized by KRS 141.370. Prior approval of ***the*** [~~such~~] calculation shall be secured from the cabinet at least thirty days before the first payroll period for which it is to be used.

(7) The cabinet may, by regulations, authorize employers:

(a) To estimate the wages which will be paid to any employee in any quarter of the calendar year;

(8) The cabinet ***may*** [~~is authorized to~~] provide by regulation, under ***the*** [~~such~~] conditions and to ***the*** [~~such~~] extent [~~as~~] it deems proper, for withholding in addition to that otherwise required under this section and KRS 141.315 in cases in which the employer and the employee agree to ***the*** [~~such~~] additional withholding. ***The*** [~~Such~~] additional withholding shall for all purposes be considered tax required to be deducted and withheld under this chapter.

The amount of the offset shall be two-thirds (2/3) of the amount of the assessment fee withheld from the employee. If the Kentucky income tax to be withheld from the employee under this section is greater than two-thirds (2/3) of the job assessment fee set forth above, the excess shall be withheld.***

If a child dies before reaching the age of eighteen (18) years, his account shall be paid to his estate. If there are no surviving children, the payment shall be made to any parents of the deceased.

(3) The Commission on Fire Protection Personnel Standards and Education shall be authorized to promulgate and adopt regulations establishing criteria and procedures applicable to the administration of this section as it pertains to both paid and volunteer firefighters, including but not limited to defining when a firefighter has died in line of duty.

(4) The Justice Cabinet shall be authorized to promulgate and adopt regulations establishing criteria and procedures applicable to the administration of this section as it pertains to police officers, including but not limited to defining when a police officer has died in line of duty.

(5) The benefits payable under this section are in addition to any benefits now or hereafter prescribed under any police, sheriff or firefighter's retirement or benefit fund established by the state, county, or any municipality.

(6) Any funds appropriated for the purpose of paying the death benefits described in subsection (2) of this section, shall be allotted to a self-insuring account. These funds shall not be used for the purpose of purchasing insurance.

Section 2. KRS 95.860 is amended to read as follows:

(1) Upon death of a member due to occupational causes, regardless of length of service, his surviving widow shall be entitled immediately upon cessation of salary ***or annuity, as the case may be,*** to an annuity equal to fifty percent (50%) of the member's last rate of salary. This annuity shall be payable until she dies or remarries. No surviving widow shall receive an annuity of less than one hundred and fifty dollars ($150) per month. When Social Security benefits are increased the minimum shall be increased by a like percentage, provided the increase shall not exceed five percent (5%). In addition, if minor children, under age eighteen (18), survive the member, the widow shall receive ***twenty-five percent (25%)*** [~~on account of each child, ten percent (10%)~~] of the member's last rate of salary until ***the last*** [~~each~~] child attains age eighteen (18). The combined payments to a widow and minor children***, excluding cost-of-living increases,*** shall not exceed seventy-five percent (75%) of his final rate of salary.

(2) If a widow does not survive the member, or if she remarries, and minor children under age eighteen (18) exist, ***the children shall be entitled to the benefits provided in KRS 95.861(3)*** [~~each child shall be entitled to an annuity equal to fifteen percent (15%) of the member's last rate of salary until each child attains age eighteen (18), provided that the combined payments to such children shall not exceed fifty percent (50%) of the member's last rate of salary~~].

(3) If neither a widow nor minor children, eligible for benefits survive the member, each dependent parent shall be entitled to an annuity equal to twenty-five percent (25%) of the member's last rate of salary, or fifty percent (50%) to both parents.

(4) If a widow would receive from a combination of: (a) survivor benefits pursuant to this section, excluding benefits for minor children, and (b) workers' compensation benefits, excluding dependent children's allowances or payments for medical expenses or legal fees related to the workers' compensation claim, an amount greater than one hundred percent (100%) of the deceased member's last rate of salary, then the pension system survivor benefits shall be reduced to the point that the combined payments equal one hundred percent (100%) of the last rate of salary. The survivor benefit shall not be reduced, however, below an amount equal to two and one-half percent (2-1/2%) of average salary for each year of the deceased member's service. Any reduction in the survivor payment shall be based upon workers' compensation benefits applicable at the time the survivor payment is granted, and not upon subsequent increases in either benefit. If workers' compensation benefits are reduced at a subsequent time, the surviving spouse shall inform the board, and the board shall increase the survivor's benefit by the amount of the reductions, but not by more than an amount which would increase the survivor's benefit to fifty percent (50%) of last rate of salary***, excluding cost-of-living increases***. The board of trustees may pay estimated benefits to a surviving spouse, upon qualification for the benefits, based upon an estimate of workers' compensation benefits until such amounts are actually determined, at which time a final calculation of the spouse's actual benefits shall be determined and the account corrected retroactive to the effective date of the survivor benefit. If workers' compensation benefits are paid in lump sums, the board shall reduce the survivor benefit on a monthly rather than a lump-sum basis. The amount of the monthly reduction shall be based upon the life expectancy of the survivor. The board may request the assistance of the general manager of Kentucky retirement systems to calculate the reduction in survivor benefits when lump-sum payments are involved, and the general manager shall provide such assistance upon request.

(5) A surviving child or parent receiving benefits pursuant to this section shall receive the same cost-of-living increase granted to retirees pursuant to KRS 95.859(3). A surviving spouse who does not receive an increase pursuant to subsection (1) of this section shall receive the same increase an annuitant receives pursuant to KRS 95.859(3).

Section 3. KRS 95.861 is amended to read as follows:

(1) Upon death of a member occurring while in service, arising from any cause other than in the performance of duty, provided the member has had at least three (3) years of total service, his widow shall receive an annuity equal to one and one-half percent (1-1/2%) of average salary for each year of total service, credited to the member, subject to a maximum payment***, excluding cost-of-living increases,*** to the widow of fifty percent (50%). If the member has had at least ten (10) years of total service, the widow shall receive an annuity of no less than one hundred and fifty dollars ($150) per month, and when Social Security benefits are increased the minimum shall be increased by a like percentage, but the increase shall not exceed five percent (5%). Payment of the annuity shall be subject to the following conditions:

(a) The widow had been married to the member at least one (1) year prior to his death;

(b) The widow is at least forty-five (45) years of age, otherwise payment will be deferred until she attains such age, except that if she is or becomes totally disabled before age forty-five (45), or has a minor child or children by the member in her care under age eighteen (18), (including adopted children provided the proceedings for adoption were initiated at least one (1) year prior to death of member) payment of the widow's annuity will begin immediately together with an additional allowance on account of the child or children;

(c) The widow's annuity will terminate in any event when the widow remarries. The annuity of each child or children shall continue until each child attains age eighteen (18).

(2) If the widow has minor children under age of eighteen (18), the annuity to the widow shall be increased one-half (1/2) on account of the first child and one-fourth (1/4) on account of each additional child, subject to a maximum combined payment***, excluding cost-of-living increases,*** to the widow and children of seventy-five percent (75%) of the average salary as defined in KRS 95.851(13).

(3) If the pensioner is not survived by a widow and there are minor children the following benefits shall be paid: (a) one (1) minor child, fifty percent (50%), (b) two (2) minor children, fifteen percent (15%) additional, (c) three (3) or more minor children, ten percent (10%) additional, subject to a maximum combined payment***, excluding cost-of-living increases,*** of seventy-five percent (75%) of the average salary as defined in KRS 95.851(13). The annuity of each child or children shall continue until each child attains age eighteen (18), or, in the case of a child regularly employed in full-time educational activities the age of twenty-three (23). The annuity payments shall be reduced in reverse order.

(4) These benefits shall also be payable upon death of the member while on retirement, provided marriage was in effect for at least one (1) year before ***death*** [~~retirement~~].

(5) A surviving child receiving benefits pursuant to this section shall receive the same cost-of-living increases granted to retirees pursuant to KRS 95.859(3). A surviving spouse who does not receive an increase pursuant to subsection (1) of this section shall receive the same increase an annuitant receives pursuant to KRS 95.859(3).

Section 4. It is the intent of the General Assembly, upon this Act becoming law, that the benefits specified within Section 1 of this Act shall apply to the survivors of police officers and firefighters killed in the line of duty on or after January 1, 1992.

Section 5. Whereas two deaths in the line of duty have occurred since January 1, 1992, an emergency is declared to exist and Sections 1 and 4 of this Act shall become effective upon its passage and approval by the Governor.

Section 6. Whereas the 1990 amendment to KRS 95.859 by 1990 Acts Chapter 118, Section 4, inadvertantly failed to include survivors among those who would be eligible for cost-of-living increases from police and firefighter retirement systems in cities of the second class, and the General Assembly wishes to correct this oversight, an emergency is declared to exist, the effect of Sections 2 and 3 of this Act shall be retroactive to September 1, 1989, and Sections 2 and 3 of this Act shall become effective upon its passage and approval by the Governor.

HB 691, AN ACT relating to highway signs.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 177 IS CREATED TO READ AS FOLLOWS:

(1) It is the intent of the General Assembly to ensure that the Commonwealth has erected a sufficient number of informational and directional signs to guide the traveling public to their destination in a safe and efficient manner. The purpose of this section is to establish a tourist-oriented directional sign program that provides tourists with business identification and directional information for businesses, services, activities, and historic sites and districts, the major portion of whose income or visitors are derived during the normal business season from motorists not residing in the immediate area of the business or activity.

(2) For purposes of this section "tourist-oriented directional signs" means signs that provide directional information to motorists not residing in the immediate area of the business or activity, and whose contents are limited to the identification of a business, service, activity, or historic site or district; a directional arrow; and the distance to the facility shown beneath the arrow. Under special conditions, the hours of operation may be added to the sign.

(3) The commissioner of the Department of Highways shall promulgate administrative regulations, pursuant to KRS Chapter 13A, to regulate the erection of tourist-oriented directional signs in conformity with the Manual on Uniform Traffic Control Services of the Federal Highway Administration, and amendments thereto. In promulgating administrative regulations, the commissioner shall consider, but not be limited to, the following:

(a) A definition of tourist-oriented businesses, services, and activities;

(b) Criteria for eligibility for signing;

(c) Provision for incorporating specific service signing into the tourist-oriented directional signs program;

(d) Provision for covering signs during off-seasons for businesses, services, and activities operated on a seasonal basis;

(e) Provisions for trailblazing to facilities that are not on the crossroad if the state elects to sign for those facilities;

(f) Maximum distances to eligible facilities;

(g) Provision for information centers or plazas when the number of eligible sign applicants exceeds the maximum permissible number of sign panel installations;

(h) Provision for limiting the number of signs when there are more applicants than the maximum number of signs permitted;

(i) Criteria for use at at-grade intersections on expressways;

(j) Provision for controlling or excluding those businesses which have illegal signs as defined by the Federal Highway Beautification Act of 1965, 23 U.S.C. 131 et seq.;

(k) Provision for states to charge fees to cover the cost of signing through a permit system;

(l) A definition of the conditions under which the time of operation is shown; and

(m) Provisions for determining if advance signing will be permitted.

(4) Businesses and activities that utilize tourist-oriented directional signs shall not be eligible to utilize any other signing along limited access highways.

The Committee Amendment No. 1 to **HB 691** is as follows:

Amend printed copy of **HB 691** as follows:

On page 3, line 17, by deleting the word "***not***"; and

On page 3, on line 18 after "***highways***" by deleting the "." and inserting in lieu thereof the following: "***; provided, however, if a business or activity has an illegal sign as defined by the Highway Beautification Act, a tourist-oriented directional sign will not be provided unless the illegal sign is removed.***"

HB 914, AN ACT relating to rural electric cooperatives.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 279 IS CREATED TO READ AS FOLLOWS:

(1) The board of directors of a rural electric cooperative may institute a program to collect funds for public infrastructure development within the service territory of the cooperative by rounding each member's monthly electric bill up to the next even dollar amount. Public infrastructure may include, but is not limited to, roads, sewers, signage, parks, playgrounds, public buildings, and service extensions of public facilities. A cooperative also may join with one (1) or more other cooperatives to institute a joint program under this section.

(2) Any program instituted under this section shall meet the following requirements:

(a) Participation in the program shall be voluntary and include a simple procedure whereby a member can elect not to participate. All customer members shall receive an explanation of the program, either through an insert in the bill mailings or otherwise, and be informed how to elect not to participate in the program. The bills of members who elect not to participate in the program shall not be rounded up unless the member later changes his election;

(b) All funds collected by rounding up bills shall be kept in a separate account and used solely for the purposes set out by the program. All disbursements from the fund shall be reported to the membership at least once each calendar year;

(c) The board shall include members, local government, and civic leaders in the process of determining the use of the funds. The board may establish a separate body for the purpose of disbursing funds, or may solicit advice from various parties; and

(d) Members of the cooperative also may nominate projects for consideration, and shall have the right to attend any meetings concerning the use of funds.

(3) Prior to instituting a program under this section, the board shall submit its proposal to the Public Service Commission for its approval. The commission shall approve a program if it determines that it meets the criteria in subsection (2) of this section, and if the commission finds that any administrative or other program costs which may be charged to ratepayers are reasonable.

SB 313, AN ACT relating to sales and use taxes.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 139.470 is amended to read as follows:

There are excluded from the computation of the amount of taxes imposed by this chapter:

(1) Gross receipts from the sale of, and the storage, use, or other consumption in this state of, tangible personal property the gross receipts from the sale of which, or the storage, use, or other consumption of which, this state is prohibited from taxing under the Constitution or laws of the United States, or under the Constitution of this state;

(2) Gross receipts from sales of, and the storage, use, or other consumption in this state of:

(a) Nonreturnable and returnable containers when sold without the contents to persons who place the contents in the container and sell the contents together with the container; and

(b) Returnable containers when sold with the contents in connection with a retail sale of the contents or when resold for refilling;

As used in this section the term "returnable containers" means containers of a kind customarily returned by the buyer of the contents for reuse. All other containers are "nonreturnable containers";

(3) Gross receipts from the sale of, and the storage, use, or other consumption in this state of, tangible personal property used for the performance of a lump-sum, fixed-fee contract of public works executed prior to February 5, 1960;

(4) Gross receipts from occasional sales of tangible personal property and the storage, use, or other consumption in this state of tangible personal property, the transfer of which to the purchaser is an occasional sale;

(5) Gross receipts from sales of tangible personal property to a common carrier, shipped by the seller via the purchasing carrier under a bill of lading, whether the freight is paid in advance or the shipment is made freight charges collect, to a point outside this state and the property is actually transported to the out-of-state destination for use by the carrier in the conduct of its business as a common carrier;

(6) Gross receipts from sales of tangible personal property sold through coin-operated bulk vending machines, if ***the*** [~~such~~] sale amounts to twenty-five cents ($0.25) or less, ***if*** [~~provided~~] the retailer is primarily engaged in making ***the*** [~~such~~] sales and maintains records satisfactory to the cabinet. As used in this subsection, "bulk vending machine" means a vending machine containing unsorted merchandise which, upon insertion of a coin, dispenses the same in approximately equal portions, at random and without selection by the customer;

(7) Gross receipts from sales to any cabinet, department, bureau, commission, board, or other statutory or constitutional agency of the state and gross receipts from sales to counties, cities, or special districts as defined in KRS 65.005. This exemption ***shall apply*** [~~applies~~] only to purchases of property or services for use solely in the government function. A purchaser not qualifying as a governmental agency or unit ***shall*** [~~is~~] not ***be*** entitled to the exemption even though ***the*** [~~such~~] purchaser may be the recipient of public funds or grants;

(8) (a) Gross receipts from the sale of sewer services, water, and fuel to Kentucky residents for use in heating, water heating, cooking, lighting, and other residential uses. As used in this subsection, "fuel" shall include, but not be limited to, natural gas, electricity, fuel oil, bottled gas, coal, coke, and wood. Determinations of eligibility for the exemption shall be made by the Revenue Cabinet;

(b) In making ***the*** [~~such~~] determinations of eligibility, the cabinet shall exempt from taxation all gross receipts derived from sales***:***

1. Classified as "residential" by a utility company as defined by applicable tariffs filed with and accepted by the Public Service Commission***;***

2. Classified as "residential" by a municipally owned electric distributor which purchases its power at wholesale from the Tennessee Valley Authority;

3. Classified as "residential" by the governing body of a municipally owned electric distributor which does not purchase its power from the Tennessee Valley Authority, if the "residential" classification is reasonably consistent with the definitions of "residential" contained in tariff filings accepted and approved by the Public Service Commission with respect to utilities which are subject to Public Service Commission regulation.

If [~~Where~~] the service is classified as residential, use other than for "residential" purposes by the customer ***shall*** [~~will~~] not negate the exemption;

(c) The exemption ***shall*** [~~does~~] not apply ***if*** [~~where~~] charges for sewer service, water, and fuel are billed to an owner or operator of a multi-unit residential rental facility or mobile home and recreational vehicle park other than residential classification; and

(d) The exemption ***shall apply*** [~~applies~~] also to residential property which may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by the stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight (98) years; and

(9) Any rate increase for school taxes and any other charges or surcharges added to the total amount of a residential telephone bill.

(10) Gross receipts from sales to an out-of-state agency, organization, or institution exempt from sales and use tax in its state of residence when that agency, organization, or institution gives proof of its tax-exempt status to the seller and the seller maintains a file of ***the*** [~~such~~] proof.

(11) Gross receipts derived from the sale of, and the storage, use, or other consumption in this state of, tangible personal property to be used in the manufacturing or industrial processing of tangible personal property which will be for sale are not subject to the sales or use tax. ***The*** [~~Such~~] property shall be regarded as having been purchased for resale.

(a) Industrial processing includes refining, extraction of petroleum and natural gas, mining, quarrying, fabricating, and industrial assembling. As defined herein, tangible personal property to be used in the manufacturing or industrial processing of tangible personal property which will be for sale shall mean:

1. Materials which enter into and become an ingredient or component part of the manufactured product.

2. Other tangible personal property which is directly used in manufacturing or industrial processing, if ***the*** [~~such~~] property has a useful life of less than one (1) year. Specifically these items are categorized as follows:

a. Materials. This refers to the raw materials which become an ingredient or component part of supplies or industrial tools exempt under subdivisions b. and c. below.

b. Supplies. This category includes supplies such as lubricating and compounding oils, grease, machine waste, abrasives, chemicals, solvents, fluxes, anodes, filtering materials, fire brick, catalysts, dyes, refrigerants, explosives, etc. The supplies indicated above need not come in direct contact with a manufactured product to be exempt.

c. Industrial tools. This group is limited to hand tools such as jigs, dies, drills, cutters, rolls, reamers, chucks, saws, spray guns, etc., and to tools attached to a machine such as molds, grinding balls, grinding wheels, dies, bits, cutting blades, etc. Normally, for industrial tools to be considered directly used in manufacturing, they ***shall*** [~~must~~] come into direct contact with the product being manufactured.

3. Materials and supplies that are not reusable in the same manufacturing process at the completion of a single manufacturing cycle. A single manufacturing cycle ***shall be*** [~~is~~] considered to be the period elapsing from the time the raw materials enter into the manufacturing process until the finished product emerges at the end of the manufacturing process.

(b) It ***shall*** [~~will~~] be noted that in none of the three (3) categories is any exemption provided for repair parts. KRS 139.170 specifically holds replacement machinery ***shall*** [~~to~~] be taxable. Since replacement machinery is subject to tax, it necessarily follows that repair or replacement parts ***shall be*** [~~are~~] subject to tax. Repair parts ***shall*** [~~are~~] not ***be*** considered to be materials, supplies, or industrial tools directly used in manufacturing or industrial processing.

SB 323, AN ACT relating to telecommunications.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

(1) The legislature finds and determines that:

(a) Competition and innovation have become commonplace in the provision of certain telecommunications services in Kentucky and the United States;

(b) Flexibility in the regulation of the rates of providers of telecommunications service is essential to the well-being of this state, its economy, and its citizens; and

(c) The public interest requires that the Public Service Commission be authorized and encouraged to formulate and adopt rules and policies that will permit the commission, in the exercise of its expertise, to regulate and control the provision of telecommunications services to the public in a changing environment, giving due regard to the interests of consumers, the public, the providers of the telecommunications services, and the continued availability of good telecommunications service.

(2) Notwithstanding any other statute to the contrary, the commission may, on its own motion or upon motion of a telecommunications utility, after notice and opportunity for comment, and hearing if requested, exempt to the extent it deems reasonable, services or products related to telecommunications utilities or persons who provide telecommunications services or products from any or all of the provisions of this chapter, or may adopt alternative requirements for establishing rates and charges for any service by a method other than that which is specified in this chapter, if the commission finds by clear and satisfactory evidence that it is in the public interest. No exemption shall be granted under this statute which preempts, without notice and without hearing, if requested, the existing rights and obligations of a local exchange company to serve a territory under a tariff approved by the Public Service Commission. Any party which seeks an exemption shall certify to the commission at the time of the filing that he has notified the affected local exchange company by registered mail of the filing of a petition for exemption, and of the right of the local exchange company to request a hearing within thirty (30) days of the notification.

(3) In determining public interest, the commission shall consider the following:

(a) The extent to which competing telecommunications services are available from competitive providers in the relevant market;

(b) The existing ability and willingness of competitive providers to make functionally equivalent or substitute services readily available;

(c) The number and size of competitive providers of service;

(d) The overall impact of the proposed regulatory change on the continued availability of existing services at just and reasonable rates;

(e) The existence of adequate safeguards to assure that rates for services regulated pursuant to this chapter do not subsidize exempted services;

(f) The impact of the proposed regulatory change upon efforts to promote universal availability of basic telecommunications services at affordable rates and upon the need of telecommunications companies subject to the jurisdiction of the commission to respond to competition;

(g) Whether the exercise of commission jurisdiction inhibits a regulated utility from competing with unregulated providers of functionally similar telecommunications services or products;

(h) The overall impact on customers of a proposed change to streamline regulatory treatment of small or nonprofit carriers; and

(i) Any other factors the commission may determine are in the public interest.

(4) When the commission exempts a telecommunications product or service from all of the provisions of this chapter, the investment, revenues, and expenses associated with the service or product shall not be considered by the commission in setting rates for the telecommunications company's regulated services. This provision shall only apply to telecommunication products or services which the commission exempts after the effective date of this section. Nothing herein shall prohibit the commission from having access to and from examining the books and records of the exempted product or service in order to determine compliance with the commission's rules respecting allocation of cost when setting rates for the telecommuncations company's regulated services.

(5) The Public Service Commission shall retain jurisdiction over persons and services which are exempted from regulation under this section, or for which alternative regulatory requirements have been established pursuant to this section. The commission, on its own motion, or upon the motion of any person, after notice and hearing, if requested, may vacate or modify any orders granting an exemption or establishing alternative requirements if it determines by clear and satisfactory evidence that the findings upon which the order was based are no longer valid, or that the exemption or modifications are no longer in the public interest.

(6) In granting or vacating exemptions, the Public Service Commission shall not be discriminatory or preferential but may treat services and utilities differently if reasonable and not detrimental to the public interest.

(7) The provisions of KRS 367.150(8) and 367.160, concerning the role of the Attorney General, shall apply to all proceedings under this section.

SECTION 2. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

(1) Revenues derived from nonexempted, regulated telecommunications services, whether essential or nonessential, shall not be used to subsidize or otherwise give advantage to any person providing an exempted service. The commission shall require a provider of any exempted service to keep separate accounts, to allocate cost in accordance with procedures established by the commission, and may require other acts that will assist the commission in enforcing this section. Any person requesting an exemption or providing a service exempted pursuant to Section 1 of this Act shall have the burden of proof to show compliance with this requirement.

(2) (a) Except as provided in subsection (2)(b) of this section, any telecommunications utility that willfully violates subsection (1) of this section shall be subject to a penalty no greater than the revenue requirement effect of moneys determined to have been misallocated in the violation. For the purpose of calculating the penalty under this section, the commission shall not use a period longer than five (5) years after the date it notifies a telecommunications utility of a suspected violation of subsection (1).

(b) A local exchange carrier with fewer than thirty-five thousand (35,000) access lines who willfully violates subsection (1) of this section shall be subject to the penalties prescribed in KRS 278.990(1).

The Committee Substitute to **SB 323** is as follows:

SB 335, AN ACT relating to utilities.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

(1) For the purpose of justifying the reasonableness of a proposed general increase in rates, a utility may utilize either an historical test period of twelve (12) consecutive calendar months, or a forward-looking test period corresponding to the first twelve (12) consecutive calendar months the proposed increase would be in effect after the maximum suspension provided in KRS 278.190(2). The period so utilized shall be the test period upon which just and reasonable rates shall be determined by the commission.

(2) (a) Any application utilizing a forward-looking test period shall include a base period to be filed with the application, which begins not more than nine (9) months prior to the date of filing, consisting of not less than six (6) months of actual historical data and not more than six (6) months of estimated data at the time of filing.

(b) Actual results for the estimated months of the base period shall be filed no later than forty-five (45) days after the last day of the base period.

Section 2. KRS 278.190 is amended to read as follows:

(1) Whenever any utility files with the commission any schedule stating new rates, the commission may, upon its own motion, or upon complaint as provided in KRS 278.260, and upon reasonable notice, hold a hearing concerning the reasonableness of the new rates.

(2) Pending ***the*** [~~such~~] hearing and the decision thereon, and after notice to the utility, the commission may, at any time before ***the*** [~~said~~] schedule becomes effective, suspend the operation of ***the*** [~~said~~] schedule and defer the use of ***the*** [~~such~~] rate, charge, classification or service, but not for a longer period than five (5) months beyond the time when it would otherwise go into effect ***if an historical test period is used, or longer than six (6) months if a forward-looking test period is used, pursuant to Section 1 of this Act***; and after such hearing, either completed before or after the rate, charge, classification or service goes into effect, the commission may make ***those*** [~~such~~] orders with reference thereto as it deems proper in the matter. If the proceeding has not been concluded and an order made at the expiration of [~~such~~] five (5) months***, or six (6) months, as appropriate,*** the utility may place the proposed change of rate, charge, classification or service in effect at the end of ***that*** [~~such~~] period after notifying the commission, in writing, of its intention

so to do. Where increased rates or charges are thus made effective, the commission may, by order, require the interested utility or utilities to maintain their records in ***a*** [~~such~~] manner as will enable them, or the commission, or any of its customers, to determine the amounts to be refunded and to whom due in the event a refund is ordered, and upon completion of the hearing and decision may, by further order, require such utility or utilities to refund to the persons in whose behalf ***the*** [~~such~~] amounts were paid ***that*** [~~such~~] portion of ***the*** [~~such~~] increased rates or charges as by its decision shall be found unreasonable. Provided, however, if the commission, at any time, during ***the*** [~~said five (5) months'~~] suspension period, finds that the company's credit or operations will be materially impaired or damaged by the failure to permit ***the*** [~~said~~] rates to become effective during ***the*** [~~said five (5) months'~~] period, ***the*** [~~said~~] commission may, after any hearing or hearings, permit all or a portion of ***the*** [~~said~~] rates to become effective under [~~such~~] terms and conditions as the commission may, by order, prescribe.

(3) At any hearing involving the rate or charge sought to be increased, the burden of proof to show that the increased rate or charge is just and reasonable shall be upon the utility and the commission shall give to the hearing and decision of such questions preference over other questions pending before it and decide the same as speedily as possible, and in any event not later than ten (10) months after the filing of such schedules.

(4) ***If*** [~~In the event~~] the commission, by order, directs any utility to make a refund, as hereinabove provided, of all or any portion of ***the*** [~~such~~] increased rates or charges, the utility shall make the ***refund*** [~~same~~] within sixty (60) days after a final determination of the proceeding by an order of the court or commission with or without interest in the discretion of the commission. If the utility fails to make ***the*** [~~such~~] refund within sixty (60) days after ***the*** [~~such~~] final determination, any party entitled to ***a*** [~~such~~] refund may, after ten (10) days' written demand, bring an action [~~therefor~~] in any court of competent jurisdiction of this state, and may recover, in addition to the amount of the refund due, legal interest, court costs and reasonable attorney's fees. No such action may be maintained unless instituted within one (1) year after ***the*** [~~such~~] final determination. Any number of persons entitled to [~~such~~] refunds may join in as plaintiffs in a single action and the court shall render a judgment severally for each plaintiff as his interest may appear.

The Committee Substitute to SB 335 is as follows:

SB 335, AN ACT relating to utilities.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

(1) For the purpose of justifying the reasonableness of a proposed general increase in rates, the commission shall allow a utility to utilize either an historical test period of twelve (12) consecutive calendar months, or a forward-looking test period corresponding to the first twelve (12) consecutive calendar months the proposed increase would be in effect after the maximum suspension provided in KRS 278.190(2).

(2) (a) Any application utilizing a forward-looking test period shall include a base period to be filed with the application, which begins not more than nine (9) months prior to the date of filing, consisting of not less than six (6) months of actual historical data and not more than six (6) months of estimated data at the time of filing.

(b) Actual results for the estimated months of the base period shall be filed no later than forty-five (45) days after the last day of the base period.

(c) Upon the filing of an application for a proposed increase in rates based on either a historical or a forward-looking test period, any intervening party in opposition to such application shall have the right to examine all data, including individual invoices, which comprise the actual expenditures of the utility incurred for ratemaking purposes for the preceding twelve (12) month period immediately prior to the filing date.

Section 2. KRS 278.190 is amended to read as follows:

(2) Pending ***the*** [~~such~~] hearing and the decision thereon, and after notice to the utility, the commission may, at any time before ***the*** [~~said~~] schedule becomes effective, suspend the operation of ***the*** [~~said~~] schedule and defer the use of ***the*** [~~such~~] rate, charge, classification or service, but not for a longer period than five (5) months beyond the time when it would otherwise go into effect ***if an historical test period is used, or longer than six (6) months if a forward-looking test period is used, pursuant to Section 1 of this Act***; and after such hearing, either completed before or after the rate, charge, classification or service goes into effect, the commission may make ***those*** [~~such~~] orders with reference thereto as it deems proper in the matter. If the proceeding has not been concluded and an order made at the expiration of [~~such~~] five (5) months***, or six (6) months, as appropriate,*** the utility may place the proposed change of rate, charge, classification or service in effect at the end of ***that*** [~~such~~] period after notifying the commission, in writing, of its intention so to do. Where increased rates or charges are thus made effective, the commission may, by order, require the interested utility or utilities to maintain their records in ***a*** [~~such~~] manner as will enable them, or the commission, or any of its customers, to determine the amounts to be refunded and to whom due in the event a refund is ordered, and upon completion of the hearing and decision may, by further order, require such utility or utilities to refund to the persons in whose behalf ***the*** [~~such~~] amounts were paid ***that*** [~~such~~] portion of ***the*** [~~such~~] increased rates or charges as by its decision shall be found unreasonable. Provided, however, if the commission, at any time, during ***the*** [~~said five (5) months'~~] suspension period, finds that the company's credit or operations will be materially impaired or damaged by the failure to permit ***the*** [~~said~~] rates to become effective during ***the*** [~~said five (5) months'~~] period, ***the*** [~~said~~] commission may, after any hearing or hearings, permit all or a portion of ***the*** [~~said~~] rates to become effective under [~~such~~] terms and conditions as the commission may, by order, prescribe.

(3) At any hearing involving the rate or charge sought to be increased, the burden of proof to show that the increased rate or charge is just and reasonable shall be upon the utility and the commission shall give to the hearing and decision of such questions preference over other questions pending before it and decide the same as speedily as possible, and in any event not later than ten (10) months after the filing of such schedules.

(4) ***If*** [~~In the event~~] the commission, by order, directs any utility to make a refund, as hereinabove provided, of all or any portion of ***the*** [~~such~~] increased rates or charges, the utility shall make the ***refund*** [~~same~~] within sixty (60) days after a final determination of the proceeding by an order of the court or commission with or without interest in the discretion of the commission. If the utility fails to make ***the*** [~~such~~] refund within sixty (60) days after ***the*** [~~such~~] final determination, any party entitled to ***a*** [~~such~~] refund may, after ten (10) days' written demand, bring an action [~~therefor~~] in any court of competent jurisdiction of this state, and may recover, in addition to the amount of the refund due, legal interest, court costs and reasonable attorney's fees. No such action may be maintained unless instituted within one (1) year after ***the*** [~~such~~] final determination. Any number of persons entitled to [~~such~~] refunds may join in as plaintiffs in a single action and the court shall render a judgment severally for each plaintiff as his interest may appear.

HB 930, AN ACT relating to family care leave.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 337 IS CREATED TO READ AS FOLLOWS:

It shall be an unlawful employment practice unless based upon a bona fide occupational qualification:

(1) For any employer, because of the pregnancy, childbirth, or related medical condition of any female employee, to refuse to promote her, or to refuse to select her for a training program leading to promotion, provided she is able to complete the training program at least three (3) months prior to the anticipated date of departure for her pregnancy leave, or to discharge her from employment or from a training program leading to promotion, or to discriminate against her in compensation or in terms, conditions, or privileges of employment.

(2) For any employer to refuse to allow a female employee affected by pregnancy, childbirth or related medical conditions either:

(a) To receive the same benefits or privileges of employment granted by that employer to other persons not so affected who are similar in their ability or inability to work, including the taking of disability or sick leave or any other accrued leave which is made available by the employer to temporarily disabled employees. For purposes of this section, pregnancy, childbirth, and related medical conditions are treated as any other temporary disability. However, no employer shall be required to provide a female employee disability leave on account of normal pregnancy, childbirth, or related medical condition for a period exceeding six (6) weeks. Nothing in this section shall be construed to require an employer to provide his or her employees with health insurance coverage for the medical costs of pregnancy, childbirth, or related medical conditions. The inclusion in any such health insurance coverage of any provisions or coverage relating to medical costs of pregnancy, childbirth, or related medical conditions shall not be construed to require the inclusion of any other provisions or coverage, nor shall coverage of any related medical conditions be required by virtue of coverage of any medical costs of pregnancy, childbirth, or other related medical conditions; or

(b) To take a leave on account of pregnancy for a reasonable period of time, provided the period shall not exceed four (4) months. The employee shall be entitled to utilize any accrued vacation leave during this period of time. Reasonable period of time means that period during which the female employee is disabled on account of pregnancy, childbirth, or related medical conditions. Nothing in this paragraph shall be construed to limit the provisions of paragraph (a) of subsection (2) of this section. An employer may require any employee who plans to take a leave pursuant to this subsection to give the employer reasonable notice of the date the leave shall commence and the estimated duration of the leave.

(3) (a) For an employer who has a policy, practice, or collective bargaining agreement requiring or authorizing the transfer of temporarily disabled employees to less strenuous or hazardous positions for the duration of the disability to refuse to transfer a pregnant female employee who so requests; or

(b) For any employer to refuse to temporarily transfer a pregnant female employee to a less strenuous or hazardous position for the duration of her pregnancy if she so requests, with the advice of her physician, where such transfer can be reasonably accommodated. However, no employer shall be required by this section to create additional employment which the employer would not otherwise have created, nor shall the employer be required to discharge any employee, transfer any employee with more seniority, or promote any employee who is not qualified to perform the job.

(4) This section shall not be construed to affect any other provision of law relating to sex discrimination or pregnancy, or in any way to diminish the coverage of pregnancy, childbirth, or medical conditions related to pregnancy or childbirth under any other provisions of law.

SECTION 2. A NEW SECTION OF KRS CHAPTER 337 IS CREATED TO READ AS FOLLOWS:

For the purpose of Sections 2 to 11 of this Act:

(2) "Employer" means any person who directly employs fifty (50) or more persons to perform services for a wage or salary.

(3) "Family care leave" means either of the following:

(b) Leave to care for a parent or a spouse who has a serious health condition.

(4) "Employment in the same or a comparable position" means employment in a position that has the same or similar duties and pay which can be performed at the same or similar geographic location as the position held prior to the leave.

(6) "Parent" means a biological, foster, or adoptive parent, a stepparent, or a legal guardian.

(7) "Serious health condition" means an illness, injury, impairment, or physical or mental condition which warrants the participation of a family member to provide care during a period of the treatment or supervision and involves either of the following:

(a) Inpatient care in a hospital, hospice, or residential health care facility; or

(b) Continuing treatment or continuing supervision by a health care provider.

SECTION 3. A NEW SECTION OF KRS CHAPTER 337 IS CREATED TO READ AS FOLLOWS:

It shall be an unlawful employment practice for any employer of fifty (50) or more employees to refuse to grant a request by any employee with more than one (1) year of continuous service with the employer, who meets all requirements of this section, and who is eligible for other benefits, to take up to a total of four (4) months in a twenty-four (24) month period for family care leave. Family care leave requested pursuant to this subsection shall not be deemed to have been granted unless the employer provides the employee, upon granting the leave request, a guarantee of employment in the same or a comparable position upon the termination of the leave.

SECTION 4. A NEW SECTION OF KRS CHAPTER 337 IS CREATED TO READ AS FOLLOWS:

An employer shall not be required to pay an employee for any family care leave taken pursuant to Section 3 of this Act, except that the employee taking the leave may elect, or an employer may require the employee, to substitute for family care leave any of the employee's accrued vacation leave or other accrued time off during this period, or any other paid or unpaid time off negotiated with the employer. However, an employee shall not use sick leave during the period of the family care leave unless mutually agreed to by the employer and the employee.

SECTION 5. A NEW SECTION OF KRS CHAPTER 337 IS CREATED TO READ AS FOLLOWS:

(1) Any employee taking leave pursuant to Section 3 of this Act shall continue to be entitled to participate in health plans, pension and retirement plans, and supplemental unemployment benefit plans to the same extent and under the same conditions that apply to an unpaid leave taken for any purpose other than family care.

(2) In the absence of these conditions, an employee shall continue to be entitled to participate in these plans, and in the case of employee health benefit plans, including group medical, life, short-term or long-term disability or accident insurance, or other similar plans, the employer may, at his discretion, require the employee to pay premiums at the group rate during the period of leave not covered by any accrued vacation leave, or other accrued time off, or any other paid or unpaid time off negotiated with the employer, as a condition of continued coverage during the leave period. However, the nonpayment of premiums by an employee shall not constitute a break in service, for purposes of longevity, seniority under any collective bargaining agreement, or any employee benefit plan.

(3) For purposes of pension and retirement plans, an employer shall not be required to make plan payments for an employee during the leave period, and the leave period shall not be required to be counted for purposes of time accrued under the plan. However, an employee covered by a pension plan may continue to make contributions in accordance with the terms of the plan during the period of the leave.

SECTION 6. A NEW SECTION OF KRS CHAPTER 337 IS CREATED TO READ AS FOLLOWS:

During a family care leave period, the employee shall retain employee status with the employer, and the leave shall not constitute a break in service, for purposes of longevity, seniority under any collective bargaining agreement, or any employee benefit plan. An employee returning from leave shall return with no less seniority than the employee had when the leave commenced, for purposes of layoff, recall, promotion, job assignment, and seniority-related benefits including, but not limited to, vacation.

SECTION 7. A NEW SECTION OF KRS CHAPTER 337 IS CREATED TO READ AS FOLLOWS:

(1) If the employee's need for family care leave pursuant to Section 3 of this Act is foreseeable, the employee shall provide the employer with reasonable advance notice of the need for the leave.

(2) If the employee's need for family care leave pursuant to Section 3 of this Act is foreseeable due to a planned medical treatment or supervision, the employee shall make a reasonable effort to schedule the treatment or supervision to avoid disruption to the operations of the employer, subject to the approval of the health care provider of the individual requiring the treatment or supervision.

SECTION 8. A NEW SECTION OF KRS CHAPTER 337 IS CREATED TO READ AS FOLLOWS:

(1) An employer may require that an employee's request for leave to care for a child, a spouse, or a parent who has a serious health condition be supported by a certification issued by the health care provider of the individual requiring care. That certification shall be sufficient if it includes all of the following:

(a) The date on which the serious health condition commenced;

(b) The probable duration of the condition;

(c) An estimate of the amount of time that the health care provider believes the employee needs to care for the individual requiring the care; and

(d) A statement that the serious health condition warrants the participation of a family member to provide care during a period of the treatment or supervision of the individual requiring care.

(2) Upon expiration of the time estimated by the health care provider, the employer may require the employee to obtain recertification in accordance with the procedure provided in subsection (1) of this section, if additional leave is required.

SECTION 9. A NEW SECTION OF KRS CHAPTER 337 IS CREATED TO READ AS FOLLOWS:

It shall be an unlawful employment practice for an employer to refuse to hire, or to discharge, fine, suspend, expel, or discriminate against, any individual because of any of the following:

(1) An individual's exercise of the right to family care leave provided by Section 3 of this Act;

(2) An individual's giving information or testimony as to his own family care leave, or another person's family care leave, in any inquiry or proceeding related to rights guaranteed under Sections 2 to 11 of this Act.

SECTION 10. A NEW SECTION OF KRS CHAPTER 337 IS CREATED TO READ AS FOLLOWS:

(1) The provisions of Sections 2 to 11 of this Act shall not be construed to require any changes in existing collective bargaining agreements during the life of the contract, or until January 1, 1993, whichever occurs first.

(2) The provisions of Section 2 to 11 of this Act shall be construed as separate and distinct from those of Section 1 of this Act. However, leave taken pursuant to Section 2 to 11 of this Act shall be no more than one (1) month when used in conjunction with the maximum leave under Section 1 of this Act, unless the employer and employee agree otherwise.

(3) The provisions of Sections 2 to 11 of this Act shall not entitle the employee to receive disability benefits under KRS 342.0011.

(4) Family care leave provided for pursuant to Section 2 to 11 of this Act may be taken in one (1) or more periods but shall not exceed a total of four (4) months within a twenty-four (24) month period from the date the leave commenced unless otherwise agreed to by the employee and the employer.

SECTION 11. A NEW SECTION OF KRS CHAPTER 337 IS CREATED TO READ AS FOLLOWS:

(1) An employer shall not be required to grant an employee family care leave which would allow the employee and the other parent of the child family care leave totalling more than the amount specified in Section 3 of this Act, nor to grant an employee family care leave for any period of time in which the child's other parent is also taking family care leave from employment or is unemployed.

(2) Notwithstanding Section 3 of this Act, an employer may refuse to grant a request for family care leave made by an employee if this refusal is necessary to prevent undue hardship to the employer's operations.

(3) Notwithstanding Section 3 of this Act, an employer may refuse to grant a request for family care leave made by a salaried employee who, on the date the request for family care leave is made, is either one of the five highest paid employees, or is among the top ten percent (10%) of the employees in terms of gross salary, whichever group encompasses the greater number of persons, employed by the employer at the same location.

WHEREAS, in-state contractors and nonresident contractors play an important part in Kentucky's economy; and

WHEREAS, it is important to collect factual, accurate data on this issue and to give all sides a fair opportunity to be heard before proposing substantial legislation;

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. That the 1992-93 Interim Joint Committee on Labor and Industry of the Legislative Research Commission shall be authorized and directed to study contracting by nonresident firms in Kentucky. (1) The State Board for Elementary and Secondary Education shall have the management and control of the common schools and all programs operated in such schools, including interscholastic athletics, the Kentucky School for the Deaf, the Kentucky School for the Blind, and community education programs and services.

(2) The State Board for Elementary and Secondary Education may designate an organization or agency to manage interscholastic athletics in the common schools, provided that the rules, regulations, and bylaws of any organization or agency so designated shall be approved by the board, and provided further that the board shall adopt administrative regulations providing for the appeal to the board of any decisions made by the designated managing organization or agency. The state board or any agency designated by the state board to manage interscholastic athletics shall not promulgate rules, administrative regulations, or bylaws which prohibit pupils in grades seven (7) to eight (8) from participating in high school sports or from participating on more than one (1) school-sponsored team at the same time in the same sport.

(3) (a) The State Board for Elementary and Secondary Education is hereby authorized to lease from the State Property and Buildings Commission, or others, whether public or private, any lands, buildings, structures, installations, and facilities suitable for use in establishing and furthering television and related facilities as an aid or supplement to classroom instruction, throughout the Commonwealth, and for incidental use in any other proper public functions. The lease may be for any initial term commencing with the date of the lease and ending with the next ensuing June 30, which is the close of the then current fiscal biennium of the Commonwealth, with exclusive options in favor of the board to renew the same for successive ensuing bienniums (July 1 in each even year to June 30 in the next ensuing even year); and the rentals may be fixed at such sums in each biennium, if renewed, as will be sufficient to enable the State Property and Buildings Commission to pay therefrom the maturing principal of and interest on (and provide reserves for) any revenue bonds which the State Property and Buildings Commission may determine to be necessary and sufficient, in agreement with the board, to provide the cost of acquiring the television and related facilities, with appurtenances, and costs as may be incident to the issuance of the bonds.

(b) Each option of the State Board for Elementary and Secondary Education to renew the lease for a succeeding biennial term may be exercised at any time after the adjournment of the session of the General Assembly at which appropriations shall have been made for the operation of the state government for such succeeding biennial term, by notifying the State Property and Buildings Commission in writing, signed by the chief state school officer, and delivered to the secretary of the Finance and Administration Cabinet as a member of the commission; provided, however, that the option shall be deemed automatically exercised, and the lease automatically renewed for the succeeding biennium, effective on the first day thereof, unless a written notice of the board's election not to renew shall have been delivered in the office of the secretary of the Finance and Administration Cabinet before the close of business on the last working day in April immediately preceding the beginning of such succeeding biennium.

(c) The State Board for Elementary and Secondary Education shall not itself operate leased television facilities, or undertake the preparation of the educational presentations or films to be transmitted thereby, but may enter into one (1) or more contracts to provide therefor, with any public agency and instrumentality of the Commonwealth having, or able to provide, a staff with proper technical qualifications, upon which agency and instrumentality the board, through the chief state school officer and the Department of Education, is represented in such manner as to coordinate matters of curriculum with the curricula prescribed for the public schools of the Commonwealth. Any contract for the operation of the leased television or related facilities may permit limited and special uses of the television or related facilities for other programs in the public interest, subject to the reasonable terms and conditions as the board and the operating agency and instrumentality may agree upon; but any contract shall affirmatively forbid the use of the television or related facilities, at any time or in any manner, in the dissemination of political propaganda or in furtherance of the interest of any political party or candidate for public office, or for commercial advertising. No lease between the board and the State Property and Buildings Commission shall bind the board to pay rentals for more than one (1) fiscal biennium at a time, subject to the aforesaid renewal options. The board may receive and may apply to rental payments under any lease and to the cost of providing for the operation of the television or related facilities not only appropriations which may be made to it from state funds, from time to time, but also contributions, gifts, matching funds, devises, and bequests from any source, whether federal or state, and whether public or private, so long as the same are not conditioned upon any improper use of the television or related facilities in a manner inconsistent with the provisions of this subsection.

(4) The state board may, on the recommendation and with the advice of the chief state school officer, prescribe, print, publish, and distribute at public expense such administrative regulations, courses of study, curriculums, bulletins, programs, outlines, reports, and placards as each deems necessary for the efficient management, control, and operation of the schools and programs under its jurisdiction. All administrative regulations published or distributed by the board shall be inclosed in a booklet or binder on which the words "informational copy" shall be clearly stamped or printed.

(5) Upon the recommendation of the chief state school officer or his designee, the state board shall establish policy or act on all matters relating to programs, services, publications, capital construction and facility renovation, equipment, litigation, contracts, budgets, and all other matters which are the administrative responsibility of the Department of Education.

(6) The State Board for Elementary and Secondary Education, upon recommendation of the chief state school officer, may hear and advise local school districts and affected parties when disputes arise."

(2) By January 1, 1991, each local board of education shall adopt a policy for implementing school-based decision making in the district which shall include, but not be limited to, a description of how the district's policies, including those developed pursuant to KRS 160.340, have been amended to allow the professional staff members of a school to be involved in the decision making process as they work to meet educational goals established in KRS 158.645 and 158.6451. The policy shall also address and comply with the following:

(b) The teacher representatives shall be elected for one (1) year terms by a majority of the teachers. The parent representatives shall be selected for one (1) year terms. The parent members shall be elected by the parent members of the parent teacher organization of the school or, if none exists, the largest organization of parents formed for this purpose. The principal or head teacher shall be the chair of the school council.

If the vacancy to be filled is the position of principal, the school council shall select the new principal from among those persons recommended by the local superintendent. Personnel decisions made at the school level under the authority of this subsection shall be binding on the superintendent who completes the hiring process. The superintendent shall provide additional applicants upon request.

(j) The school council shall adopt a policy to be implemented by the principal in the following additional areas:

(7) A school that chooses to have school-based decision making but would like to be exempt from the administrative structure set forth by this section may develop a model for implementing school-based decision making including, but not limited to, a description of the membership, organization, duties, and responsibilities of a school council. The school shall submit the model through the local board of education to the chief state school officer and the State Board for Elementary and Secondary Education for approval. The application for approval of the model shall show evidence that it has been developed by representatives of the parents, students, certified personnel, and the administrators of the school and that two-thirds (2/3) of the faculty have agreed to the model.

(3) (a) The State Board for Elementary and Secondary Education is hereby authorized to lease from the State Property and Buildings Commission, or others, whether public or private, any lands, buildings, structures, installations, and facilities suitable for use in establishing and furthering television and related facilities as an aid or supplement to classroom instruction, throughout the Commonwealth, and for incidental use in any other proper public functions. The lease may be for any initial term commencing with the date of the lease and ending with the next ensuing June 30, which is the close of the then current fiscal biennium of the Commonwealth, with exclusive options in favor of the board to renew the same for successive ensuing bienniums (July 1 in each even year to June 30 in the next ensuing even year); and the rentals may be fixed at such sums in each biennium, if renewed, as will be sufficient to enable the State Property and Buildings Commission to pay therefrom the maturing principal of and interest on (and provide reserves for) any revenue bonds which the State Property and Buildings Commission may determine to be necessary and sufficient, in agreement with the board, to provide the cost of acquiring the television and related facilities, with appurtenances, and costs as may be incident to the issuance of the bonds.

(b) Each option of the State Board for Elementary and Secondary Education to renew the lease for a succeeding biennial term may be exercised at any time after the adjournment of the session of the General Assembly at which appropriations shall have been made for the operation of the state government for such succeeding biennial term, by notifying the State Property and Buildings Commission in writing, signed by the chief state school officer, and delivered to the secretary of the Finance and Administration Cabinet as a member of the commission; provided, however, that the option shall be deemed automatically exercised, and the lease automatically renewed for the succeeding biennium, effective on the first day thereof, unless a written notice of the board's election not to renew shall have been delivered in the office of the secretary of the Finance and Administration Cabinet before the close of business on the last working day in April immediately preceding the beginning of such succeeding biennium.

(c) The State Board for Elementary and Secondary Education shall not itself operate leased television facilities, or undertake the preparation of the educational presentations or films to be transmitted thereby, but may enter into one (1) or more contracts to provide therefor, with any public agency and instrumentality of the Commonwealth having, or able to provide, a staff with proper technical qualifications, upon which agency and instrumentality the board, through the chief state school officer and the Department of Education, is represented in such manner as to coordinate matters of curriculum with the curricula prescribed for the public schools of the Commonwealth. The secretary shall promulgate regulations specifying the manner in which ***the*** [~~such~~] agencies may comment on the application. Any comments put forward pursuant to this section shall immediately be forwarded by the cabinet to the applicant and shall be made available to the public at the same places as the permit application is available.

Section 5. KRS 350.060 is amended to read as follows:

(1) (a) No person shall engage in surface coal mining and reclamation operations without having first obtained from the cabinet a permit designating the area of land affected by the operation. Permits shall authorize the ***permittee*** [~~operator~~] to engage in surface coal mining and reclamation operations upon the area of land described in his application for a period not to exceed five (5) years. However, if an applicant demonstrates that a specified longer term is reasonably needed to obtain necessary financing for equipment and the opening of the operation and if the application is full and complete for the specified longer term, the cabinet may grant a permit for the longer term. No mining shall be permitted beyond the time period obligations of the initial or extended bond coverage.

(b) Subject to the provisions of KRS 350.010(1) and (2), no person shall knowingly and willfully receive, transport, sell, convey, transfer, trade, exchange, donate, purchase, deliver, or in any way derive benefit from coal removed from any surface mining operation which does not have a permit as required under this section.

(2) No permit or revision application shall be approved unless the application affirmatively demonstrates and the cabinet finds in writing on the basis of the information set forth in the application or from information otherwise available, that the permit application is accurate and complete and that all the requirements of this chapter have been complied with.

(3) ***A person*** [~~An operator~~] desiring a permit to engage in surface coal mining operations shall file an application which shall state:

(a) The location and area of land to be affected by the operation, with a description of access to the area from the nearest public highways;

(b) The owner or owners of the surface of the area of land to be affected by the permit and the owner or owners of all surface area adjacent to any part of the affected area;

(c) The owner or owners of the coal to be mined;

(d) The source of the applicant's legal right to mine the coal on the land affected by the permit;

(e) The permanent and temporary post office addresses of the applicant, which shall be updated immediately if changed at any point prior to final bond release;

(f) Whether the applicant or any person, partnership or corporation associated with the applicant holds or has held any other permits under this chapter, and an identification of the permits;

(g) The names and addresses of every officer, partner, director, or person performing a function similar to a director of the applicant, together with the names and addresses of any individual owning of record ten percent (10%) or more of any class of voting stock of the applicant, and whether the applicant or any person is subject to any of the provisions of subsection (3) of KRS 350.130 and he shall so certify. The permittee shall submit updates of this information as changes occur or as otherwise provided by administrative regulation; however, failure to submit updated information shall constitute a violation of this chapter only upon the permittee's refusal or failure to timely submit the information to the cabinet upon request. Upon receipt of updated information satisfactory to the cabinet, the cabinet shall promptly update its computer system containing the information;

(h) A listing of any violations of this chapter, Public Law 95-87, and any law, rule, or regulation in effect for the protection of air or water resources incurred by the applicant in connection with any surface coal mining and reclamation operation during the three (3) year period prior to the date of an application. The list shall indicate the final resolution of the violations; and

(i) Whether the area of land to be affected by the operation has been previously mined and is in compliance with current reclamation standards, and if not, identify the needed reclamation work.

(4) The application for a permit shall be accompanied by an official document,and an affidavit attesting to the document's authenticity, which will evidence what particular business entity the applicant is, whether a foreign or domestic corporation, a partnership, an entity doing business as another, or, if sole proprietorship, an affidavit so stating.

(5) The application for a permit shall be accompanied by copies, in numbers satisfactory to the cabinet, of a United States Geological Survey topographic map or other map acceptable to the cabinet on which the ***applicant*** [~~operator~~] has indicated the location of the operation, the course which would be taken by drainage from the operation to the stream or streams to which the drainage would normally flow, the name of the applicant and date, and the name of the person who located the operation on the map.

(6) The application for a permit shall be accompanied by copies, in numbers satisfactory to the cabinet, of an enlarged United States Geological Survey topographic map or other map acceptable to the cabinet meeting the requirements of paragraphs (a) to (i) of this subsection. The map shall:

(a) Be prepared and certified by a professional engineer registered under the provisions of KRS Chapter 322. The certification shall be in the form as provided in subsection (8) of this section, except that the engineer shall not be required to certify the true ownership of property under paragraph (d) of this subsection;

(b) Identify the area to correspond with the application;

(c) Show adjacent deep mining;

(d) Show the boundaries of surface properties and names of owners of the affected area and adjacent to any part of the affected area;

(e) Be of a scale of 1:24,000 or larger;

(f) Show the names and locations of all streams, creeks, or other bodies of public water, roads, buildings, cemeteries, oil and gas wells, and utility lines on the area of land affected and within five hundred (500) feet of the area;

(g) Show by appropriate markings the boundaries of the area of land affected, the cropline of the seam or deposit of coal to be mined, and the total number of acres involved in the area of land affected;

(h) Show the date on which the map was prepared, the north point and the quadrangle name; and

(i) Show the drainage plan on and away from the area of land affected. The plan shall indicate the directional flow of water, constructed drainways, natural waterways used for drainage, and the streams or tributaries receiving the discharge.

(7) Each application shall include a determination of the probable hydrologic consequences of the mining and reclamation operations, both on and off the mine site, with respect to the hydrologic regime, quantity and quality of water in surface and groundwater systems, including the dissolved and suspended solids under seasonal flow conditions and the collection of sufficient data for the mine site and surrounding areas so that an assessment can be made by the cabinet of the probable cumulative impacts of all anticipated mining in the area upon the hydrology of the area and particularly upon water availability. This determination shall not be required until the time hydrologic information on the general area prior to mining is made available from an appropriate federal or state agency. The permit shall not be approved until the information is available and is incorporated into the application.

(8) All certifications required by this chapter to be made by professional engineers shall be done in the form prescribed by the cabinet and shall be reasonably specific as to the work being certified. The cabinet may reject any document or map as incomplete if it is not properly certified.

(9) In addition to the information and maps required above, each application for a permit shall be accompanied by detailed plans or proposals showing the method of operation, the manner, time and distance

for backfilling, grading work and a reclamation plan for the affected area, which proposals shall meet the requirements of this chapter and administrative regulations adopted pursuant thereto.

(10) The application for a permit shall be accompanied by proof that the applicant has public liability insurance coverage satisfactory to the cabinet for the surface mining and reclamation operations for which the permit is sought, or proof that the applicant has satisfied self-insurance requirements as provided by administrative regulations of the cabinet. The coverage shall be maintained in full force and effect during the terms of the permit and any permit renewal, and until reclamation operations are completed.

(11) A basic fee set by administrative regulation, and bearing a reasonable relationship to the cost of processing the permit application but not to exceed three hundred seventy-five dollars ($375), plus a fee set by administrative regulation but not to exceed seventy-five dollars ($75), for each acre or fraction thereof of the area of land to be affected by the operation, shall be paid before the permit required ***in this section*** [~~herein~~] shall be issued; provided that if the cabinet approves an incremental bonding plan submitted by the applicant, the acreage fees may be paid in increments and at times corresponding to the approved plan. The ***applicant*** [~~operator~~] shall file with the cabinet a bond payable to the Commonwealth of Kentucky with surety satisfactory to the cabinet in the sum to be determined by the cabinet for each acre or fraction thereof of the area of land affected, with a minimum bond of ten thousand dollars ($10,000), conditioned upon the faithful performance of the requirements set forth in this chapter and of the administrative regulations of the cabinet. The cabinet shall forfeit the entire amount of the bond for the permit area or increment in the event of forfeiture. In determining the amount of the bond, the cabinet shall take into consideration the character and nature of the overburden, the future suitable use of the land involved, the cost of backfilling, grading and reclamation to be required, and the probable difficulty of reclamation, giving consideration to such factors as topography, geology, hydrology, and revegetation potential. The bond amount shall initially be computed to be sufficient to assure completion of reclamation if the work had to be performed by the cabinet in the event of forfeiture. The cabinet shall promulgate administrative regulations setting forth bonding requirements including, but not limited to, requirements for the amount, duration, release, and forfeiture of bonds.

(12) Surface coal mining and reclamation operations which affected two (2) acres or less, as defined by administrative regulations of the cabinet, which were conducted pursuant to two-acre-or-less permits issued by the cabinet, which were commenced on or before June 5, 1987, and on which mining ceased on or before November 7, 1987, shall be exempt from the requirements of this chapter, except as follows. Reclamation of ***the*** [~~such~~] operations shall be accomplished in accordance with administrative regulations promulgated by the cabinet for operations of two (2) acres or less. The cabinet shall not require that the highwalls left by the operations be eliminated. Bond shall be maintained until reclamation is successfully completed. All procedural provisions and the penalty provisions of KRS 350.990 shall apply to operations conducted pursuant to this subsection. The cabinet shall enforce this subsection consistent with this chapter, except that the cabinet shall not issue orders requiring cessation of operations for mere failure to abate a violation.

(13) The cabinet shall promulgate administrative regulations for the permitting of operations with surface effects of underground mining and other surface coal mining and reclamation operations consistent with this section. The cabinet shall recognize the distinct differences between the surface effects of underground mining and strip mining, as also provided in KRS 350.151, in promulgating permitting requirements for these operations; provided, that the cabinet shall require that all the areas overlying underground workings be permitted but that the areas overlying underground workings not affected by operations and facilities occurring on the surface shall not be subject to the payment of acreage fees or bond requirements of subsection (11) of this section, KRS 350.070, or KRS 350.151.

(14) Any valid permit issued pursuant to this chapter shall carry with it the right of successive renewal upon expiration with respect to areas within the boundaries of the existing permit. An applicant for renewal of a permit shall pay a basic fee set by regulation, not to exceed three hundred seventy-five dollars ($375). The holders of the permit may apply for renewal and the renewal shall be issued, provided that on application for renewal the burden shall be on the opponents of renewal, subsequent to the fulfillment of the public notice requirements of this chapter, unless it is established and written findings by the cabinet are made that:

(a) The terms and conditions of the existing permit are not being satisfactorily met;

(b) The present surface coal mining and reclamation operation is not in compliance with the environmental protection standards of this chapter;

(c) The renewal requested substantially jeopardizes the ***applicant's*** [~~operator's~~] continuing responsibility on existing permit areas;

(d) The ***applicant*** [~~operator~~] has not provided evidence that the performance bond in effect for the operation will continue in full force and effect for any renewal requested in the application as well as any additional bond the cabinet might require; or

(e) Any additional revised or updated information required by the cabinet has not been provided.

Prior to the approval of any renewal of permit, the cabinet shall provide notice to the appropriate public authorities.

(15) If an application for renewal of a valid permit includes a proposal to extend the mining operation beyond the boundaries authorized in the existing permit, the portion of the application for renewal of a valid permit which addresses any new areas of surface disturbance shall be subject to the full standards applicable to new applications under this chapter.

(16) Any permit renewal shall be for a term not to exceed the period of the original permit. Application for permit renewal shall be made at least one hundred twenty (120) days prior to the expiration of the valid permit.

(17) Notwithstanding any of the provisions of this section, a permit shall terminate if the permittee has not commenced the surface coal mining operations covered by the permit within three (3) years of the issuance of the permit. However, the cabinet may grant reasonable extensions of time upon a showing that the extensions are necessary by reason of litigation precluding commencement of operations, or threatening substantial economic loss to the permittee, or by reason of conditions beyond the control and without the fault or negligence of the permittee. With respect to coal to be mined for use in a synthetic fuel facility or specific major electric generating facility, the permittee shall be deemed to have commenced surface mining operations at ***the*** [~~such~~] time [~~as~~] the construction of the synthetic fuel or generating facility is initiated.

(18) Each application for a permit or revision for auger mining on a previously mined area ***shall*** [~~must~~] contain information to describe the area to be affected, to show that the proposed method of operation will result in stable post-mining conditions, and reduce or eliminate adverse environmental conditions created by previous mining activities. If the cabinet determines that the affected area cannot be stabilized and reclaimed subsequent to augering or that the operation will result in an adverse impact to the proposed or adjacent area, the permit or revision shall not be issued. The cabinet shall, consistent with all applicable requirements of this chapter, issue a permit or revision if the applicant demonstrates that the proposed coal mining operations will provide for reduction or elimination of the highwall, or reduction or abatement of adverse impacts resulting from past mining activities, or stabilization or enhancement of a previously mined area. The cabinet shall insure that all reasonably available spoil material will be used to backfill the highwall to the extent practical and feasible; provided, however, that in all cases the holes be properly sealed and backfilled to a minimum of four (4) feet above the coal seam being mined.

(19) All operations involving the loading of coal which do not separate the coal from its impurities, and which are not located at or near the mine site, shall be exempt from the requirements of this chapter.

Section 6. KRS 350.062 is amended to read as follows:

(1) Applicants for permits may submit such hydrologic information on the general area prior to mining as may be made available by the cabinet pursuant to subsection (7) of this section and employ ***the*** [~~such~~] information in any reasonable mathematical water modeling formulation, logical extrapolation from existing data on the same or similar watershed or other reasonable predictive techniques which regionalize and synthetize historical, geologic and hydrologic parameters on the general area to determine surface ground water conditions, together with site specific data in determining the probable hydrologic consequences of the proposed mining.

(2) Climatological data, average seasonable precipitation, average direction and velocity of prevailing winds or seasonable temperature ranges, shall be submitted by the applicant only when requested by the cabinet on a site-by-site basis.

(3) A statement of the result of test borings or core samplings from the permit area, including logs of the drill holes; the thickness of the coal seam found; an analysis of the chemical properties of ***the*** [~~such~~] coal; the sulfur content of any coal seam to be disturbed; chemical analysis of potentially acid or toxic forming sections of the overburden; or chemical analysis of the stratum lying immediately underneath the coal seam to be mined, may be waived by the cabinet with respect to the specific application by a written determination that ***the*** [~~such~~] requirements are unnecessary.

(4) Applicants may submit fish and wildlife information within the proposed mine plan area and adjacent areas in the form of published data or data otherwise available from state and federal fish and wildlife

management, conservation or regulatory agencies and site-specific information unless the cabinet requires ***the*** [~~such~~] information based on reasonable grounds to believe that the available data ***are*** [~~is~~] inaccurate.

(5) The cabinet shall provide in its regulations that notwithstanding ***a permittee's*** [~~an operator's~~] detailed estimated timetable for the reclamation plan in the application, as long as the ***permittee or*** operator is in compliance with the contemporaneous reclamation requirements of its regulations, a failure to adhere to ***the*** [~~said~~] timetable shall not be an independent basis for a violation.

(6) The cabinet shall provide in its regulations establishing environmental protection, performance standards that ***a permittee*** [~~an operator~~] may augment subsoil strata with chemical or organic soil supplement materials produced on site or elsewhere for the purpose of complying with the topsoiling requirements of this chapter if topsoil is of insufficient quality or of poor quality for sustaining vegetation.

(7) The cabinet shall compile by September 1, 1980, available background hydrologic information concerning the general areas in which surface coal mining has or may be conducted in the Commonwealth as may be available in standard published form, research reports, studies or data compiled by other state or federal agencies including state-supported colleges and universities, the cabinet's own files, including, at a minimum, quality and quantity of water in surface and ground water systems; minimum, maximum and average discharge quantities at peak and critical low flow and seasonal variations; dissolved and suspended solids, acidity, pH, iron and manganese under seasonal flow conditions; and any other background hydrologic information required by the cabinet concerning the hydrologic regime of a general area prior to mining for purposes of making a determination of the probable consequences of the mining; and shall make available to an operator ***the*** [~~such~~] data and information concerning general areas within ten (10) days of a request in writing.

(8) The cabinet shall classify all abandoned mine land program reclamation projects as government financed construction and not surface coal mining operations and the extraction of coal as an incidental part of ***the*** [~~such~~] projects shall be exempt from the requirements of this chapter and regulations promulgated pursuant thereto.

(9) The cabinet shall not arbitrarily deny or unreasonably delay any permit application based upon the information required in this section if the registered professional engineer or geologist or other qualified person has utilized or developed a procedure or analytical method that differs from departmental technical guidelines; provided, that the registered professional engineer or geologist or other qualified person shall design a sampling and testing program based on all available information and on a site-specific basis. The reasons for denial shall be given in writing and shall be reasonably specific. The requirements contained in subsection (3) of this section may be waived for locations where the cabinet determines that adequate information is already available to the cabinet.

Section 7. KRS 350.064 is amended to read as follows:

(1) After a surface coal mining and reclamation permit application has been approved but before ***the*** [~~such a~~] permit is issued, the applicant shall file with the regulatory authority, on a form prescribed and furnished by the regulatory authority, a reclamation bond for performance payable, as appropriate, to the state, and conditional upon faithful performance of all the requirements of this chapter and the permit. The reclamation bond shall cover that area of land within the permit area upon which the ***applicant*** [~~operator~~] will initiate and conduct surface coal mining and reclamation operations within the initial term of the permit. As succeeding increments of surface coal mining and reclamation operations are to be initiated and conducted within the permit area, the permittee shall file with the cabinet an additional bond or bonds to cover ***the*** [~~such~~] increments in accordance with this section.

(2) The cabinet may accept the reclamation bond of the applicant itself without separate surety when the applicant demonstrates to the satisfaction of the cabinet the existence of a suitable agent to receive service of process and a history of financial solvency and continuous operation sufficient for authorization to self-insure or bond ***the*** [~~such~~] amount or in lieu of the establishment of a bonding program, as set forth in this section; the cabinet may approve an alternative system that will achieve the objectives and purposes of the bonding program pursuant to this section.

Section 8. KRS 350.070 is amended to read as follows:

(1) Any extensions of the area covered by the permit, except incidental boundary revisions, shall be made by application for another permit or an amendment to the permit.

(2) For an amendment, the ***permittee*** [~~operator~~] shall file an application, map, and revised reclamation plan in the same form and with the same content as required for an original application under this chapter.

He shall pay a basic fee set by regulation and bearing a reasonable relationship to the cost of processing the permit application, not to exceed three hundred seventy-five dollars ($375), plus a fee set by regulation, not to exceed seventy-five dollars ($75), for each acre or fraction of an acre for the increase requested. He shall file with the cabinet a supplemental bond in the amount to be determined under the provisions of KRS 350.060(11) for each acre or fraction of an acre of the increase approved. This application shall be subject to all of the same requirements as an original application, including, but not limited to, the same public notice, review and issuance or denial provisions.

(3) If the cabinet approves a reduction in the acreage covered by the permit, it shall release the bond for each acre reduced, but the bond shall not be reduced below ten thousand dollars ($10,000). If the cabinet approves a reduction in acreage, it shall transfer the acreage fee for each acre reduced to acreage fees for subsequent permit applications by the ***permittee*** [~~operator~~].

(4) The cabinet shall promulgate regulations specifying the permit application information requirements and procedures, including notice and hearing, which shall apply depending on the scale or extent of a permit revision. Any revision which proposes significant alterations in the reclamation plan shall be subject to the notice and hearing requirements as set forth in the regulations of the cabinet. The applicant for a revision shall pay a basic fee set by regulation, not to exceed three hundred seventy-five dollars ($375), plus a fee set by regulation not to exceed seventy-five dollars ($75), for each acre or fraction of an acre included in an incidental boundary revision.

(5) Incidental boundary revisions shall be deemed minor revisions if they:

(a) Do not exceed ten percent (10%) of the initial permit acreage;

(b) Are contiguous with the permit acreage;

(c) Are within the same watershed as the initial permit acreage;

(d) Are required for an orderly continuation of the mining operation;

(e) Cover the same coal seam or seams as in the permit;

(f) Would only involve lands for which the hydrologic and geologic data and the probable hydrologic consequences analysis contained in the permit are applicable to the proposed incidental boundary revision;

(g) Would not involve properties designated as unsuitable for mining, or any properties eligible for listing on the National Register of Historic Places;

(h) Would not involve any of the special categories of mining listed in 30 CFR Part 785 including, but not limited to, prime farmland and coal preparation plants, unless the approved permit already includes the relevant category;

(i) Would not constitute a change in the method of mining; and

(j) Would be reclaimed in conformity with the initial reclamation plan.

(6) For the purpose of this section, the maximum acreage allowed to be added by an incidental boundary revision shall be as follows:

(a) Surface operations shall be allowed up to twenty (20) acres;

(b) Underground operations shall be allowed up to ten percent (10%) of the original permitted acreage of the underground workings or twenty (20) acres, whichever is less;

(c) Surface disturbances of underground mines including, but not limited to, face-up areas and haul roads, shall be allowed up to twenty (20) acres;

(d) The cumulative acreage added by successive revisions shall not exceed the above limitations.

Section 9. KRS 350.080 is amended to read as follows:

A permittee [~~An operator~~] may conduct other mining operations from premises covered by a strip mining permit with approval of the cabinet, subject to the provisions of KRS Chapters 351 and 352. In applying to the cabinet for ***the*** [~~such~~] approval, he shall furnish the cabinet with a revised copy of the map of the area on which his permit was based on which he shall designate other mining locations, the location of outside haulageways and other parts of the area necessary to the conduct of other mining operations. The cabinet may authorize the ***permittee*** [~~operator~~] to defer the reclamation of the area covered by ***the*** [~~such~~] operations during such time as other bona fide mining operations are carried out. The bond covering that area shall remain in effect until reclamation of it has been completed by the ***permittee*** [~~operator~~] under a plan approved by the cabinet.

Section 10. KRS 350.090 is amended to read as follows:

(1) Under the provisions of this chapter and regulations adopted by the cabinet, ***a permittee*** [~~an operator~~] shall prepare and ***the permittee or operator shall*** carry out a method of operation, plan of grading and backfilling, and a reclamation plan for the area of land affected by his operation. In developing a method of operation, and the plans of backfilling, grading and reclamation, all measures shall be taken to eliminate damages to members of the public, their real and personal property, public roads, streams, and all other public property from soil erosion, rolling stones and overburden, water pollution, and hazards dangerous to life and property. The permit application containing the required plans and other information as required shall be submitted to the cabinet and, except for applications or renewals submitted in compliance with KRS 350.060(2), the cabinet shall notify the applicant by certified mail, return receipt requested, within sixty-five (65) cumulative working days after receipt of a complete application if it is or is not acceptable. In the event that applicable notice, hearing, and conference procedures prevent a decision from being issued within the sixty-five (65) cumulative working day period, the cabinet shall have additional reasonable time to issue its decision, but not to exceed twenty (20) days from the completion of the notice, hearing, and conference procedures. If the permit application is not acceptable, the cabinet shall set forth the reasons for which the application or plans are not acceptable and it may propose modifications, delete areas or reject the entire application. Should the applicant disagree with the decision of the cabinet, he may, by written notice, request a hearing conducted by the cabinet in the manner provided by KRS 224.10-440. The cabinet shall notify the applicant by certified mail, return receipt requested, within twenty (20) days after the hearing of its decision. Any person aggrieved by a final order of the cabinet may appeal through the courts as set forth in KRS 224.10-470.

(2) If the ***permittee*** [~~operator~~] desires to seek funds from the reclamation development fund to develop an economic development unit during reclamation, the ***permittee*** [~~operator~~] shall submit, along with the reclamation plan, a reclamation development plan outlining the reclamation development project and showing how it will conform with the reclamation standards of this chapter.

(3) No ***permittee,*** operator***, or person*** shall throw, dump, pile, or permit the dumping, piling, or throwing or otherwise placing any overburden, stones, rocks, coal, particles of coal, earth, soil, dirt, debris, trees, wood, logs, or any other materials or substances of any kind or nature beyond or outside of the area of land which is under permit and for which bond has been posted under KRS 350.060 or place ***these*** [~~such~~] materials [~~herein described~~] in such a way that normal erosion or slides brought about by natural physical causes will permit the materials to go beyond or outside of the area of land which is under permit and for which bond has been posted under KRS 350.060.

Section 11. KRS 350.093 is amended to read as follows:

(1) As determined by administrative regulations of the cabinet, time and distance limits shall be established requiring backfilling, grading and planting to be kept current, so that all reclamation efforts proceed in an environmentally sound manner and as contemporaneously as practicable under regulations promulgated by the cabinet. All backfilling and grading shall be completed before necessary equipment is moved from the operation; except that the cabinet may for good cause approve the moving of equipment before all backfilling and grading is completed.

(2) (a) The cabinet may allow ***a permittee*** [~~an operator~~] to defer the time criteria of contemporaneous reclamation requirements on specified areas if the ***permittee*** [~~operator~~] can demonstrate that the deferment is necessary to address at least one (1) of the following:

1. Adverse condition including weather, labor and other conditions clearly beyond the ***permittee's*** [~~operator's~~] control;

2. Other bona fide mining operations carried out on a strip mined area, pursuant to KRS 350.080; or

3. Coal marketing problems.

(b) Application for a deferment pursuant to this section shall be in the form prescribed by the cabinet. The applicant ***shall have*** [~~has~~] the burden of establishing the need for the deferment. The applicant ***for the deferment*** shall demonstrate that reclamation on the site is contemporaneous as of the date of the request for deferment and that distance requirements for contemporaneous reclamation will be met during the period of the deferment. Approval of the deferment request shall be made in writing. The approval shall state that the deferment is justified and that no environmental damage will occur during the period of deferment. Reclamation deferments may be approved for a period reasonably related to the specified conditions justifying the deferment, but the aggregate deferral period shall not exceed thirty (30) months. The deferral shall not extend beyond the expiration date of the permit. The cabinet shall periodically reexamine and update the amount of the bond on the permit area so that the amount of the bond is sufficient to assure completion of reclamation if the work had to be performed by the cabinet in the event of forfeiture.

(3) If the ***permittee or*** operator [~~or other person~~] desires to conduct drift mining or other underground mining upon the premises or use the openings for haulageways or other lawful purposes, the ***permittee or*** operator may designate locations to be used for purposes at which places it will not be necessary to backfill until the drift or other underground mining or other use is completed, during which time the bond on file for that portion of the operation shall not be released. That portion of the locations shall be described and designated on the map attached thereto. If the ***permittee or*** operator [~~or other person~~] wishes to combine surface operations with underground mining operations to assure maximum practical recovery of coal resources, the cabinet may grant a variance, pursuant to regulations promulgated by the cabinet, for specific areas within the reclamation plan from the requirement that reclamation efforts proceed pursuant to subsection (1) of this section so as to permit underground mining operations prior to reclamation.

(4) The cabinet may release in whole or in part the reclamation bond or deposit for a particular operation if the cabinet is satisfied that the reclamation covered by the bond or deposit or portion thereof has been accomplished as required by this chapter. These bond releases shall be made in accordance with the following schedule:

(a) When the ***permittee*** [~~operator~~] completes the backfilling, regrading, and drainage control of a bonded area in accordance with his approved reclamation plan, the release of sixty percent (60%) of the bond or collateral for the applicable permit area.

(b) After revegetation has been established on the regraded mined lands in accordance with the approved reclamation plan, additional bond or collateral for the applicable permit shall be released. When determining the amount of bond to be released after successful revegetation has been established, the cabinet shall retain that amount of the bond for the revegetated area which would be sufficient for a third party to cover the cost of reestablishing revegetation; this amount shall be retained for the period specified for ***permittee*** [~~operator~~] responsibility for reestablishing revegetation. No part of the bond or deposit shall be released under this subsection as long as the lands to which the release would be applicable are contributing suspended solids to streamflow or runoff outside the permit area in excess of requirements set by this chapter or until soil productivity for prime farm lands has returned to levels of yield equivalent to those of unmined land of the same soil type in the surrounding area under equivalent management practices as determined from soil surveys that may be required to be included in the permit application. If a sedimentation pond is to be retained as a permanent impoundment, the portion of bond may be released under this subsection so long as provisions for sound future maintenance by the ***permittee*** [~~operator~~] or the landowner have been made with the cabinet.

(c) When the ***permittee*** [~~operator~~] has completed successfully all surface coal mining and reclamation activities, the release of the remaining portion of the bond, or collateral, but not before the expiration of the period specified for ***permittee*** [~~operator~~] responsibility. No bond shall be fully released until all reclamation requirements of this chapter are fully met.

(5) Upon satisfying the requirements of subsections (4)(a), (b), or (c) of this section the permittee may file, or the cabinet shall initiate, an application for total or partial bond release.

(a) A permittee shall have the right to begin public advertisement of its request for bond release at the time it files its request for the release. The cabinet may undertake, at permittee expense, public advertisement of any cabinet initiated bond release. If the cabinet initiates a bond release pursuant to this subsection but chooses not to advertise the release pursuant to this section, and the permittee does not advertise the request for the release within the time schedules established by this subsection, the bond release application shall be denied. All public advertisements of bond release applications, whether authorized by the permittee or the cabinet, shall begin within sixty (60) days after either the filing of a bond release request by the permittee or the initiation of a bond release by the cabinet. Public advertisement shall occur at least once a week for four (4) successive weeks in a newspaper of general circulation in the locality of the surface coal mining operation.

(b) The public advertisement required by this subsection shall include: the permit number and permit approval date, notification of the precise location of the land affected, the number of acres, the type and amount of the bond filed and the portion sought to be released, the type and appropriate dates of reclamation work performed, a description of the results achieved as they relate to the operator's approved reclamation plan, and the name and address of the cabinet to which written comments, objections, or requests for public hearings and informal conferences on the specific bond release may be submitted. Proof of advertisement shall be placed with the bond release application within thirty (30) days after the advertisement.

(c) Within thirty (30) days of filing of any bond release request, the permittee shall submit copies of letters which it has sent to adjoining property owners, local governmental bodies, planning agencies, sewage and water treatment authorities, and water companies in the locality in which the surface coal mining and reclamation operation took place, notifying them of the intention to seek release from the bond. For bond releases initiated by the cabinet, the cabinet shall undertake the notification requirements set forth in this subsection.

(d) Upon the filing of an application for bond release by a permittee, or the initiation of the release by the cabinet, the cabinet shall notify, within thirty (30) days of the filing or initiation, the municipality where the surface coal mining operation is located, pursuant to regulations promulgated by the cabinet.

(6) Upon the filing of any partial or total bond release request by a permittee, the cabinet shall within thirty (30) days conduct an inspection and evaluation of the reclamation work involved. The evaluation shall consider, among other things, the degree of difficulty to complete any remaining reclamation, whether pollution of surface or subsurface water is occurring, the probability of continuance of future occurrence of the pollution, and the estimated cost of abating the pollution.

(7) The cabinet shall notify the permittee in writing of its decision to release or not to release all or part of the performance bond or deposit within five (5) days following receipt of proof of public advertisement as required in subsection (5)(b), or the end of the thirty (30) day public comment period, whichever is later, if no public hearing is held pursuant to subsection (10) of this section; and if there has been a public hearing held pursuant to subsection (10) of this section, within thirty (30) days thereafter.

(8) If the cabinet disapproves the application for release of the bond or portion thereof, the cabinet shall notify the permittee, in writing, stating the reasons for disapproval and recommending corrective actions necessary to serve the release and allowing opportunity for a public hearing. The cabinet shall not disapprove an application for release of a surety bond or a bond secured by a letter of credit as provided for under subsection (4)(a) or (b) of this section or under the partial release provisions applicable to an interim permit, or take any action to forfeit the surety bond, or bond secured by letter of credit, solely upon the permittee's failure to pay penalties or fines, if applicable reclamation requirements for the requested release have been fully met. The cabinet shall not continue to hold under the interim or permanent program remaining surety bond proceeds or the remaining bond secured by a letter of credit where a forfeiture has occurred solely as a result of a failure to pay penalties or fines, if the reclamation requirements of this chapter have been fully met.

(9) The bond liability of the permittee shall include only those actions which the permittee is obliged to take under the permit, including completion of the reclamation plan. Actions of third parties which are beyond the control and influence of the permittee and for which the permittee is not responsible under the permit shall not be covered by the bond.

(10) Any person having a valid legal interest which might be adversely affected by release of the bond, and the responsible officer or head of any governmental agency so designated by cabinet regulations, shall have the right to file written objections to the proposed bond release with the cabinet, and to request a hearing in accordance with procedural regulations promulgated by the cabinet.

Section 12. KRS 350.095 is amended to read as follows:

The ***permittee*** [~~operator~~] shall assume responsibility for successful revegetation as required in KRS 350.435 for [~~such~~] a period [~~as~~] defined pursuant to regulations promulgated by the cabinet. ***The*** [~~Such~~] regulations shall include provisions to assure compliance with KRS 350.435, 350.093 and other applicable provisions. The cabinet may by regulation set forth different requirements when it approves a long-term, intensive, agricultural postmining land use as part of the mining and reclamation plan.

Section 13. KRS 350.100 is amended to read as follows:

(1) It shall be the duty of ***a permittee and*** [~~an~~] operator to commence the reclamation of the area of land affected by ***the*** [~~his~~] operation as contemporaneously as practicable after the beginning of operations on that area in accordance with plans previously approved by the cabinet. ***The*** [~~Such~~] grading, backfilling and water management practices that are approved in the plans shall be kept current with the operation as defined by regulations of the cabinet and no permit renewal or revision shall be issued, if under the regulations of the cabinet, these practices are not current;

(2) If an investigation indicates that planting so as to provide vegetative cover of an area of land affected by surface coal mining may not be successful, consistent with subsection (1) the cabinet may authorize the ***permittee or person*** [~~operator~~] to defer ***the*** [~~such~~] planting until the soil and/or weather has become suitable for ***that purpose*** [~~such purposes~~].

Section 14. KRS 350.113 is amended to read as follows:

(1) When the planting of a permit area is completed, the ***permittee*** [~~operator~~] shall file a planting report with the cabinet on a form to be prescribed and furnished by the cabinet, giving the following information:

(a) Identification of the operation;

(b) The type of planting or seeding, including mixtures and amounts;

(c) The date of planting or seeding;

(d) The area of land planted;

(e) Other relevant information as the cabinet may require.

(2) All planting reports shall be certified [~~by the operator~~].

(3) Inspection and evaluation for vegetative cover shall be made as soon as it is possible to determine if a satisfactory stand has been established. In no instance shall this vegetative cover check be made until just prior to or after the completion of the first growing season.

Section 15. KRS 350.117 is amended to read as follows:

All trees, shrubs, grasses and legumes required by this chapter and regulations to be planted or seeded on the area of land affected shall become the property of the landowner, unless the ***permittee*** [~~operator~~] and the landowner agree otherwise.

Section 16. KRS 350.120 is amended to read as follows:

Within sixty (60) days after the date of expiration of a permit, the ***permittee*** [~~operator~~] shall file with the cabinet a report stating the exact number of acres of land affected by the operation, the extent of the reclamation already accomplished by him, and such other information as may be required by the rules and regulations of the cabinet. The report shall be accompanied by a copy of the map filed with the original application which shall show any revisions made necessary by results of the operation.

Section 17. KRS 350.130 is amended to read as follows:

(1) When any of the requirements of this chapter or administrative regulations adopted pursuant thereto or the orders of the cabinet have not been complied with, the cabinet shall forthwith cause a notice of noncompliance to be issued upon the ***permittee,*** person, or operator. The cabinet shall set forth in its notice a reasonable time period but not more than ninety (90) days for the abatement of the violation. If any ***permittee,*** person, or operator has not abated the violation within the time prescribed in the notice of noncompliance, the secretary or other authorized personnel of the cabinet shall issue to ***the permittee,*** [~~said~~] operator, or person an order for immediate compliance and cessation of any mining activities or operations which are contributing to the violation. ***The*** [~~Such~~] order shall require the ***permittee,*** person, or operator to abate the violation in the most expeditious manner possible. The secretary is authorized to promulgate reasonable administrative regulations for the implementation of this section. ***The*** [~~Such~~] notice or order shall be handed to the person in charge of the operation, and the operator or person engaged in coal exploration operations or sent by certified mail, return receipt requested, addressed to the permanent address shown on the application for a permit or if no address is shown on the application, then to the address known to the cabinet. The notice of noncompliance or order for immediate compliance and cessation shall specify in what respects the ***permittee,*** person, or operator has failed to comply with this chapter or the regulations or orders of the cabinet and the remedial action required, the period of time established for abatement, and a reasonable description of the portion of the surface coal mining and reclamation operation to which the notice or order applies. If the ***permittee,*** person, or operator has not reached an agreement with the cabinet or has not complied with the requirements set forth in the notice of noncompliance or order for immediate compliance and cessation within time limits set therein, the permit may be revoked or the operation terminated, after an opportunity for a hearing, by order of the cabinet and the performance bond, if any, shall then be forfeited to the cabinet, except as provided in subsection (2) of this section, provided that failure to attend a hearing shall be excused for good cause shown. Any bonding company or financial institution providing bond to the cabinet shall have

the right to perform those measures necessary to secure bond releases if ***the*** [~~said~~] bonding company or financial institution can demonstrate that it has the ability to perform ***the*** [~~said~~] measures and will undertake to do so within a reasonable time frame. ***The bonding company or financial institution providing the bond, may, at any stage of the reclamation process, pay the remaining encumbered balance of the bond and thereby discharge its obligation under the bond.*** Neither the surety company nor the financial institution may employ anyone to perform ***the*** [~~said~~] measures who has been barred from mining pursuant to the provisions of this chapter.

(2) When a bond is forfeited consistent with the provisions of this chapter, the cabinet shall forfeit the entire amount of the bond for the permit area or increment.

(3) ***A permittee,*** [~~An~~] operator, or person whose mining permit or operation has been revoked, suspended, or terminated or is at the time of the application in violation of this chapter or other applicable requirements as set forth in KRS 350.085 shall not be eligible to receive another permit or begin another operation or to have suspended permits or operations reinstated until he shall have complied with all the requirements of this chapter or submitted proof satisfactory to the cabinet under KRS 350.085 that ***the*** [~~such~~] violation has been corrected or is in the process of being corrected in respect to all permits issued him, provided, further, that no ***permittee,*** operator, or person shall be eligible to receive another permit or begin another operation who has forfeited any bond unless the land for which the bond was forfeited has been reclaimed without cost to the state or the ***permittee,*** operator, or person has paid such sum as the cabinet finds is adequate to reclaim ***the*** [~~such~~] lands. The cabinet shall not issue any permits to or allow future operations by any ***permittee,*** operator, or person who has demonstrated a pattern of willful violations of this chapter of such nature and duration with such resulting irreparable damage to the environment as to indicate an intent not to comply with the provisions of this chapter, provided that no permit shall be denied on this basis without an opportunity for a hearing. The secretary shall promulgate regulations which implement this section. For the purposes of this section, if a corporate permittee has demonstrated a pattern of willful violations, then any subsequent application for a permit by that corporation, or any person who controls or has controlled that corporation, shall be denied.

(4) In the exercise of the secretary's enforcement powers and authority under this chapter, the secretary, or an authorized representative of the cabinet, after inspection shall immediately order the cessation of ***the*** [~~such~~] condition or operation when he determines that the condition or operation creates an imminent danger to the health or safety of the public or that the condition or operation is causing or can reasonably be expected to cause significant imminent environmental harm in violation of this chapter or the regulations pursuant to this chapter, or any permit condition. For purposes of this subsection, "imminent danger to the health and safety of the public" means the existence of any condition or practice, or any violation of a permit or other requirement of this chapter in a surface coal mining and reclamation operation, which condition, practice, or violation could reasonably be expected to cause substantial physical harm to persons outside the permit area before ***the*** [~~such~~] condition, practice, or violation can be abated. A reasonable expectation of death or serious injury before abatement exists if a rational person, subjected to the same conditions or practices giving rise to the peril, would not expose himself or herself to the danger during the time necessary for abatement.

(5) Each provision of this section shall be interpreted and applied consistently with due process of law.

(6) The secretary, or authorized representatives of the cabinet, shall have the power to vacate, amend, modify, or terminate notices of noncompliance and cessation orders, pursuant to administrative regulations promulgated by the cabinet.

Section 18. KRS 350.135 is amended to read as follows:

(1) No surface coal mining permit issued pursuant to this chapter shall be transferred by sale, assignment, lease, or otherwise except upon the written approval by the cabinet of a joint application submitted by both the transferor and the transferee. A basic fee set by regulation, and bearing a reasonable relationship to the cost of processing the transfer, but not to exceed three hundred seventy-five dollars ($375) shall accompany the application and no acreage fee will be assessed. The transferee shall file with the application a bond satisfactory to the cabinet which shall ensure reclamation of the entire area of land affected under the permit, including areas previously affected by the transferor. All rights and liabilities under the permit shall pass to the transferee upon written approval of the transfer by the cabinet, except that the transferor shall remain liable for any civil penalties resulting from violations occurring prior to the date of approval of the transfer. The cabinet shall not approve transfer of a surface coal mining permit to any person who would be ineligible to receive a new permit under this chapter.

(2) After the cabinet has given its written approval to the transfer, the transferee may conduct surface coal mining and reclamation operations according to the approved mining and reclamation plan of the original permittee. Any transferee seeking to change the conditions of mining or reclamation operations, or any of

the terms or conditions of the original permit, shall apply for a new or revised permit pursuant to the requirements of the cabinet.

(3) The cabinet shall not release the first ***permittee*** [~~operator~~] from bond liability under this chapter as to that particular operation until the transferee, having filed a bond satisfactory to the cabinet, receives written approval from the cabinet for the transfer, and otherwise complies with the requirements of this chapter, and provided further that the transferee shall assume as part of his obligation under this chapter, all liability for the reclamation of the area of land affected by the former ***permittee*** [~~operator~~].

(4) The cabinet may promulgate reasonable regulations and administrative procedures to implement this section.

(5) The cabinet shall approve the transfer application if:

(a) A joint agreement or sale has been executed;

(b) The transferee has posted bond satisfactory to the cabinet which insures reclamation of the entire area of land affected under the permit;

(c) The transferee has paid the fee pursuant to subsection (1) of this section;

(d) The transferee has agreed to operate under provisions of the approved permit being transferred.

Section 19. KRS 350.150 is amended to read as follows:

(1) In the reclamation of land affected by surface coal mining operations for which it has funds available, the cabinet may avail itself of any services which may be provided by other state agencies or by agencies of the federal government, and may compensate them for ***the*** [~~such~~] services. The cabinet may also receive any federal funds, state funds or any other funds for the reclamation of land affected by surface coal mining operations. The cabinet may cause the reclamation work to be done by its own employees or by employees of other governmental agencies, soil conservation districts, or through contracts with qualified persons. ***The*** [~~Such~~] contracts shall be awarded to the lowest responsible bidder upon competitive bids after reasonable advertisement. The cabinet and any other agency and any contractor under a contract with the cabinet shall have the right of access to the land affected to carry out such reclamation.

(2) Any funds available to the cabinet and any public works program (both funds and services) may be used and expended to reclaim and rehabilitate any lands that have been subjected to surface coal mining operations that have not been reclaimed and rehabilitated in accordance with standards set by this chapter or regulations thereunder and which are not covered by bond to guarantee ***the*** [~~such~~] reclamation.

(3) A person or organization, having qualifications acceptable to the cabinet, may post bond or a cash deposit, in a sum determined by the cabinet, and assume the liability for carrying out the reclamation plan approved by the cabinet in areas where the mining operation and any necessary grading and backfilling have been completed. The cabinet shall then release the bond posted by the ***permittee*** [~~operator~~] for ***the*** [~~such~~] area.

Section 20. KRS 350.151 is amended to read as follows:

(1) The Natural Resources and Environmental Protection Cabinet shall promulgate permanent program administrative regulations for the mining and reclamation of land disturbed or removed by operations resulting from or incident to underground coal mining. The regulations shall recognize the distinct differences between underground mining and strip mining of coal, shall be promulgated pursuant to this chapter, and shall be enforced as provided in KRS 350.130 and 350.990. Those activities may include, but not be limited to, the construction of new roads or the improvement or use of existing roads to gain access to the site of the activities and all lands affected by haulage, excavations, workings, impoundments, dams, ventilation shafts, entryways, refuse banks, dumps, stockpiles, overburden piles, spoil banks, culm banks, tailings, holes or depressions, repair areas, storage areas, processing areas, shipping areas and other areas upon which are sited structures, facilities, or other property or materials on the surface, but the regulations shall not be more stringent than those applied to strip mining of coal.

(2) The ***permit applicant*** [~~operator~~] shall file with the cabinet a reclamation bond payable to the Commonwealth of Kentucky with surety satisfactory to the cabinet in the sum to be determined by the cabinet for each acre or fraction thereof of the area of land affected, with a minimum bond of ten thousand dollars ($10,000) conditioned upon the faithful performance of the requirements set forth in this section and of the administrative regulations of the cabinet. The cabinet shall forfeit the entire amount of the bond for the

permit area or increment in the event of forfeiture. The cabinet shall accept, in lieu of the surety provided ***in this subsection*** [~~herein~~], the deposit by the operator of United States government securities, cash, or its equivalent in a sum equal to the principal amount of the required bond, or a self-bond pursuant to administrative regulations promulgated by the cabinet.

(3) In order to protect the stability of the land, the cabinet shall suspend underground mining activities under urbanized areas, and adjacent to industrial or commercial buildings, major impoundments, or permanent streams, if the cabinet finds imminent danger to inhabitants of the urbanized areas.

Section 21. KRS 350.230 is amended to read as follows:

Irrespective of date of issuance of a permit, all ***permittees,*** operators***, and persons*** shall immediately conform to any statutes enacted or regulations adopted on the effective date of ***the*** [~~such~~] statute or regulation. This section shall not require the regrading or replanting of any area on which ***the*** [~~such~~] work was satisfactorily performed prior to the effective date of the statute or regulation. The cabinet shall specify for every regulation promulgated pursuant to this chapter the effective date of such regulation. However, the cabinet may specify a reasonable period of time in which ***permittees, persons, and*** operators shall conform to any regulations adopted when it finds that such conformance time is reasonably necessary.

Section 22. KRS 350.255 is amended to read as follows:

(1) Any person may petition the secretary of the Natural Resources and Environmental Protection Cabinet to initiate a proceeding for the issuance, amendment or repeal of any regulation under this chapter.

(a) Notice and an opportunity shall be provided for the petitioner and any person wishing to participate to be heard at a public hearing within thirty (30) days following the filing of the petition on the facts, technical justification and law alleged in the petition.

(b) The secretary shall render a final order in writing within thirty (30) days after the hearing granting or denying the petition on grounds that there is a reasonable basis for the petitioned rule change, or is not, or that it is required or prohibited by law and setting forth the reasons for the decision.

(c) The secretary shall initiate a rulemaking proceeding pursuant to KRS Chapter 13A within thirty (30) days after a petition is granted proposing the issuance, amendment or repeal of the petitioned regulations in conformity with the final order.

(d) Any participant in the petition proceedings may seek review in the Circuit Court of Franklin County of a final order of the secretary denying all or any portion of the action requested in a petition.

(2) The cabinet shall promulgate regulations pursuant to the provisions set forth in this chapter establishing formal and informal hearing and conference procedures whereby any such hearing or conference shall upon the written request of the ***permittee,*** operator, ***or person*** be held in the county or regional office where the surface coal mining operation is located, before an impartial hearing officer who is independent of any prosecutorial functions of the cabinet. The procedures developed pursuant to this subsection will provide that ***the*** [~~such~~] hearings and conferences be held in the most expeditious manner possible within the minimum time constraints established under this chapter; all such actions shall be adjudicatory in nature; and no person who presided at a prior hearing or conference shall either preside at a subsequent hearing in the same matter or participate in any further decision or any subsequent administrative appeal. No regulation or administrative practice relating to conferences or hearings shall authorize the imposition or collection of a civil penalty, or the compromise of a dispute relating to an alleged violation, by any cabinet personnel other than an independent, impartial hearing officer in the course of a formal or informal hearing or conference.

Section 23. KRS 350.405 is amended to read as follows:

The ***permittee or person*** [~~operator~~] shall restore the land affected to a condition capable of supporting the uses which it was capable of supporting prior to any mining, or higher or better uses of which there is reasonable likelihood, so long as ***the*** [~~such~~] use or uses do not present any actual or probable hazard to public health or safety or pose any actual or probable threat of water diminution or pollution, and the permit applicant's declared proposed land use following reclamation is not deemed to be impractical or unreasonable, inconsistent with applicable land use policies and plans, involves unreasonable delay in implementation, or is violative of federal, state, or local law.

Section 24. KRS 350.410 is amended to read as follows:

Except as provided in KRS 350.450(2)(a) to (e), the ***permittee,*** operator***, or person*** shall with respect to all surface coal mining operations backfill, compact (where advisable to insure stability or to prevent leaching of toxic materials), and grade in order to restore the approximate original contour of the land with all highwalls, spoil piles, and depressions eliminated (unless small depressions are needed in order to retain moisture to assist revegetation or as otherwise authorized pursuant to this chapter); provided, however, that in surface coal mining which is carried out at the same location over a substantial period of time where the operation transects the coal deposit, and the thickness of the coal deposits relative to the volume of the overburden is large and where the ***permittee or*** operator demonstrates that the overburden and other spoil and waste materials at a particular point in the permit area or otherwise available from the entire permit area is insufficient, giving due consideration to volumetric expansion, to restore the approximate original contour, the operator, at a minimum, shall backfill, grade, and compact (where advisable) using all available overburden and other spoil and waste materials to attain the lowest practicable grade but not more than the angle of repose, to provide adequate drainage and to cover all acid-forming and other toxic materials, in order to achieve an ecologically sound land use compatible with the surrounding region; and, provided further, that in surface coal mining where the volume of overburden is large relative to the thickness of the coal deposit and where the ***permittee or*** operator demonstrates that due to volumetric expansion the amount of overburden and other spoil and waste materials removed in the course of the mining operation is more than sufficient to restore the approximate original contour, the ***permittee or*** operator shall after restoring the approximate contour, backfill, grade, and compact (where advisable) the excess overburden and other spoil and waste materials to attain the lowest grade but not more than the angle of repose, and to cover all acid-forming and other toxic materials, in order to achieve an ecologically sound land use compatible with the surrounding region and that ***the*** [~~such~~] overburden or spoil shall be shaped and graded in such a way as to prevent slides, erosion, and water pollution and shall be revegetated in accordance with the requirements of this chapter.

Section 25. KRS 350.415 is amended to read as follows:

The ***permittee or*** operator shall remove the topsoil from the land in a separate layer, replace it on the backfill area, or if not utilized immediately, segregate it in a separate pile from other spoil and when the topsoil is not replaced on a backfill area within a time short enough to avoid deterioration of the topsoil, maintain a successful cover by quick growing plant or other means thereafter so that the topsoil is preserved from wind and water erosion, remains free of any contamination by other acid or toxic material, and is in a usable condition for sustaining vegetation when restored during reclamation, except if topsoil is of insufficient quantity or of poor quality for sustaining vegetation, or if other strata can be shown to be more suitable for vegetation requirements, then the operator shall remove, segregate, and preserve in a like manner such other strata which ***are*** [~~is~~] best able to support vegetation. Or where topsoil is of insufficient quantity or of poor quality for sustaining vegetation, the ***permittee or*** operator may, with the approval of the cabinet, employ the technology required to utilize alternative soil materials approved by the cabinet or soil amendments necessary to sustain vegetation in accordance with the requirements of this chapter.

Section 26. KRS 350.420 is amended to read as follows:

The ***permittee,*** operator***, or person*** shall minimize disturbances to the prevailing hydrologic balance at the mine site and in associated offsite areas and to the quality and quantity of water in surface and ground water systems both during and after surface coal mining operations and during reclamation by:

(1) Avoiding acid or other toxic mine drainage by such measures as, but not limited to:

(a) Preventing or removing water from contact with toxic producing deposits;

(b) Treating drainage to reduce toxic content which adversely affects downstream water upon being released to watercourses; and

(c) Casing, sealing, or otherwise managing boreholes, shafts, and wells and keeping acid or other toxic drainage from entering ground and surface waters;

(2) Conducting surface coal mining operations so as to prevent, to the extent possible using the best technology currently available, additional contributions of suspended solids to streamflow, or runoff outside the permit area, but in no event shall contributions be in excess of requirements set by applicable state or federal law;

(3) Constructing any siltation structures pursuant to subsection (2) of this section prior to commencement of surface coal mining operations, ***the*** [~~such~~] structures to be certified by a qualified registered engineer to be constructed as designed and as approved in the reclamation plan;

(4) Cleaning out and removing temporary or large settling ponds or other siltation structures from drainways after disturbed areas are revegetated and stabilized, and depositing the silt and debris at a site and in a manner approved by the cabinet, however, settling ponds and siltation structures may be left and not removed if determined to be safe and written approval is granted by the cabinet pursuant to its regulations;

(5) Restoring recharge capacity of the mined area to approximate premining conditions;

(6) Avoiding channel deepening or enlargement in operations requiring the discharge of water from mines; and

(7) Such other actions as the cabinet may prescribe.

Section 27. KRS 350.421 is amended to read as follows:

(1) Nothing in this chapter shall be construed as affecting in any way the right of any person to enforce or protect, under applicable law, his interest in water resources affected by a surface coal mining operation.

(2) Each ***permittee or*** operator of a surface coal mine shall replace the water supply of an owner of interest in real property who obtains all or part of his supply of water for domestic, agricultural, industrial or other legitimate use from an underground or surface source where ***the*** [~~such~~] supply has been affected by contamination, diminution, or interruption proximately resulting from ***the*** [~~such~~] surface coal mine operation.

Section 28. KRS 350.425 is amended to read as follows:

The ***permittee,*** operator***, or other person*** shall design, locate, construct, operate, maintain, enlarge, modify, and remove or abandon, in accordance with the standards and criteria developed pursuant to subsection (f) of Section 515 of Public Law 95-87, "Surface Mining Control and Reclamation Act of 1977," all existing and new coal mine waste piles consisting of mine wastes, tailings, coal processing wastes, or other liquid and solid wastes, and used either temporarily or permanently as dams or embankments. The Kentucky Department of Surface Mining through this chapter shall have exclusive jurisdiction over KRS Chapter 151 concerning the regulation of dams, levees, embankments, dikes, bridges, fills, or other obstructions across or along any stream or in the floodway of any stream, which structures or obstructions are permitted under this chapter.

Section 29. KRS 350.430 is amended to read as follows:

The ***permittee or*** operator shall:

(1) Provide adequate advance written notice to local governments and residents who might be affected by the use of such explosives by publication of the planned blasting schedule in a newspaper of general circulation in the locality and by mailing a copy of the proposed blasting schedule to every resident living within one-half (1/2) mile of the proposed blasting site and by providing daily notice to resident/occupiers in ***the*** [~~such~~] areas prior to any blasting;

(2) Maintain for a period of at least three (3) years and make available for public inspection upon request a log detailing the location of the blasts, the pattern and depth of the drill holes, the amount of explosives used per hole, and the order and length of delay in the blasts;

(3) Limit the type of explosives and detonating equipment, the size, the timing and frequency of blasts based upon the physical conditions of the site so as to prevent injury to persons, damage to public and private property outside the permit area, adverse impacts on any underground mine, and change in the course, channel, or availability of ground or surface water outside the permit area;

(4) Require that all blasting operations be conducted by trained and competent persons as certified by the Department of Mines and Minerals; and

(5) Provide that upon the request of a resident or owner of a man-made dwelling or structure within one-half (1/2) mile of any portion of the permitted area the applicant or permittee shall conduct a preblasting survey of ***the*** [~~such~~] structures and submit the survey to the department and a copy to the resident or owner making the request. The area of the survey shall be decided by the department and shall include such provisions as the department shall promulgate. The cabinet and the Department of Mines and Minerals are authorized to enter into agreements whereby the cabinet or the Department of Mines and Minerals administers part or all of this section.

(6) Penalties for violations of this section are those set forth in KRS 350.990.

Section 30. KRS 350.435 is amended to read as follows:

The ***permittee or other person*** [~~operator~~] shall establish on the regraded areas, and all other lands affected, a diverse, effective, and permanent vegetative cover of the same seasonal variety native to the area of land to be affected and capable of self-regeneration and plant succession at least equal in extent of cover to the natural vegetation of the area; except, that introduced species may be used in the revegetation process where desirable and necessary to achieve the approved postmining land use plan.

Section 31. KRS 350.440 is amended to read as follows:

The ***permittee or*** operator shall place all excess spoil material resulting from surface coal mining and reclamation operations pursuant to this chapter in the following manner:

(1) Spoil is transported and placed in a controlled manner in position for concurrent compaction (where advisable) and in such a way as to assure mass stability and to prevent mass movement;

(2) The areas of disposal are within the bonded permit areas and all organic matter shall be removed immediately prior to spoil placement;

(3) Appropriate surface and internal drainage systems and diversion ditches are used so as to prevent spoil erosion and movement;

(4) The disposal area does not contain springs, natural watercourses, or wet-weather seeps unless lateral drains are constructed from the wet area to the main underdrains in such a manner that filtration of the water into the spoil pile will be prevented;

(5) If placed on a slope, the spoil is placed upon the most moderate slope among those upon which, in the judgment of the cabinet, the spoil could be placed in compliance with all the requirements of this chapter and shall be placed, where possible, upon, or above, a natural terrace, bench, or berm, if ***the*** [~~such~~] placement provides additional stability and prevents mass movement;

(6) Where the toe of the spoil rests on a downslope, a rock toe buttress of sufficient size to prevent mass movement is constructed;

(7) The final configuration is compatible with the natural drainage pattern and surroundings and suitable for intended uses;

(8) Design of the spoil disposal area is certified by a qualified registered professional engineer in conformance with professional standards; and

(9) All other provisions of this chapter are met.

Section 32. KRS 350.445 is amended to read as follows:

The following performance standards shall be applicable to steep-slope strip mining and shall be in addition to those general performance standards required by KRS 350.405 to 350.435; provided, however, that the provisions of this section shall not apply to those situations in which ***a permittee or*** [~~an~~] operator is mining on flat or gently rolling terrain, on which an occasional steep slope is encountered through which the mining operation is to proceed, leaving a plain or predominantly flat area, or where ***a permittee or*** [~~an~~] operator is in compliance with the provisions of KRS 350.450(2):

(1) The ***permittee or*** operator shall insure that when performing strip mining on steep slopes, debris, abandoned or disabled equipment, spoil material, or waste mineral matter not be placed on the downslope below the bench or mining cut; provided, that spoil material in excess of that required for the reconstruction of the approximate original contour under the provisions of KRS 350.410 or 350.445(2) shall be permanently stored pursuant to KRS 350.440.

(2) The ***permittee or*** operator shall complete backfilling with spoil material and shall be required to cover completely the highwall and return the site to the approximate original contour, which material will maintain stability following mining and reclamation.

(3) The ***permittee or*** operator may not disturb land above the top of the highwall unless the cabinet finds that the disturbance will facilitate compliance with the environmental protection standards of this subsection; provided, however, that the land disturbed above the highwall shall be limited to that amount necessary to facilitate compliance.

(4) For the purposes of this section, the term "steep slope" is any slope above twenty (20) degrees or such lesser slope as may be defined by the cabinet, by regulation, after consideration of soil, climate, and other characteristics of the region.

Section 33. KRS 350.455 is amended to read as follows:

If authorized in the approved mining and reclamation plan and permit, the ***permittee or*** operator may create permanent impoundments of water on mining sites as part of reclamation activities only when it is adequately demonstrated that:

(1) The size of the impoundment is adequate for its intended purposes;

(2) The impoundment dam construction will be so designed as to achieve necessary stability with an adequate margin of safety compatible with that of structures constructed under Public Law 83-566 (16 U.S.C. 1006);

(3) The quality of impounded water will be suitable on a permanent basis for its intended use and that discharges from the impoundment will not degrade the water quality below water quality standards established pursuant to applicable federal and state law in the receiving stream;

(4) The level of water will be reasonably stable;

(5) Final grading will provide adequate safety and access for proposed water users; and

(6) ***The*** [~~Such~~] water impoundments will not result in the diminution of the quality or quantity of water utilized by adjacent or surrounding landowners for agricultural, industrial, recreational, or domestic uses.

Section 34. KRS 350.465 is amended to read as follows:

(1) The provisions of this section and regulations promulgated pursuant thereto, [~~(~~]except with regard to the mining of clay, limestone, sand, gravel, fluorspar, stone, and rock asphalt,[~~)~~] shall apply to the regulation of all surface coal mining and reclamation operations in the Commonwealth in the event that the Commonwealth receives from the United States Department of Interior and pursuant to the Surface Mining Control and Reclamation Act of 1977, [~~(~~]PL 95-87,[~~)~~] approval of a permanent state regulatory program, and the Commonwealth has promulgated regulations pursuant to this section.

(2) The Natural Resources and Environmental Protection Cabinet is hereby authorized and directed to prepare, develop and promulgate a comprehensive permanent regulatory program for the implementation of the Surface Mining Control and Reclamation Act of 1977, [~~(~~]PL 95-87,[~~)~~] for the purpose of accepting and administering primary enforcement responsibilities pursuant to that act. The implementation of this section shall contain procedures similar to the Surface Mining Control and Reclamation Act of 1977, [~~(~~]PL 95-87,[~~)~~] and shall require surface coal mining operation performance standards no more stringent than provided for in that act. Nothing ***in this section*** [~~herein~~] shall be construed to empower the cabinet to adopt a regulatory program in conflict with the policy and purposes of the Surface Mining Control and Reclamation Act of 1977, [~~(~~]PL 95-87[~~)~~]. To that end, the Natural Resources and Environmental Protection Cabinet shall include in its permanent regulatory program:

(a) Environmental protection performance standards to prevent or minimize the adverse environmental effects of surface coal mining and reclamation operations on the land and water resources of the Commonwealth.

(b) A procedure for designating as being unsuitable for mining certain lands because of their topographical, geological, hydrological, climatological, biological, or chemical characteristics or historical, cultural, scientific or aesthetic values.

(c) Procedures and regulations for the allowance of those persons having an interest which is or may be adversely affected to have the opportunity to be heard at every significant or critical part of the administrative and judicial process, including, but not limited to, the permit review and issuance process, the general enforcement process and hearings incident thereto, and the rulemaking procedures conducted by the cabinet; and procedures and regulations for persons having a valid legal interest which is or may be adversely affected by the setting, release, and inspection of bonds to have an opportunity to be heard at every significant or critical part of the administrative and judicial process relating to bonds. ***The*** [~~Such~~] regulations shall provide reasonable procedures for notice and an opportunity to be heard, access to minesites, access to records, and other reasonable procedures to accomplish the purposes of this chapter.

(d) Procedures for the administrative and judicial review of all actions of the cabinet to administer and enforce the provisions of this chapter, including the award of costs and expenses***,*** [~~(~~]including attorney's fees and expert witness fees***,***[~~)~~] by the cabinet or the court.

(e) Plans and procedures for the reclamation and restoration of land and water resources affected by mining which have been abandoned or inadequately reclaimed to the standards imposed by this section and for which no bond is held or legal obligation to reclaim continues. ***The*** [~~Such~~] plan shall include provisions for the imposition of liens for necessary reclamation expenditures made on private property.

(f) Procedures for the assumption of the small operator assistance program pursuant to the Surface Mining Control and Reclamation Act of 1977***,*** [~~(~~]PL 95-87[~~)~~]. The cabinet shall assume and implement that program and apply for and administer funds as may be provided pursuant to that act and such state funds as may be provided for the program.

(3) In addition to any other authority, power and duty vested in it by law, the cabinet shall have and exercise broad authority, power and duty to:

(a) Require those persons who wish to engage in surface coal mining and reclamation operations to submit application for a permit from the cabinet to conduct ***the*** [~~such~~] operations, and to include in that application all information required by the cabinet pertaining to that operation.

(b) Issue, deny, or modify under such conditions as the cabinet may prescribe, permits to conduct surface coal mining and reclamation operations within the Commonwealth.

(c) Enter and inspect any permitted surface coal mining and reclamation operation or any known or suspected unpermitted mining operation for the purpose of ascertaining compliance with any provision of this chapter or of the permit.

(d) Order the cessation of mining activities, and if necessary impose affirmative abatement obligations, upon the ***permittee,*** operator***, or person*** when, upon inspection, the cabinet determines that this section or any permit condition is being or has been violated so as to constitute an imminent and inordinate peril to the welfare of the Commonwealth.

(e) Order ***a person, permittee, or*** an operator to comply with the requirements of this section or his permit if inspection reveals a violation of the conditions of his permit or of any provision of this section.

(f) Order ***a permittee*** [~~an operator~~] to appear and show cause why his permit should not be suspended or revoked and his bond forfeited if the cabinet determines that the ***permittee or*** operator or the permitted operation has a pattern of violations of this section or permit conditions, and has willfully violated this section or permit conditions or a pattern of violations exists and that ***the*** [~~such~~] violations are caused by the ***operators' or permittee's*** [~~permittees'~~] unwarranted failure to comply with this section or permit conditions.

(g) Require, increase, release or decrease, under such conditions as the cabinet may prescribe reclamation performance bonds and cause the forfeiture and collection of those bonds where the permittee has abandoned the operation or for which the permit under which the bond was given has been revoked or has expired without the required reclamation.

(h) To administratively impose, in lieu of those civil penalties provided for in KRS 350.990, civil penalties of up to five thousand dollars ($5,000) per day for violations of permit conditions, this section, or any orders of the cabinet and enforce the administrative assessment of ***the*** [~~such~~] penalties by initiating civil action in the Franklin Circuit Court or in any court having jurisdiction of the defendant.

(i) Conduct hearings and make investigations of any matter relating to the regulation of surface coal mining and reclamation operations, and provide for the assessment and payment of civil penalties including the placement of proposed civil penalty assessments into an escrow account prior to a contest on the amount of the assessment, consistent with the process of law.

(j) Provide for variances or exceptions consistent with KRS 350.450 from or in addition to mining performance standards, recognizing the specific characteristics inherent in:

1. Steep slope mining;

2. Mountaintop removal;

3. Relatively low acreage disturbance or annual coal production;

4. Prime farmland mining as defined by the United States Department of Agriculture, and to provide for other variances where land uses and watersheds will be improved; and

5. Post-mining uses different from and as beneficial as the pre-mining uses.

(k) Receive and expend funds or aid from whatever source to accomplish the purposes of this chapter.

(l) Propose and promulgate regulations to accomplish the purposes of this section.

(4) The cabinet shall not promulgate regulations which are inconsistent with the Surface Mining Control and Reclamation Act of 1977**,** [~~(~~]PL 95-87[~~)~~].

(5) Any person who violates a provision of this section or the regulations promulgated pursuant thereto shall be subject to those penalties and remedies set forth in KRS 350.990 except as provided for in subsection (3)(h) ***of this section*** [~~herein~~].

Section 35. KRS 350.990 is amended to read as follows:

(1) Any ***permittee,*** person**,** or operator who violates any of the provisions of this chapter or regulations adopted pursuant thereto or who fails to perform the duties imposed by these provisions, except the refusal or failure to obtain a permit or other authorization as provided in this chapter, or who violates any determination or order promulgated pursuant to the provisions of this chapter, may be liable to a civil penalty of not more than five thousand dollars ($5,000) for the violation, and an additional civil penalty of not more than five thousand dollars ($5,000) for each day during which the violation continues, and in addition, may be enjoined from continuing the violations provided in this section. Any ***permittee,*** operator**,** or person who fails to abate a violation noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period prescribed for the abatement shall be assessed a civil penalty of not less than seven hundred fifty dollars ($750) for each day during which the violation continues. A civil penalty of not more than five thousand dollars ($5,000) for each day shall be assessed against any person issued an order pursuant to KRS 350.130(4). Each day of continuing violation may be deemed a separate violation for purposes of penalty assessment. The cabinet shall develop a method for calculating monetary penalties and shall promulgate it as an administrative regulation. The secretary or a designated representative, upon his or her own initiative or upon written request received within fifteen (15) days after the cabinet mails its proposed penalty assessment, may waive the use of the method for calculating monetary penalties if he or she determines that, taking into account exceptional factors present in the particular case, the penalty is demonstrably unjust. The basis for every waiver shall be fully explained and documented in the records of the case. If the secretary or his or her designated representative waives the use of the formula, he or she shall determine the appropriate penalty upon consideration of the permittee's history of previous violations at the particular surface coal mining operation, the seriousness of the violation, whether the permittee was negligent, and the demonstrated good faith of the permittee charged in attempting to achieve rapid compliance after notification of the violation. The penalties shall be recoverable in an action brought in the name of the Commonwealth of Kentucky by the cabinet's Department of Law. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet for the enforcement of the provisions of this chapter or the orders and administrative regulations of the cabinet promulgated pursuant thereto. All sums recovered shall be placed in the State Treasury, except those moneys collected in excess of eight hundred thousand dollars ($800,000) in any fiscal year shall be deposited in the bond pool fund for purposes set forth in KRS 350.595 and 350.700 to 350.755. All moneys previously deposited in the abandoned mine land enhancement fund shall be redeposited in the bond pool fund.

(2) Any person ***or operator*** who engages in surface coal mining operations without first securing a permit, as provided in KRS 350.060, or any person who engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or administrative regulations promulgated pursuant thereto, or any person ***or operator*** who engages in other mining operations, without proper authorization as required by this chapter or administrative regulations promulgated pursuant thereto, shall be liable to a civil penalty for damages to the Commonwealth of not less than five thousand dollars ($5,000) nor more than twenty-five thousand dollars ($25,000) and in addition, may be enjoined from continuing the violations. Each day shall constitute a separate violation. In addition to the foregoing penalties, any ***permittee,*** person**,** or operator who fails to abate a violation of KRS 350.060 or KRS 350.029 or KRS 350.057, as noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period prescribed for the abatement, shall be assessed an additional civil penalty of not less than seven hundred and fifty dollars ($750) for each day during which the violation continues. However, the penalties provided in subsection (1) of this section shall apply in lieu of the penalties provided in this subsection where an operator ***or permittee*** through inadvertence has exceeded the boundaries or expiration date of the permit in effect at that time.

(3) The cabinet's Department of Law shall bring an action for the recovery of penalties and bring an action for a restraining order, temporary or permanent injunction, against any ***permittee,*** operator, or person violating or threatening to violate any of the provisions of this chapter or violating or threatening to violate any order or determination promulgated pursuant to the provisions of this chapter. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet for the enforcement of the provisions of this chapter or the orders, and administrative regulations of the cabinet promulgated pursuant thereto.

(4) Any ***permittee, operator, or*** person who knowingly and willfully violates any of the provisions of this chapter, except as provided in subsection (5) of this section, or any determination or order promulgated pursuant to the sections of this chapter which have become final, shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not more than ten thousand dollars ($10,000) or by imprisonment for not more than one (1) year, or both. Each day on which the violation occurs may constitute a separate offense.

(5) (a) Any person ***or operator*** who, in violation of KRS 350.060(1)(a) willfully and knowingly engages in surface coal mining operations without first obtaining a permit from the cabinet, or any person ***or operator*** who willfully and knowingly engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or administrative regulations promulgated pursuant thereto, or any person ***or operator*** who willfully and knowingly engages in other mining operations without proper authorization as required by this chapter or administrative regulations promulgated pursuant thereto, with the intent to violate the laws, shall be guilty of a Class D felony and upon conviction shall be imprisoned for at least one (1) but not more than five (5) years and may be fined an amount not to exceed ten thousand dollars ($10,000).

(b) Any person ***or operator*** who in violation of KRS 350.060(1)(b) willfully and knowingly receives, transports, sells, conveys, transfers, trades, exchanges, donates, purchases, delivers, or in any way derives benefit from coal removed from any surface mining operations conducted in violation of KRS 350.060(1)(a) or 350.057 shall be guilty of a Class D felony and upon conviction thereof shall be imprisoned for at least one (1) but not more than five (5) years and may be fined an amount not to exceed ten thousand dollars ($10,000).

(6) Any person who violates any of the provisions of KRS 350.600 or administrative regulations promulgated pursuant thereto shall be subject to civil penalties of not more than twenty-five thousand dollars ($25,000). Each day of continuing violation shall be deemed a separate violation.

(7) Any ***permittee, operator, or*** person who knowingly makes any false statement, representation or certification, or knowingly fails to make any statement, representation, or certification in any application, record, report, plan, or other document filed or required to be maintained by the cabinet, shall upon conviction be guilty of a misdemeanor and shall be imprisoned for a term of up to one (1) year, or be fined not more than ten thousand dollars ($10,000), or both.

(8) Except as permitted by law, any ***permittee, operator, or*** person who willfully and knowingly resists, prevents, impedes, or interferes with the secretary or other personnel of the cabinet in the performance of duties pursuant to this chapter shall, upon conviction, be fined not more than five thousand dollars ($5,000) or imprisoned for not more than one (1) year, or both.

(9) When a corporate permittee violates any provision of this chapter or administrative regulation issued pursuant thereto or fails or refuses to comply with any final order issued by the secretary, any director, officer, or agent of the corporation who willfully and knowingly authorized, ordered, or carried out the violation, failure, or refusal shall be subject to the same civil penalties, fines, and imprisonment as may be imposed upon a person pursuant to this section.

(10) Upon notice by the secretary that any surety has failed to comply with the provisions of KRS 350.032(3), the commissioner of the Kentucky Department of Insurance shall revoke the surety's certificate of authority to conduct insurance business within the Commonwealth of Kentucky.

(11) The cabinet, upon written request by any ***permittee,*** person, or operator subject to any penalty assessment under this section and pursuant to procedures, if any, set forth by administrative regulation and after consultation with the local county fiscal court, may allow as an alternative to the payment of any assessed penalty under this section the performance of in-kind reclamation, environmental rehabilitation, or similar action to correct environmental pollution. The in-kind work shall not substitute for those remedial measures mandated by the cabinet for the correction of any violations. The estimated cost of the in-kind work shall be greater than the penalty assessment. The cabinet Division of Abandoned Lands shall have the authority to approve proposed in-kind projects and to recommend projects to the cabinet, and shall determine whether

the estimated cost of the in-kind work exceeds the penalty assessment. For the purposes of this subsection, the cost of the in-kind work shall include only those expenditures for actual on-site reclamation or rehabilitation work, including direct equipment, personnel and material cost, but excluding administrative overhead or transportation costs. Failure to perform the in-kind work as agreed upon by the person or operator subject to the penalty assessment shall reinstate the liability of the person, ***permittee,*** or operator for the full amount of the assessed penalty. The cabinet may prepare and promulgate administrative regulations as are necessary to implement and administer the provisions of this subsection.

SB 318, AN ACT relating to surface mining.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 350 IS CREATED TO READ AS FOLLOWS:

(1) All hearings, other than conferences, under this chapter shall be held before a hearing officer, duly qualified to practice law in the Commonwealth of Kentucky, who may be a full-time employee of the cabinet, serve by contract, or be paid on a per diem basis in the discretion of the cabinet. After the conclusion of the hearing, the hearing officer shall within thirty (30) days make to the secretary a report and recommended order which shall contain a finding of fact and a conclusion of law. If the secretary finds upon written request of the hearing officer that additional time is needed, the secretary may grant an extension. The hearing officer shall serve a copy of his report and recommended order upon all parties of record and their attorney of record to the proceeding, and they shall be granted the right to file exceptions thereto within fourteen (14) days of service. Any party may submit a written response to exceptions within twenty-one (21) days of service of the report and recommended order. Exceptions and responses not timely filed shall be noted and made a part of the record but shall not be considered by the secretary in making a final order. The secretary shall consider the report, exceptions, and recommended order and decide the case. The decision shall be served by mail upon all parties and their attorney of record and shall be a final order of the cabinet.

(2) Any party to a hearing under this subsection may be represented by counsel, may make oral or written argument, offer testimony, cross-examine witnesses, or take any combination of these actions. The record of the hearing shall be open to public inspection, and copies thereof shall be made available to any person upon payment of the actual cost of reproducing the original.

(3) All hearings conducted pursuant to this chapter shall be open to the public except as may be ordered by the hearing officer.

(4) The cabinet shall promulgate administrative regulations, pursuant to the provisions set forth in this chapter, establishing formal and informal hearing procedures by which any hearing shall, upon the written request of the operator, permittee, or person, be held in the county or regional office where the surface coal mining operation is located, before an impartial hearing officer who is independent of any prosecutorial functions of the cabinet. The administrative regulations shall provide for the conduct of hearings and investigation of any matter relating to the regulation of surface coal mining and reclamation operations; provide for the assessment and payment of civil penalties, including the placement of proposed civil penalty assessments into an escrow account prior to a formal hearing on the amount of the assessment; and provide for a waiver of the placement of the proposed civil penalties into escrow for those individuals who demonstrate with substantial evidence an inability to pay the proposed civil penalties into escrow. The procedures developed pursuant to this subsection shall provide that the hearings be held in the most expeditious manner possible within the time constraints established under this chapter. No person who presided at a prior hearing shall either preside at a subsequent hearing or participate in any further decision or subsequent administrative appeal in the same matter.

(5) The cabinet may promulgate administrative regulations pursuant to the provisions set forth in this chapter establishing procedures for the holding of administrative conferences needed to implement the provisions of this chapter.

SECTION 2. A NEW SECTION OF KRS CHAPTER 350 IS CREATED TO READ AS FOLLOWS:

(1) Any person who considers himself aggrieved by any determination made by the cabinet under this chapter may file, in accordance with regulations promulgated by the cabinet under the provisions of KRS Chapter 350, a petititon alleging that the determination is contrary to law or fact and is injurious to him, the grounds and reasons therefor, and demand a hearing. Unless the cabinet considers that the petition is frivolous, it shall serve written notice of the petition on each person named therein and shall schedule a hearing before the cabinet not less than twenty-one (21) days after the date of the notice unless the person complained against waives in writing the twenty-one (21) day period. The right to demand a hearing

pursuant to this section shall be limited to a period of thirty (30) days after the petitioner has had actual notice of the determination complained of, or could reasonably have had notice.

(2) Any party aggrieved by a final order resulting from the hearing conducted pursuant to this section may appeal to the Franklin Circuit Court. The appeal shall be taken within thirty (30) days from the rendition of the final order. The party or parties affected by the final order shall file in the Circuit Court a petition which states fully the grounds upon which a review is sought and shall assign all errors relied on. The cabinet shall be named respondent, and service shall be had on the cabinet. Summons shall issue upon the petition directing the cabinet to send its entire record, properly bound, to the clerk of the Circuit Court after certifying that the record is its entire original record or a true copy. The record, when filed, shall become official and be considered by the Circuit Court on the review. After the case has been properly docketed in the Circuit Court, any party directly affected by the issues on appeal, may, upon notice to the parties, upon proper showing, and in the discretion of the court, be permitted to intervene. The court shall review the entire record and the findings and final order of the cabinet. No objection to the final order shall be considered by the court unless it was raised before the cabinet or there were reasonable grounds for failure to do so. The findings of the cabinet as to the facts, if supported by substantial evidence, shall be conclusive. The commencement of the proceedings under this section shall not operate as a stay of the cabinet's final order unless specifically ordered by the court. Appeals to the Court of Appeals from orders of the Circuit Court shall be taken in the manner provided in the Kentucky Rules of Civil Procedure.

Section 3. KRS 350.028 is amended to read as follows:

The Natural Resources and Environmental Protection Cabinet shall have and exercise the following authority and powers:

(1) To adopt ***administrative*** [~~rules and~~] regulations after a hearing pertaining to surface coal mining operations including strip mining and the surface effects of underground mining to accomplish the purposes of this chapter;

(2) To conduct investigations and hearings under provisions of this chapter [~~and KRS Chapter 224~~] or regulations adopted pursuant thereto;

(3) To issue, after an opportunity for a hearing, suspension orders or show cause orders requiring an operator to adopt [~~such~~] remedial measures ***that*** [~~as~~] are necessary to comply with this chapter and ***administrative*** regulations adopted pursuant thereto.[~~, provided that~~] Failure to attend a hearing shall be excused for good cause shown;

(4) To issue after an opportunity for a hearing, a final order imposing civil penalties for violations of this chapter or directing the Kentucky Bureau of Surface Mining Reclamation and Enforcement to revoke a permit, when the requirements set forth by the notice of noncompliance, order of cessation, or an order of the cabinet requiring remedial measures have not been complied with according to the terms therein.[~~, provided that~~] The secretary or his authorized representatives ***shall*** determine that a pattern of violations of the requirements of this chapter or any permit conditions required by this chapter exist or have existed, and [~~if the secretary or his authorized representatives also find~~] that ***the*** [~~such~~] violations are caused by the unwarranted failure of the permittee to comply with any requirements of this chapter or any permit conditions or that ***the*** [~~such~~] violations are willfully caused by the permittee.[~~, provided further that~~] Failure to attend a hearing shall be excused for good cause shown; and

(5) To adopt ***administrative*** [~~rules and~~] regulations to allow the state to administer and enforce the initial and permanent regulatory programs of Public Law 95-87, "Surface Mining Control and Reclamation Act of 1977." [~~provided that such rules and~~] ***Administrative*** regulations shall be no more stringent than required by ***that*** [~~such~~] law.[~~; provided further that~~] Nothing in this chapter shall be construed as superseding, amending, modifying, or repealing any of the Acts listed in Section 702(a) of Public Law 95-87, or any ***administrative*** [~~rule or~~] regulation promulgated thereunder.

Section 4. KRS 350.090 is amended to read as follows:

(1) Under the provisions of this chapter and ***administrative*** regulations adopted by the cabinet, an operator shall prepare and carry out a method of operation, plan of grading and backfilling, and a reclamation plan for the area of land affected by his operation. In developing a method of operation, and the plans of backfilling, grading, and reclamation, all measures shall be taken to eliminate damages to members of the public, their real and personal property, public roads, streams, and all other public property from soil erosion, rolling stones and overburden, water pollution, and hazards dangerous to life and property. The permit application containing the required plans and other information as required shall be submitted to the cabinet and, except for applications or renewals submitted in compliance with KRS 350.060(2), the cabinet shall notify the applicant

by certified mail, return receipt requested, within sixty-five (65) cumulative working days after receipt of a complete application ***whether*** [~~if~~] it is [~~or is not~~] acceptable. ***If*** [~~In the event that~~] applicable notice, hearing, and conference procedures prevent a decision from being issued within the sixty-five (65) cumulative working day period, the cabinet shall have additional reasonable time to issue its decision, [~~but~~] not to exceed twenty (20) days from the completion of the notice, hearing, and conference procedures. If the permit application is not acceptable, the cabinet shall set forth the reasons for which the application or plans are not acceptable and it may propose modifications, delete areas, or reject the entire application. ***If***[~~Should~~] the applicant ***disagrees*** [~~disagree~~] with the decision of the cabinet, he may, by written notice, request a hearing conducted by the cabinet in the manner provided by ***Section 2 of this Act***[~~KRS 224.10-440~~]. The cabinet shall notify the applicant by certified mail, return receipt requested, within twenty (20) days after the hearing of its decision. Any person aggrieved by a final order of the cabinet may appeal through the courts as set forth in ***Section 2 of this Act***[~~KRS 224.10-470~~].

(2) If the operator desires to seek funds from the reclamation development fund to develop an economic development unit during reclamation, the operator shall submit, along with the reclamation plan, a reclamation development plan outlining the reclamation development project and showing how it will conform with the reclamation standards of this chapter.

(3) No operator shall throw, dump, pile, or permit the dumping, piling, or throwing, or otherwise placing any overburden, stones, rocks, coal, particles of coal, earth, soil, dirt, debris, trees, wood, logs, or any other materials or substances of any kind or nature beyond or outside of the area of land which is under permit and for which bond has been posted under KRS 350.060 or place ***the*** [~~such~~] materials herein described in [~~such~~] a way that normal erosion or slides brought about by natural physical causes will permit the materials to go beyond or outside of the area of land which is under permit and for which bond has been posted under KRS 350.060.

Section 5. KRS 350.255 is amended to read as follows:

(1) Any person may petition the secretary of the Natural Resources and Environmental Protection Cabinet to initiate a proceeding for the issuance, amendment, or repeal of any regulation under this chapter.

(a) Notice and an opportunity shall be provided for the petitioner and any person wishing to participate to be heard at a public hearing within thirty (30) days following the filing of the petition on the facts, technical justification, and law alleged in the petition.

(b) The secretary shall render a final order in writing within thirty (30) days after the hearing granting or denying the petition on grounds that there is a reasonable basis for the petitioned rule change, or is not, or that it is required or prohibited by law and setting forth the reasons for the decision.

(c) The secretary shall initiate a rulemaking proceeding pursuant to KRS Chapter 13A within thirty (30) days after a petition is granted proposing the issuance, amendment, or repeal of the petitioned regulations in conformity with the final order.

(d) Any participant in the petition proceedings may seek review in the Circuit Court of Franklin County of a final order of the secretary denying all or any portion of the action requested in a petition.

[~~(2) The cabinet shall promulgate regulations pursuant to the provisions set forth in this chapter establishing formal and informal hearing and conference procedures whereby any such hearing or conference shall upon the written request of the operator, be held in the county or regional office where the surface coal mining operation is located, before an impartial hearing officer who is independent of any prosecutorial functions of the cabinet. The procedures developed pursuant to this subsection will provide that such hearings and conferences be held in the most expeditious manner possible within the minimum time constraints established under this chapter; all such actions shall be adjudicatory in nature; and no person who presided at a prior hearing or conference shall either preside at a subsequent hearing in the same matter or participate in any further decision or any subsequent administrative appeal. No regulation or administrative practice relating to conferences or hearings shall authorize the imposition or collection of a civil penalty, or the compromise of a dispute relating to an alleged violation, by any cabinet personnel other than an independent, impartial hearing officer in the course of a formal or informal hearing or conference.~~]

HB 805, AN ACT relating to claims upon the treasury.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 44.072 is amended to read as follows:

It is the intention of the General Assembly to provide the means to enable a person negligently injured by the Commonwealth, any of its cabinets, departments, bureaus, or agencies, or any of its officers, agents, or employees while acting within the scope of their employment by the Commonwealth or any of its cabinets, departments, bureaus, or agencies to be able to assert their just claims as [~~herein~~] provided ***in this section and KRS 44.073***. The Commonwealth thereby waives the sovereign immunity defense only in the limited situations as herein set forth. It is further the intention of the General Assembly to otherwise expressly preserve the sovereign immunity of the Commonwealth, any of its cabinets, departments, bureaus, or agencies or any of its officers, agents, or employees while acting in the scope of their employment by the Commonwealth or any of its cabinets, departments, bureaus, or agencies in all other situations except where sovereign immunity is specifically and expressly waived as set forth by statute. ***It is the intention of the General Assembly to establish by statute the common law immunity of employees of the Commonwealth in their individual and in their official capacity in performance, supervision, administration, or planning of a discretionary public function while acting within the scope of their employment by the Commonwealth; and to define a discretionary public function. Any person who claims to be injured by a discretionary act shall have a remedy against the Commonwealth by an action in the Board of Claims.*** The Board of Claims shall have exclusive jurisdiction to hear claims for damages, except as otherwise specifically set forth by statute, against the Commonwealth, its cabinets, departments, bureaus, agencies, or any of its officers, agents, or employees, ***in their individual or official capacity in the performance, supervision, or planning of a discretionary public function*** while acting within the scope of their employment by the Commonwealth, its cabinets, departments, bureaus, or agencies.

Section 2. KRS 44.073 is amended to read as follows:

(1) For purposes of KRS 44.072, state institutions of higher education under KRS Chapter 164 are agencies of the state.

(2) The Board of Claims shall have primary and exclusive jurisdiction over all [~~negligence~~] claims for ***negligence*** [~~the negligent performance of ministerial acts~~] against the Commonwealth, any of its cabinets, departments, bureaus, or agencies, or any officers, agents, or employees thereof ***in their individual or official capacity in the performance, supervision, or planning of a discretionary public function*** while acting within the scope of their employment by the Commonwealth, or any of its cabinets, departments, bureaus, or agencies.

(3) ***"Discretionary public function" as used in this section means a state service affecting the public where the state employee may exercise reason and judgment in deciding how or whether an act should be performed. If the law prescribes and defines the duty to be performed with such precision and certainty as to leave nothing to the exercise of decision or judgment, the act is ministerial. A discretionary public function may be performed at the policy-making or the operational level, except the operation of a motor vehicle on a public highway shall not be considered a discretionary public function.***

(4) Any act of a state officer, agent, or employee performed in the course and scope of employment with the state shall be deemed to be performed in the person's official capacity and not in his individual capacity.

(5) The Board of Claims shall have primary and exclusive jurisdiction to make findings of fact, conclusions of law, and legal determinations with regard to whether the alleged negligent act was on the part of the Commonwealth, or any of its cabinets, departments, bureaus, or agencies, or any officers, agents or employees, thereof.

(6)[~~(4)~~] The Board of Claims shall have primary and exclusive jurisdiction to make findings of fact, conclusions of law, and legal determinations with regard to whether the alleged negligent act was on the part of the Commonwealth or any of its cabinets, departments, bureaus, or agencies, or any of its officers, agents, or employees while acting within the scope of their employment by the Commonwealth or any of its cabinets, departments, bureaus, or agencies.

(7)[~~(5)~~] No action for negligence against the Commonwealth, any of its cabinets, departments, bureaus, or agencies, or any officers, agents, or employees thereof may be brought initially in any other court or forum in the Commonwealth except the Board of Claims until the Board of Claims makes a determination, that has become final, that the Board of Claims has or does not have primary and exclusive jurisdiction over the claim.

(8)[~~(6)~~] The determination by the Board of Claims becomes final only after all appellate rights have been finalized or waived.

(9)[~~(7)~~] Any applicable statute of limitations for bringing negligence actions in any court or forum other than the Board of Claims shall be tolled pending the final determination that the Board of Claims does not have primary and exclusive jurisdiction of the negligence claim.

(10)[~~(8)~~] No action for negligence ***shall*** [~~may~~] be brought in any court or forum other than the Board of Claims against the Commonwealth, any of its cabinets, departments, bureaus, or agencies or ***against*** any of its officers, agents, or employees ***in the performance, supervision, or planning of a discretionary public function*** while acting within the scope of their employment by the Commonwealth, or any of its cabinets, departments, bureaus, or agencies.

(11)[~~(9)~~] Negligence as used herein includes negligence, gross negligence, or wanton negligence.

(12)[~~(10)~~] The defense of contributory negligence ***shall*** [~~is~~] not ***be*** a complete bar to recovery of plaintiff's claim in the Board of Claims and the doctrine of comparative negligence shall be utilized by the board.

(13)[~~(11)~~] Except as otherwise provided by KRS Chapter 44, nothing contained ***in this section or Section 1 of this Act*** [~~herein~~] shall be construed to be a waiver of sovereign immunity or any other immunity or privilege maintained by the Commonwealth, its cabinets, departments, bureaus, and agencies and its officers, agents, and employees.

(14)[~~(12)~~] Except as otherwise specifically set forth by statute and in reference to subsection ***(13)*** [~~(11)~~] of this section, no action for damages ***shall*** [~~may~~] be maintained in any court or forum against the Commonwealth, any of its cabinets, departments, bureaus, or agencies or any of its officers, agents, or employees while acting within their official capacity and scope of their employment by the Commonwealth or any of its cabinets, departments, bureaus, or agencies.

(15)[~~(13)~~] The preservation of sovereign immunity referred to in subsections ***(13)***[~~(11)~~] and ***(14)***[~~(12)~~] of this section includes, but is not limited to, the following:

(a) Discretionary acts or decisions;

(b) Executive decisions;

(c) Ministerial acts;

(d) Actions in the performance of obligations running to the public as a whole;

(e) Governmental performance of a self-imposed protective function to the public or citizens; and

(f) Administrative acts.

(16)[~~(14)~~] The filing of an action in court or any other forum or the purchase of liability insurance or the establishment of a fund for self-insurance by the Commonwealth, its cabinets, departments, bureaus, or agencies or its agents, officers, or employees [~~thereof~~] for a government related purpose or duty shall not be construed as a waiver of sovereign immunity or any other immunity or privilege [~~thereby held~~]. Except as specifically set forth by statute, no counterclaim, setoff, recoupment, cross-claim, or other form of avoidance of the claim for damages ***shall*** [~~may~~] be asserted by any person when suit is brought against ***the*** [~~said~~] person by the Commonwealth or any of its cabinets, departments, bureaus, or agencies thereof.

(17)[~~(15)~~] Neither the Commonwealth nor any of its cabinets, departments, bureaus, or agencies or any officers, agents, or employees thereof shall be liable under a respondeat superior theory or any other similar theory for the acts of independent contractors, contractors, or subcontractors thereof or anyone else doing work or providing services for the state on a volunteer basis or pursuant to a contract therewith.

Section 3. KRS 44.160 is amended to read as follows:

(1) Any action prosecuted to award, judgment, or final decision, including dismissal, under the provisions of KRS 44.070 to 44.160 shall preclude the right of a claimant to sue the Commonwealth, its cabinets, departments, bureaus, or agencies, or its officers, agents, or employees in the Board of Claims or any other forum, except as provided in KRS 44.073***(7)***[~~(5)~~] when the board determines that it has no jurisdiction over the claim.

(2) The final determination of the board shall be given the same res judicata and collateral estoppel effect as any other judicial determination; and, if entered as provided in KRS 44.130, it shall be granted the full faith and credit given to judgments from the Commonwealth's courts in this state and the courts of the United States.

The Committee Substitute to **HB 805** is as follows:

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

(24) If a final order of the board is appealed, a court shall award reasonable attorney fees to an employee who prevails by a final adjudication on the merits as provided by KRS 453.260. Such award shall not include attorney fees attributable to the hearing before the board.

(25) When any employee is dismissed and not ordered reinstated after such appeal, the board in its discretion may direct that his name be placed on an appropriate reemployment list for employment in any similar position other than the one from which he had been removed.

(8) All sums paid by the defendant pursuant to this section shall be paid into the general fund, except as provided in subsection (13) of this section.

(9) When granting a release of any defendant by way of probation, parole, or otherwise, the releasing authority shall make the payment of this fee a condition of release, unless the fee has been waived, reduced, or delayed as provided herein.[~~, and~~] Nonpayment shall be grounds for revocation of the release as provided in KRS 533.050.

(10) The releasing authority, if the ***Department of*** Corrections [~~cabinet~~] petitions the releasing authority to modify ***the*** [~~such~~] fee, shall consider the petition and may waive the payment of the fee in whole or in part, delay payment of the fee, increase the fee, or deny the petition.

A prisoner shall be placed on parole only when arrangements have been made for his proper employment or for his maintenance and care, and when the board believes he is able and willing to fulfill the obligations of a law abiding citizen.

(3) The board shall adopt ***administrative*** [~~rules or~~] regulations with respect to the eligibility of prisoners for parole, the conduct of parole and parole revocation hearings, or conditions to be imposed upon parolees. Persons appearing before the Parole Board pursuant to this subsection may elect to make their presentations outside of the presence of the prisoner.

Section 1. KRS 96.150 is amended to read as follows:

(1) Any city that owns or operates a water supply or sanitary sewer system may extend the system into, and furnish and sell water and provide sanitary sewers to any person within, any territory contiguous to the city, and may install within that territory necessary apparatus; provided, however, that the extension of a water supply or sanitary sewer system shall not enter into any territory served by an existing water supply or sanitary sewer district unless such district requests the extension of water or sewer services from a city. For these purposes the city or sanitation authority established by an interlocal agreement may condemn or otherwise acquire franchises, rights and rights of way, as private corporations may do.

(2) When extending the system to any person, water district, or water association, the city may consider the installation of fire hydrants on the extended lines. The city may extend water lines which are incapable of servicing fire hydrants only if the city determines that servicing hydrants is not feasible. The determination shall include consideration of the incremental costs of adequately sized pipe and associated pumps and towers, and the benefits of real estate development, water sales, the availability of fire protection insurance, and the reduction in fire insurance premiums which may result from the installation of hydrants at specified intervals. When extending lines to a water district or water association, the determination may be made in consultation with the district or association, taking into consideration their fiscal capacity.

Section 2. KRS 74.415 is amended to read as follows:

(1) The commissioners of a water district***, or the governing body of a water association referred to in KRS 74.012(1),*** in order to provide adequate means of fire protection, ***may consider the installation of fire hydrants on*** [~~may require minimum fire hydrant spacing for~~] new or extended water lines within their area. ***They may investigate the availability of supplementary funding to pay the incremental costs of line sizing and hydrant installation. The commissioners or governing body shall not eliminate fire hydrants from new or extended water lines unless they determine that hydrants are not feasible. Their analysis shall include consideration of the incremental costs of adequately sized pipe and associated pumps and towers, and the benefits of real estate development, water sales, the availability of fire protection insurance, and the reduced fire insurance premiums which may result from the installation of hydrants at specified intervals.***

(2) If a private real estate subdivision developer has not included adequately sized pipe and fire hydrants in his development plan, the commissioners of a water district or the governing body of a water association

which has the capacity to supply adequate water for fire hydrants shall require, at the time the developer applies for permission to hook into the district's water lines, an analysis by the developer of the incremental cost of hydrants and piping adequately sized for hydrants, the effect of hydrants on the cost and availability of fire protection insurance, and conclusions as to why the installation of hydrants is not feasible.

HB 754, AN ACT relating to group self-insurers.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF SUBTITLE 12 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) As used in this section, unless the context requires otherwise, "policy" means any contract or agreement between the group self-insurance trust fund and its members which describes the risks assumed by the trust fund and the terms and conditions thereof.

(2) Every group self-insurer issuing policies either on property, casualty, or automobile coverages according to the provisions of KRS 342.350(4) or KRS 304.1-120(6) shall, as a condition of doing business in this Commonwealth, give a copy to all applicants for group self-insurance coverage, and also have on file for public inspection at the Department of Insurance, a summary disclosure form containing a simple explanation of the major coverages and exclusions of these policies together with a recitation of typical factors considered in cancellation and nonrenewal situations and contingent liability to which members of the group may be subjected. Each summary disclosure form shall provide notice in bold face letters that the group self-insurance member shall read the policy for complete details, and the disclosure form shall not be construed to replace any provision of the policy itself. In the event of any conflict between the policy and the disclosure form, the provisions of the policy shall prevail.

(3) In the event any group self-insurer does not have or maintain the necessary minimum surplus funds, for each line of business in which it is engaged, required of a domestic mutual insurer as set forth in KRS Chapter 304, Subtitle 24, or if the group self-insurer is not a member of a validly organized and functioning guaranty association equal in duty and obligation to that required of such domestic mutual insurer, then that fact shall be prominently set forth in the disclosure material.

(4) The commissioner is authorized to adopt administrative regulations exempting any line of business or type of coverage for which the commissioner finds that disclosure under this section is unnecessary for the protection of the public.

(5) Any group self-insurer which fails to file a summary disclosure form with the Department of Insurance as required by subsection (2) of this section shall forfeit to the Commonwealth of Kentucky five hundred dollars ($500) per day for each day on or after September 1, 1992, that its summary disclosure form is not on file.

(6) In addition to the penalty provided in subsection (5) of this section, a violation of subsection (2) of this section shall also constitute an unfair claims settlement practice under KRS 304.12-230.

Section 2. KRS 304.1-120 is amended to read as follows:

No provision of this code shall apply to:

(1) Fraternal benefit societies (as identified in Subtitle 29), except as stated in Subtitle 29.

(2) Nonprofit hospital, medical-surgical, dental and health service corporations (as identified in Subtitle 32) except as stated in Subtitle 32.

(a) Establishment of a professional or public liability risk management trust fund to provide adequate coverage for claims made against members of the fund for professional liability or public liability risks;

(b) Establishment of a comprehensive loss prevention and risk management program coordinated with an effective claims management system for members of the group; [~~and~~]

(c) Filing with the department, on a form to be provided by the department, a certification setting forth the establishment of such a trust fund, the date upon which the trust fund is to become effective, the identity of the members of the trust fund, and a copy of the programs and systems established for the members of the trust fund***; and***

(d) Filing with the department, in the form prescribed by the department, a statement of financial condition audited by a certified public accountant which complies with generally accepted accounting principles as set forth in the Financial Accounting Standards Board's Statement Number 60 and Governmental Accounting Standards Board's Statement Number 10 and an actuarial study by a qualified actuary regarding reserves for known and incurred but not reported claims and expenses associated therewith.

SB 242, AN ACT relating to insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF SUBTITLE 99 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(4) Witness fees and mileage, if claimed, shall be allowed the same as for testimony in a Circuit Court, but no officer, director, agent, or employee of an insurer or person being examined or investigated shall be entitled to witness or mileage fees.

(5) Any individual ***willfully*** [~~wilfully~~] testifying falsely under oath as to any material to ***an*** [~~any such~~] examination, investigation, or hearing shall upon conviction [~~thereof~~] be guilty of perjury.

SB 270, AN ACT relating to insurance license fees.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 91A.080 is amended to read as follows:

(1) The legislative body of each city, [~~or~~] county, or urban-county government which elects to impose and collect license fees or taxes upon insurance companies for the privilege of engaging in the business of insurance may enact or change its license fee or rate of tax to be effective [~~January 1 or~~] July 1 of each year on a prospective basis only and shall file with the Commissioner of Insurance at least ***one-hundred (100)*** [~~sixty (60)~~] days prior to the effective date, a copy of all ordinances and amendments [~~thereto~~] which impose any such license fee or tax. ***No less than eighty-five (85) days prior to the effective date,*** the Commissioner of Insurance shall promptly notify each insurance company engaged in the business of insurance in the Commonwealth of those cities, [~~or~~] county, or urban-county governments which have elected to impose ***the*** [~~such~~] license fees or taxes and the current amount of ***the*** [~~such~~] license fee or rate of tax.

(2) Any license fee or tax imposed by [~~such~~] a city, [~~or~~] county, or urban-county government upon an insurance company with respect to life insurance policies, may be based upon the first year's premiums, and if so based, shall be applied to the amount of ***the*** [~~such~~] premiums actually collected within each calendar quarter upon the lives of persons residing within the corporate limits of ***the*** [~~such~~] city, [~~or~~] county, or urban-county government.

(3) Any license fee or tax imposed by [~~such~~] a city, [~~or~~] county, or urban-county government upon any insurance company with respect to any policy which is not a life insurance policy shall be based upon the premiums actually collected by ***the*** [~~such~~] company within each calendar quarter on risks located within the corporate limits of the city, [~~or~~] county, or urban-county government on those classes of business which ***the*** [~~such~~] company is authorized to transact, less all premiums returned to policyholders. ***In determining***

the amount of license fee or tax to be collected and to be paid to the city, county, or urban-county government, the insurance company shall use the tax rate effective on the first day of the policy term. When an insurance company collects a premium as a result of a change in the policy during the policy term, the tax rate used shall be the rate in effect on the effective date of the policy change. With respect to premiums returned to policyholders, the license fee or tax shall be returned by the insurance company to the policyholder pro-rata on the unexpired amount of the premium at the same rate at which it was collected and shall be taken as a credit by the insurance company on its next quarterly report to the city, county, or urban-county government. [~~; however,~~] Any license fee or tax imposed upon premium receipts shall not include premiums received for insuring employers against liability for personal injuries to their employees, or ***the*** death ***of their employees,*** caused thereby, under the provisions of the Workers' Compensation Act.

(4) The Department of Insurance shall, by administrative regulation, provide for a reasonable collection fee to be retained by the insurance company or its agent as compensation for collecting the tax, except that the collection fee shall not be more than fifteen percent (15%) of the fee or tax collected and remitted to the city, county or urban-county government or two percent (2%) of the premiums subject to the tax, whichever is less. To facilitate computation, collection and remittance of the fee or tax and collection fee provided in this section, the fees or taxes set out in subsection (1), (2), or (3) of this section, together with the collection fee in this section, may be rounded off to the nearest dollar amount.

(5) Pursuant to KRS 304.3-270, if any other state retaliates against any Kentucky domiciliary insurer because of the requirements of this section, the Commissioner of Insurance shall impose an equal tax upon the premiums written in this state by insurers domiciled in the other state.

(6) Accounting and reporting procedures for collection and reporting of the fees or taxes and the collection fee herein provided shall be determined by administrative regulations promulgated by the Department of Insurance.

(7) Upon written request of the legislative body of any city***,*** [~~or~~] county***,*** or urban-county government, at the expense of the requesting city***,*** [~~or~~] county***,*** or urban-county government, which shall be paid in advance by ***the*** [~~such~~] city***,*** [~~or~~] county***,*** or urban-county government to the Department of Insurance.[~~,~~] The Department of Insurance shall examine or cause to be examined by contract with qualified auditors***,*** the books or records of the insurance companies or agents subject to ***the*** [~~such~~] fee or tax to determine whether the fee or tax is being properly collected and remitted, and the findings of ***the*** [~~such~~] examination shall be reported to ***the*** [~~such~~] city***,*** [~~or~~] county***,*** or urban-county government. Willful failure to properly collect and remit the fee or tax imposed by a city***,*** [~~or~~] county***,*** or urban-county government pursuant to the authority granted by this section shall constitute grounds for the revocation of the license issued to an insurance company or agent under the provisions of KRS Chapter 304.

(8) The license fees or taxes provided for by subsections (2), and (3) of this section shall be due thirty (30) days after the end of each calendar quarter. Annually, by March 31, each insurer shall furnish each city***,*** [~~or~~] county or urban-county government, to which the tax or fee is remitted, with a breakdown of all collections in the preceding calendar year for the following categories of insurance:

(a) Casualty;

(b) Automobile;

(c) Inland marine;

(d) Fire and allied perils;

(e) Health; and

(f) Life.

(9) Any license fee or tax not paid on or before the due date shall bear interest at the tax interest rate as defined in KRS 131.010(6) from the date due until paid. Such interest payable to the city***,*** [~~or~~] county or urban-county government is separate of penalties provided for in subsection (6) of this section. No city***,*** [~~or~~] county or urban-county government may impose any penalties other than those provided for in this subsection.

(10) No license fee or tax imposed under this section shall apply to premiums received on policies of group health insurance provided for state employees under KRS 18A.225(2) and 18A.228.

(11) No county may impose the tax authorized by this section upon the premiums received on policies issued to public service companies which pay ad valorem taxes.

(12) Insurance companies which pay license fees or taxes pursuant to this section shall credit city license fees or taxes against the same license fees or taxes levied by the county, when the license fees or taxes are levied by the county on or after July 13, 1990.

WHEREAS, private support has become a major element in KET's annual operating budget, accounting for fully one-third of it, as it has for most public institutions in our society from libraries to universities; and

WHEREAS, this is a relationship the Kentucky Legislature wishes to encourage;

Section 3. KRS 45A.430 is amended to read as follows:

(1) Bidder security shall be required for all competitive sealed bidding for construction contracts when the price is estimated by the local public agency to exceed ***fifty*** [~~twenty-five~~] thousand dollars ***($50,000)*** [~~($25,000)~~]. Bidder's security shall be a bond provided by a surety company authorized to do business in this Commonwealth, or the equivalent in cash, in a form satisfactory to the local public agency. Nothing herein prevents the requirement of such bonds on construction contracts under ***fifty*** [~~twenty-five~~] thousand dollars ***($50,000)*** [~~($25,000)~~] when the circumstances warrant.

(2) Bidder's security shall be in an amount equal to at least five percent (5%) of the amount of the bid.

(3) When the invitation for bids requires that bidder security be provided, noncompliance requires that the bid be rejected, provided, however, that the local public agency may set forth by regulation exceptions to this requirement in the event of substantial compliance.

(4) After the bids are opened, they shall be irrevocable for the period specified in the invitation for bids, provided that, if a bidder is permitted to withdraw his bid before award because of a mistake in the bid as allowed by law or regulation, no action shall be had against the bidder or the bidder's security.

Section 4. KRS 45A.435 is amended to read as follows:

(1) When a construction contract is awarded in an amount in excess of ***fifty*** [~~twenty-five~~] thousand dollars ***($50,000)*** [~~($25,000)~~], the following bonds shall be furnished to the local public agency, and shall become binding on the parties upon the award of the contract:

(a) A performance bond satisfactory to the local public agency executed by a surety company authorized to do business in this Commonwealth, or otherwise supplied, satisfactory to the local public agency, in an amount equal to one hundred percent (100%) of the contract price as it may be increased; and

(b) A payment bond satisfactory to the local public agency, executed by a surety company authorized to do business in this Commonwealth, or otherwise supplied, satisfactory to the local public agency, for the protection of all persons supplying labor and material to the contractor or his subcontractors for the performance of the work provided for in the contract. The bond shall be in an amount equal to one hundred percent (100%) of the original contract price.

(2) Nothing in this section shall be construed to limit the authority of the local public agency to require a performance bond or other security in addition to those bonds, or in circumstances other than specified in subsection (1) of this section, including, but not limited to, bonds for the payment of taxes and unemployment insurance premiums.

Section 5. KRS 45A.115 is amended to read as follows:

The secretary of the Finance and Administration Cabinet may provide for prequalification of suppliers as responsible prospective contractors for particular types of supplies, services, and construction. Solicitation mailing lists of potential contractors of such supplies, services, and construction shall include but shall not be limited to such prequalified suppliers. Prequalification shall not foreclose a written determination:

(1) Between the time of the bid opening or receipt of offers and the making of an award, that a prequalified supplier is not responsible; or

(2) That a supplier who is not prequalified at the time of bid opening or receipt of offers is responsible.

(3) Prequalification of suppliers shall not be required for suppliers of mowing services, sweeping services, and fertilizing services when the estimated contractual cost is less than one hundred thousand dollars ($100,000) and payment is not due until the work has been completed.

Section 6. KRS 176.080 is amended to read as follows:

(1) Each bidder shall accompany his bid with a bond or certified check payable to the State Treasurer for a reasonable sum, fixed by the department, guaranteeing that he will enter into a contract with the department for doing the work if the work is awarded to him.

(2) The contract shall be awarded to the lowest and best bidder. The department may require bonds from any contractor to secure the performance of any contract or may require security by any other means it deems advisable.

(3) The department may reject any bid when it finds it for the best interest of the state to do so. When all bids are rejected, the department shall advertise for new bids as in the first place.

(4) A security bond or check shall not be required when bidding on contracts for mowing services, sweeping services, or fertilizing services when the estimated contractural cost is less than one hundred thousand dollars ($100,000) and payment is not due until the work has been completed.

Section 7. KRS 176.090 is amended to read as follows:

(1) The contract shall state the time when the work shall be begun and completed, and the time and manner of payment. The department may require that a certain percent of the contract price, or a certain fixed sum shall not be paid to the contractor until a fixed time after completion and acceptance of the work ***except on those contracts exempt in KRS 176.080(4)***.

(2) When the contract provides for partial payment based on the amount of work done, the representative of the department in charge of the work shall present to the department, as each payment becomes due, a certificate signed by him, showing as nearly as possible the amount of work done for which payment is to be made. If the state highway engineer finds that the amount certified is due, the Finance and Administration Cabinet shall draw a warrant for the amount certified, on the request of the Department of Highways.

(3) When the work has been fully completed, the representative of the department shall certify to the department a detailed and itemized statement of the cost of the work done, and if it is found to be correct, the department shall certify the amount to the Finance and Administration Cabinet, which shall draw a warrant for the amount due.

(4) All bonds and bids filed and all contracts approved by the department and a copy of all specifications and certifications shall be kept on file in the office of the department.

Section 8. KRS 176.130 is amended to read as follows:

(1) Every person who seeks to procure, bid upon, or offer to bid upon any contract with the department for the construction or maintenance of any public road or any section thereof, before procuring a proposal form or submitting any bid to obtain such contract, shall procure a certificate of eligibility from the department to bid on such work.

(2) All applications for a certificate of eligibility shall be made to the department in writing, and the department shall act upon the application within thirty (30) days after the application is filed.

(3) A certificate of eligibility is not necessary where the department purchases equipment, material and supplies directly, except in the case of the purchase of crushed stone in lots of more than one thousand (1,000) tons, or bituminous materials in tank car lots.

(4) A certificate of eligibility shall not be required on those contracts exempt from security by KRS 176.080(4).

(5)[~~(4)~~] The Revenue Cabinet shall fully cooperate with and make information on tax receipts available to the Finance and Administration Cabinet's Office of Financial Management and Economic Analysis as necessary for the office to perform its duties.

Section 2. KRS 131.030 is amended to read as follows:

(1) The Revenue Cabinet shall exercise all administrative functions of the state in relation to the state revenue and tax laws, the licensing and registering of motor vehicles, the equalization of tax assessments, the assessment of public utilities and public service corporations for taxes, the assessment of franchises, the supervision of tax collections, and the enforcement of revenue and tax laws, either directly or through supervision of tax administration activity in other departments to which the Revenue Cabinet may commit administration of certain taxes.

(2) The Revenue Cabinet shall have all the powers and duties with reference to assessment or equalization of the assessment of property heretofore exercised or performed by any state board or commission.

The Revenue Cabinet is encouraged to settle controversies on a fair and equitable basis and shall be authorized to settle tax controversies based on the hazards of litigation applicable to them.

Section 3. KRS 131.081 is amended to read as follows:

The following rules, principles, or requirements shall apply in the administration of all taxes subject to the jurisdiction of the Revenue Cabinet.

(1) The cabinet shall develop and implement a Kentucky tax education and information program directed at new taxpayers, taxpayer and industry groups, and cabinet employees to enhance the understanding of and compliance with Kentucky tax laws, including the application of new tax legislation to taxpayer activities and areas of recurrent taxpayer noncompliance or inconsistency of administration.

(2) The cabinet shall publish brief statements in simple and nontechnical language which explain procedures, remedies, and the rights and obligations of taxpayers and the cabinet. Such statements shall

be provided to taxpayers with the initial notice of audit; each original notice of tax due; each denial or reduction of a refund or credit claimed by a taxpayer; each denial, cancellation, or revocation of any license, permit, or other required authorization applied for or held by a taxpayer; and, if practical and appropriate, in informational publications by the cabinet distributed to the public.

(3) Taxpayers shall have the right to be assisted or represented by an attorney, accountant, or other person in any conference, hearing, or other matter before the cabinet. The taxpayer shall be informed of such right prior to conduct of any conference or hearing.

(4) The cabinet shall perform audits and conduct conferences and hearings only at reasonable times and places.

(5) Taxpayers shall have the right to make audio recordings of any conference with or hearing by the cabinet. The cabinet may make similar audio recordings only if prior written notice is given to the taxpayer. The taxpayer shall be entitled to a copy of such cabinet recording or a transcript thereof as provided in KRS 61.874.

(6) If any taxpayer's failure to submit a timely return or payment to the cabinet is due to the taxpayer's reasonable reliance on written advice from the cabinet, the taxpayer shall be relieved of any penalty or interest with respect thereto provided the taxpayer requested such advice in writing from the cabinet and the specific facts and circumstances of the activity or transaction were fully described in the taxpayer's request, the cabinet did not subsequently rescind or modify the advice in writing and there were no subsequent changes in applicable laws or regulations or a final decision of a court which rendered the cabinet's earlier written advice no longer valid.

(7) Taxpayers shall have the right to receive a copy of any audit of the cabinet by the Auditor of Public Accounts relating to the cabinet's compliance with the provisions of KRS 131.041 to 131.081.

(8) The cabinet shall include with each notice of tax due a clear and concise description of the basis and amount of any tax, penalty, and interest assessed against the taxpayer***, and copies of the agent's audit workpapers and the agent's written narrative setting forth the grounds upon which the assessment is made.*** Taxpayers shall be similarly notified regarding the denial or reduction of any refund or credit claim filed by a taxpayer.

(9) Taxpayers shall have the right to an installment payment agreement for the payment of delinquent taxes, penalties, and interest owed provided the taxpayer requests the agreement in writing clearly demonstrating his inability to pay in full and that the agreement will facilitate collection by the cabinet of the amounts owed. The cabinet may modify or terminate an installment payment agreement if it determines the taxpayer has not complied with the terms of the agreement; the taxpayers' financial condition has sufficiently changed; the taxpayer fails to provide any requested financial condition update information; the taxpayer gave false or misleading information in securing the agreement; or the taxpayer fails to timely report and pay any other tax due the Commonwealth. The cabinet shall give written notice to the taxpayer at least thirty (30) days prior to modifying or terminating an installment payment agreement unless the cabinet has reason to believe that collection of the amounts owed will be jeopardized in whole or in part by delay.

(10) The cabinet shall not knowingly authorize, require, or conduct any investigation or surveillance of any person for nontax administration related purposes, except internal security related investigations involving Revenue Cabinet personnel.

(11) In addition to the circumstances under which an extension of time for filing reports or returns may be granted pursuant to KRS 131.170, taxpayers shall be entitled to the same extension of the due date of any comparable Kentucky tax report or return for which the taxpayer has secured a written extension from the Internal Revenue Service provided the taxpayer notifies the cabinet thereof in writing and provides a copy of such extension at the time and in the manner which the cabinet may require.

(12) The cabinet shall bear the cost or, if paid by the taxpayer, reimburse the taxpayer for recording or bank charges as the direct result of any erroneous lien or levy by the cabinet, provided the erroneous

lien or levy was caused by cabinet error and, prior to issuance of the erroneous lien or levy, the taxpayer timely responded to all contacts by the cabinet and provided information or documentation sufficient to establish his or her position. When the cabinet releases any such erroneous lien or levy, notice of the fact shall be mailed to the taxpayer and, if requested by the taxpayer, a copy of the release, together with an explanation thereof, shall be mailed to the major credit reporting companies located in the county where it was filed.

(13) The cabinet shall not evaluate individual officers or employees on the basis of taxes assessed or collected or impose or suggest tax assessment or collection quotas or goals.

(14) Taxpayers shall have the right to bring an action for damages against the Commonwealth to the Board of Claims for actual and direct monetary damages sustained by the taxpayer as a result of willful, reckless, and intentional disregard by cabinet employees of the rights of taxpayers as set out in KRS 131.041 to 131.081 or in the tax laws administered by the cabinet. In the awarding of damages pursuant to this subsection, the board shall take into consideration the negligence or omissions, if any, on the part of the taxpayer which contributed to the damages. If any such proceeding brought by a taxpayer is ruled frivolous by the board, the cabinet shall be reimbursed by the taxpayer for its costs in defending the action.

(15) Taxpayers shall have the right to privacy with regard to the information provided on their Kentucky tax returns and reports, including any information or documents attached thereto. Except as provided by KRS 131.190, no information pertaining to such returns, reports or the affairs of a person's business shall be divulged by te cabinet to any person.

Section 4. KRS 131.110 is amended to read as follows:

(1) The Revenue Cabinet shall mail to the taxpayer a notice of any tax assessed by it. The assessment shall be ***due and payable*** [~~final~~] if not protested in writing to the cabinet within forty-five (45) days from the date of notice. ***Claims for refund of paid assessments may be made under KRS 134.580 and denials appealed under KRS 131.340.*** The protest shall be accompanied by a supporting statement setting forth the grounds upon which the protest is made. Upon written request, the cabinet may extend the time for filing the supporting statement if it appears the delay is necessary and unavoidable. The refusal of ***the*** [~~such~~] extension may be reviewed in the same manner as a protested assessment.

(2) After a timely protest has been filed, the taxpayer may request a conference with the cabinet. The request shall be granted in writing stating the date and time set for the conference. The taxpayer may appear in person or by representative. Further conferences may be held by mutual agreement.

(3) After considering the taxpayer's protest, including any matters presented at the final conference, the cabinet shall issue a final ruling on any matter still in controversy, which shall be mailed to the taxpayer. The ruling shall state that it is a final ruling of the cabinet, generally state the issues in controversy, the cabinet's position thereon and set forth the procedure for prosecuting an appeal to the Kentucky Board of Tax Appeals.

(4) The taxpayer may request in writing a final ruling at any time after filing a timely protest and supporting statement. When a final ruling is requested, the cabinet shall issue such ruling within thirty (30) days from the date the request is received by the cabinet.

(5) After a final ruling has been issued, the taxpayer may appeal to the Kentucky Board of Tax Appeals pursuant to the provisions of KRS 131.340.

Section 5. KRS 135.070 is amended to read as follows:

(1) ***Notwithstanding the provisions of KRS 131.030(1),*** no ***property tax case pending in the Board of Tax Appeals or the Kentucky Courts*** [~~action~~] shall be settled by any employee of the cabinet except by judgment in open court, and no compromise or agreed judgment shall be entered in any [~~such~~] action until there is filed with the secretary of revenue a statement, verified on oath by an employee involved in the action, stating the facts and showing the reasons why a compromise or agreed judgment should be entered, and stating further that no agreement or settlement other than the one (1) stated in the proposed judgment

has been entered into by him or anyone for him, and that the proposed settlement is for the best interest of the state.

(2) Upon receiving the statement the Revenue Cabinet shall investigate the action in which it is proposed to enter a compromise or agreed judgment, and if satisfied it is for the best interest of the state, the secretary shall approve the statement and send it to the appropriate employee who shall file it in the court in which the action is pending. The approved statement shall authorize the court, as far as the state, county, school or other taxing district for which the secretary is acting as relator is concerned, to enter the compromise or agreed judgment.

Section 6. KRS 139.070 is amended to read as follows:

(1) "Occasional sale" includes:

(a) A sale of property not held or used by a seller in the course of an activity for which he is required to hold a seller's permit. ***Notwithstanding the provisions of KRS 139.110(1)(c), sales of property that have been principally used by the seller in a nonretail activity will qualify as occasional sales without regard to the number of transactions within a twelve (12) month period***[~~, provided such sale is not one (1) of a series of sales sufficient in number, scope and character to constitute an activity requiring the holding of a seller's permit~~].

(b) Any transfer of all or substantially all the property held or used by a person in the course of such an activity when after such transfer the real or ultimate ownership of such property is substantially similar to that which existed before such transfer.

"Section 9. KRS 56.813 is amended to read as follows:

(1) An agency may request that the Finance and Administration Cabinet provide additional space in a building in which space is already leased by the state. If the cabinet determines there is need for more space, the current lease may be amended, with agreement of the lessor, to increase the leased space. However, the rental rate paid for the additional space shall not exceed the square foot rental rate fixed by the original lease. A lease may also be modified with agreement of the lessor to decrease the number of square feet leased and the rent shall be appropriately reduced.

(2) ***(a) When an agency occupying leased premises desires improvements in the premises, the agency shall obtain the cabinet secretary's approval for the improvements at an estimated cost before the lessor makes the improvements.***

1. If the improvements cost more than one thousand dollars ($1,000), the agency shall obtain the cabinet secretary's approval for the rent increase necessary to amortize the cost of the improvements in full. No other financing method shall be used.

2. If the improvements cost one thousand dollars ($1,000) or less, the agency shall obtain the cabinet secretary's approval for the dollar amount necessary to pay for the cost of the improvements at direct state expense or the rent increase necessary to amortize the cost of the improvements in full. No other financing method shall be used. No improvement shall be artificially divided so as to qualify under the provisions of this subparagraph.

(b) Any rent increase necessary to amortize a cost pursuant to paragraph (a) of this subsection shall not extend beyond the period required to accomplish the agreed amortization.

(c) The cabinet secretary shall amend a lease to reflect a rent increase necessary to amortize a cost pursuant to paragraphs (a) and (b) of this subsection, and the amendment shall state that the rent increase is for the purpose of amortizing this cost. [~~The cabinet may amend a lease of private property to provide for an increase in the rental rate when the lessor has made improvements in the leased property at the request of and to meet the needs of the state agency occupying the premises, if the improvements and rent increase have the prior approval of the cabinet secretary. The rent increase shall be, and shall be identified as being, for the purpose of amortizing in full or in part the cost incurred by the owner at the state's request. Any increase for this purpose shall not extend beyond the period required to accomplish the agreed amortization.~~

~~(3) No improvement of a permanent nature shall be made at direct state expense in privately leased property. No improvements of a permanent nature may be made at direct state expense in publicly-owned leased property unless the Commonwealth shall have the leasehold interest in the property of a duration sufficient to permit amortization of the cost of the improvement over the life of the lease.~~]

(3)[~~(4)~~] Any modification to an existing lease which is required because of an emergency as described at KRS 56.805(3) shall be made pursuant to KRS 56.805(3) and (4) and this section.

(4)[~~(5)~~] The Division of Real Properties, within the Department for Facilities Management, shall maintain a register of all proposed lease modifications which, if approved, will result in the payment of a square foot rate for the leased space which is greater than the square foot rate contained in the original lease. All such proposed modifications shall be filed and kept in the register for public inspection and comment for thirty (30) calendar days. Comments received from the public during the period shall be considered before the lease modification is executed by the parties and becomes binding against the Commonwealth. After receiving comments, if the secretary determines that the proposed modifications are not in the interest of the Commonwealth, he may require the agency to continue operation in its present space or cancel the lease and seek more suitable space. The lessor, under any lease proposed to be modified as contemplated therein, shall be advised of the requirements of this subsection and cautioned that the Commonwealth shall have no liability for any action undertaken by the lessor in anticipation of, but prior to execution of, the modifications of the lease.

Section 10. KRS 56.823 is amended to read as follows:

(g) An explanation of why the Finance and Administration Cabinet chose this lessor over his competition; and

The report shall further state the information required by paragraphs (a), (b), (c), (d), (f), (g), and (h) of subsection (2) of this section.

Each application for registration, change of affiliation, transfer of registration or ***absentee*** [~~special~~] ballot, as ***absentee*** [~~special~~] ballots are provided for by KRS 117.075, shall be verified by a written declaration by the applicant that it is made under the penalties of perjury.

Section 2. KRS 117.0851 is amended to read as follows:

Absentee [~~Special~~] ballots cast, as provided by KRS 117.075, 117.077, and 117.085, shall all be tabulated in the same manner, as shall be provided by this chapter.

Section 3. KRS 117.145 is amended to read as follows:

(1) At least fifteen (15) days before any special election, and at least fifty (50) days before any primary or regular election, the county clerk of each county shall cause to be printed and ready for use ballot labels for each candidate who, and each question which, is entitled to be voted upon in such election. The ballot labels shall be printed on clear white paper or other material which shall be furnished by the printer. They shall be printed in black ink, in plain, clear type clearly legible to a person with normal vision, and shall be of ***a*** [~~such~~] size ***to*** [~~as will~~] fit the ballot frames. The labels shall include the necessary party designations.

(2) Each county clerk shall have printed a sufficient number of paper absentee ballots. The absentee ballot shall be used for voting by absent voters; by precinct officers who have been assigned to a precinct other than their own; by members of a county board of elections; by voters so disabled by age, infirmity or illness as to be unable to appear at the polls; and for voting in an emergency situation. The ballot stubs shall be consecutively numbered and the county board shall keep a record, by number, of all absentee ballots used for any of the purposes listed herein.

(3) ***No later than the Friday preceding*** [~~At least three (3) days before~~] a special or regular election, the county clerk shall equip the voting machines with the necessary supplies for the purpose of write-in votes. The county clerk shall also attach a pencil or pen to the voting machine for write-in purposes.

(4) If supplemental paper ballots have been approved as provided in KRS 118.215, the county clerk shall cause to be printed a sufficient number of paper ballots for the registered voters of each precinct. The paper ballots shall have stubs which are numbered consecutively. The quality of paper on which the supplemental paper ballots are printed shall be determined by regulations promulgated by the secretary of the Finance and Administration Cabinet.

Section 4. KRS 117.165 is amended to read as follows:

(1) Upon completing the preparation of the machines in accordance with the provisions of KRS 117.155, and not later than ***the Thursday preceding*** [~~three (3) days before~~] the day of the election, the county clerk shall notify the members of the county board of elections that the machines are ready for use. The board shall thereupon convene at the office of the county clerk, not later than ***the Friday preceding*** [~~two (2) days before~~] the day of the election, and examine the machines to determine whether the requirements of KRS 117.155 have been met. The county board of elections shall publish notice, in accordance with KRS 424.130(1)(d), at least twenty-four (24) hours in advance of the time when the machines are to be examined by the board. If found in proper order, the members of the county board of elections shall endorse their approval in the book in which the county clerk has entered the numbers of the machines opposite the numbers of the precincts. The clerk shall then deliver all of the keys to the machines to the county board of elections who shall give a receipt for the keys which shall contain identification of ***the*** [~~such~~] keys. Not later than one (1) hour before the time set for the opening of the polls, the board shall deliver all election supplies including the precinct list, tabulation sheets***,*** and the key to the device covering the registering counters and [~~such~~] other keys [~~as may be~~] necessary for the operation of the machine in registering votes, to the election officers of the precinct in which the machine is being used, who shall give the board ***a*** receipt [~~therefor~~] containing identification of ***the*** [~~such~~] keys. The master key and all other keys shall remain in the possession of the county board of elections.

(2) Any candidate, [~~and~~] one (1) representative of each political party having candidates[~~,~~] to be voted for at the election***,*** and representatives of the news media[~~,~~] may be present when the examination of the machines is made by the county board of elections.

Section 5. KRS 117.305 is amended to read as follows:

The canvass and returns provided for in KRS 117.275 shall constitute the official returns of the precinct, unless ***before 6:00 p.m. on the Tuesday following*** [~~within ninety-six (96) hours after the close of the polls in~~] a primary or regular election, or within twenty-four (24) hours after the close of the polls in a special election held for the purpose of filling a vacancy, the county clerk or county board of elections takes notice of a discrepancy in the tally of votes cast in any precinct or number of precincts, or a candidate makes a written request to the county board of elections to check and recanvass the voting machines and absentee ballots of any precinct or any number of precincts involving his race. After this time period has elapsed and notice is taken, the election board shall immediately assemble and recheck and recanvass each machine and make a proper return thereof to the county clerk, ***and*** [~~in which event~~] the canvass and return shall become the official returns for the election. In making the recanvass, the board shall make a record of the number of the seal upon the voting machine and without unlocking the machine against voting, recanvass the vote cast thereon. If, upon a recanvass, it is found that the original canvass of the returns has been correctly made from the machine, and that there still remains a discrepancy unaccounted for, this discrepancy shall be noted. The registering counter of each candidate who requested a recanvass and the counter of the candidate's opponent shall be reset at zero before it is tested, after which it shall be operated at least one hundred (100) times. If, upon recanvass, it appears that the original canvass of the returns by the election officers was incorrect, the returns and all papers being prepared by the board shall be corrected accordingly, except that there shall be no change in the vote of any candidate from that originally certified unless ***the*** [~~such~~] candidate was actually notified. The county board of elections shall, immediately upon receipt of a request for a recanvass, notify each candidate for the office of the time and place of the recanvass. At the recanvass, each political party represented on the board may appoint a representative there to be its governing body, and also each candidate to be voted for may be present either in person or by a representative or both. The county board of elections shall authorize representatives of the news media to observe the recanvass of the votes cast on the voting machine in each precinct. Nothing in this section shall prohibit an individual from requesting, in addition to a recanvass, a recount as authorized by KRS Chapter 120.

If more than two (2) such lists are furnished, the committee or governing authority, in making appointments of challengers, shall alternate between the several lists so furnished so as to give to each list an equal amount or proportion of the appointments, but in no event shall there be appointed more than one (1) challenger for any precinct from any one (1) list. The list of challengers shall be presented to the chairman or secretary of the party committee of the county ***no later than the Tuesday preceding*** [~~not less than seven (7) days before~~] the date on which the primary is to be held, and the committee or the chairman thereof shall make the appointments and certify to same ***no later than the Friday preceding*** [~~at least four (4) days before~~] the date on which the primary is held. The appointment of challengers shall be certified in all respects as challengers at regular elections, except as otherwise provided in this section.[~~, and~~] The challengers shall be registered voters of the county in which the primary is held[~~,~~] and shall be subject to the same penalties and possess the same rights and privileges as challengers at regular elections, except that the challengers of one (1) political party shall not be entitled to challenge persons who offer to vote for candidates of any other party in the primary. The order of the court may be reviewed by the Court of Appeals as provided for the granting or dissolving of temporary injunctions.

(2) Any school board candidate, any independent ticket or candidate for city office, any nonpartisan city candidate, or candidate for an office of the Court of Justice at the primary or regular election may designate not more than one (1) challenger to be present at and witness the holding of primaries or elections in each precinct in the county. The challengers shall be registered voters of the county in which the election is held, shall be appointed in writing signed by the chairman of the committee, and shall produce written appointments on demand of any election officer.

(4) Except as provided in KRS Chapter 242, not later than ***the fourth Tuesday preceding*** [~~thirty (30) days prior to~~] an election at which constitutional amendments or other public questions are to be submitted to the vote of the people, any committee that in good faith advocates or opposes an amendment or public question may file a petition with the clerk of the county asking that the petitioners be recognized as the committee entitled to nominate inspectors and challengers to serve at the election at which the constitutional amendment or public question is to be voted on. If more than one (1) committee alleging itself to advocate or oppose the same amendment file such a petition, the county board of elections shall decide, and announce by certified mail, return receipt requested, to each committee not less than ***the third Tuesday*** [~~twenty (20) days immediately,~~] preceding the election, which committee is entitled to nominate the challengers and inspectors. ***The*** [~~Such~~] decision shall not be final, but any aggrieved party may institute proceedings with the county judge/executive and upon hearing the county judge/executive shall determine which of ***the*** [~~such~~] committees shall be recognized as the one (1) to select inspectors and challengers at the election.

(5) The committee shall file the names of the persons nominated by it with the clerk of the county ***not later than the Tuesday preceding*** [~~at least five (5) days before~~] the election. The county board of elections shall, ***not later than the Thursday preceding the election*** [~~within two (2) days thereafter~~], certify the nominees of the committee for the respective precincts to serve as challengers and inspectors at the election where any constitutional amendment or public question is to be voted upon. If more than one (1) amendment or question is to be voted upon, the county board of elections may designate, on the petition of the committee, one (1) person for each amendment and question to serve as inspector at the election and one (1) person for each amendment and question to serve as challenger at the election.

(6) The challengers and inspectors shall perform their duties in the same manner and be subject to the same privileges as other inspectors and challengers at an election.

Section 7. KRS 118.025 is amended to read as follows:

(1) Except as otherwise provided by law voting in all elections shall be by secret ballot on voting machines.

(8) The ballot position of a candidate shall not be changed after the ballot position has been designated by the county clerk.

(9) The county clerks of each county shall cause to be printed on the ballot labels for the voting machines and on the absentee ballots for the regular election the names of the candidates for offices of the Court of Justice.

(10) The names of the candidates shall be placed on the voting machine in a separate column or columns or in a separate line or lines and identified by the words "Judicial Ballot," and in such a manner that the casting of a vote for all of the candidates of a political party will not operate to cast a vote for judicial candidates. The words "Vote for one" or "Vote for one in each division," shall be printed on the appropriate location. The office, numbered division thereof if divisions exist, and the candidates therefor shall be clearly labelled. No party designation or emblem of any kind, nor any sign indicating any candidate's political belief or party affiliation, shall be used on voting machines or special ballots.

(11) The candidate receiving the highest number of votes cast at the regular election for a district or circuit, or for a numbered division thereof if divisions exist, shall be elected.

Section 21. KRS 118A.130 is amended to read as follows:

No judicial candidate's name shall appear on any voting machine or ***absentee*** [~~special~~] ballot more than once.

Section 22. KRS 117.235 is amended to read as follows:

(1) No person, other than the election officers and challengers, shall be permitted within the voting room while the vote is being polled, except for the purpose of voting or except by authority of the election officers to keep order and enforce the law.

(2) No officer of election shall do any electioneering on election day.

(3) No person shall do any electioneering at the polling place or within a distance of five hundred (500) feet of any entrance to a building in which a voting machine is located if that entrance is unlocked and is used by voters on election day, unless the fiscal court or legislative body of an urban-county government specifically authorizes by ordinance on a county wide basis a greater distance from the polling place within which electioneering may be permitted, but in no case shall electioneering be allowed within five hundred (500) feet of any entrance to a building in which a voting machine is located if that entrance is unlocked and is used by voters. Electioneering shall include the displaying of signs, the distribution of campaign literature, cards or handbills, the soliciting of signatures to any petition, or the solicitation of votes for or against any candidate or question on the ballot in any manner, but shall not include exit polling. Nothing contained in this section shall prohibit electioneering conducted within a private residence or establishment other than that in which the polling place is located by persons having an ownership interest in such property.

(4) No voter shall be permitted to converse with others while in the voting room concerning their support or nonsupport of any candidate, party or issue to be voted on, except as provided in KRS 117.255.

(5) The election sheriff, under the supervision of the precinct election judges, shall enforce the election laws and maintain law and order at the polls and within fifty (50) feet of any entrance to the building in which the voting machine is located if that entrance is unlocked and is used by voters. Assistance may be requested of any law enforcement officer.

(6) Notwithstanding the provisions of subsection (1) of this section, the State Board of Elections may establish a program designed to instill in schoolchildren a respect for the democratic principles of voting by conducting in any county a mock election for schoolchildren in conjunction with any regular, primary, or special election. The State Board of Elections shall promulgate administrative regulations regarding the mock elections to insure that the regular voting process will not be impaired.

SB 221, AN ACT relating to the regulation of the conduct and financing of elections and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

A qualifying contribution shall not include a cash contribution, loan, pledge, or nonmonetary contribution;

(5) "Qualifying slate of candidates" means any slate of candidates of a political party or any independent nominees for Governor and Lieutenant Governor whose names are qualified to appear jointly on a primary, runoff primary, or general election ballot and one that has otherwise qualified under this chapter to receive a transfer from the election campaign fund, including having raised the minimum threshold qualifying amount. "Qualifying slate of candidates," when applied to a runoff primary, means a slate of candidates for Governor and Lieutenant Governor that has been certified by the Secretary of State as one that has received the highest or next highest number of votes for its party's nomination in a primary that was qualified under this chapter to receive a transfer from the fund for the primary;

(6) "Slate of candidates" means any two (2) persons who have filed a joint notification and declaration pursuant to Section 15 of this Act, received contributions or made expenditures, appointed a campaign treasurer, designated a campaign depository, or given their consent for any other individual to receive contributions or make expenditures, with a view to bringing about their nomination for election to the offices of Governor and Lieutenant Governor. Unless the context requires otherwise, any provision of law that applies to a candidate shall also apply to a slate of candidates;

(7) "Candidate campaign account" means the bank account required by KRS 121.160 to be established, which for a slate of candidates for Governor and Lieutenant Governor shall be in a bank insured by the Federal Deposit Insurance Corporation and shall be for the sole purpose of receiving transfers from the fund and contributions or other moneys raised from personal resources;

(8) "Campaign expenditures" means lawful expenditures from a candidate campaign account on behalf of a slate of candidates to further its nomination or election to the offices of Governor and Lieutenant Governor authorized by the campaign committee treasurer or other authorized individual;

(d) An executive committee of a political party;

(10) "Contributing organization" means a group which merely contributes to candidates, campaign committees, or executive committees from time to time from funds derived solely from within the group, and which does not solicit or receive funds from sources outside the group itself. (11) (a) "Contribution" means any:

1. Payment, distribution, loan, deposit, or gift of money or other thing of value, to a slate of candidates, its agent, a committee, or contributing organization. 1. Services provided without compensation by individuals volunteering a portion or all of their time on behalf of a slate of candidates, committee, or contributing organization;

2. Expenditures by an individual other than a candidate in connection with an event held in the individual's home, not for the purposes of fundraising, when the individual expends less than three hundred dollars ($300); or

3. A loan of money by any financial institution doing business in Kentucky made in accordance with applicable banking laws and regulations and in the ordinary course of business; and

(12) "Knowingly" means with respect to conduct or to a circumstance described by a statute defining an offense that a person is aware or should have been aware that his conduct is of that nature or that the circumstance exists.

SECTION 2. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

(1) There is established a special account of the general fund in the State Treasury to be known as the election campaign fund from which funds may be paid only upon warrants issued by the commission.

(2) The commission shall distribute transfers for the matching of qualifying contributions to a qualifying slate of candidates for Governor and Lieutenant Governor as provided in Section 8 of this Act. The transfers shall be paid from moneys derived from appropriations made to the fund for that purpose.

(3) The commission shall report to the General Assembly within three (3) months following an election for Governor and Lieutenant Governor the total amount of transfers from the fund paid to each qualifying slate of candidates for qualifying contributions.

(4) The commission shall preserve all receipted bills and accounts required to be kept by this chapter for a period of four (4) years.

(5) All slated candidates' campaign committees, including those of slates of candidates rejecting expenditure limitations, shall report all contributions and expenditures to the commission not less than every thirty (30) days following the formation and registration of the committee and not less than every fourteen (14) days during the fifty-six (56) days immediately preceding the primary election and the fifty-six (56) days immediately preceding the general election of a year in which a Governor and Lieutenant Governor are elected, in lieu of the reporting provisions of KRS 121.180(2)(a), (b), and (c). Slated candidates participating in a runoff primary shall report all expenditures to the commission fourteen (14) days before the runoff primary. All slated candidates shall make a final report to the commission not later than thirty (30) days following any election in which they participate.

(6) After each primary and each general election in a year in which a Governor and Lieutenant Governor are elected, the commission shall conduct a thorough examination and audit of the contributions to and campaign expenditures by any campaign committee of each slate of candidates and issue a separate report on each campaign committee.

(7) The commission shall promulgate administrative regulations and official forms and perform other duties necessary to implement the provisions of this chapter.

SECTION 3. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

(1) A qualifying slate of candidates for Governor and Lieutenant Governor that receives transfers from the fund may make campaign expenditures which, in the aggregate, including the expenditure of transfers from the fund, shall not exceed one million eight hundred thousand dollars ($1,800,000) in connection with a primary election campaign and one million eight hundred thousand dollars ($1,800,000) in connection with a general election campaign, subject to the provisions of subsections (4) and (5) of Section 8 of this Act, and three hundred thousand dollars ($300,000) in connection with a runoff primary campaign.

(2) The expenditure limit amounts established in subsection (1) of this section shall be increased or decreased in accordance with the consumer price index for all urban workers, and the commission shall annually make that adjustment, beginning in 1996.

(3) No qualifying slate of candidates for Governor and Lieutenant Governor that receives a transfer from the fund or that is otherwise subject to expenditure limitations shall exceed the expenditure limitations of subsection (1) of this section through an additional reported or unreported expenditure by any person, committee, or contributing organization which does not qualify as an "independent expenditure" as defined in KRS 121.150(1).

(4) A slate of candidates for Governor and Lieutenant Governor may receive contributions from permanent committees which, in the aggregate, shall not exceed ten percent (10%) of the qualifying contributions received by the slate of candidates.

(5) No qualifying slate of candidates for Governor and Lieutenant Governor that elects to receive a transfer from the fund for a primary or general election shall knowingly accept any other campaign contribution during the thirty (30) days immediately preceding a primary or general election unless:

(a) A qualifying slate of candidates that has elected to become eligible for fund transfers or who may in the future elect to become eligible for fund transfers shall be released from expenditure limitations following a certification by the commission pursuant to subsection (4) or (5) of Section 8 of this Act that a slate of candidates that has not elected to become eligible for fund transfers has exceeded the expenditure limits provided in subsection (1) of this section; or

(b) The matching ratio of fund transfers established in subsection (2)(c) of Section 6 of this Act has been reduced by the commission pursuant to subsection (3) of Section 8 of this Act. If the commission reduces the matching ratio of fund transfers, a qualifying slate of candidates that has elected to become eligible for fund transfers or that may in the future elect to become eligible for fund transfers, may accept aggregate qualifying contributions which, when added to the maximum threshold qualifying amount established in subsection (2)(c) of Section 6 of this Act and the amount equal to the reduced matching ratio of fund transfers shall not exceed the expenditure limit established in subsection (1) of this section unless a qualifying slate of candidates has been released from expenditure limitations pursuant to subsection (4) or (5) of Section 8 of this Act.

SECTION 4. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

(1) Each slate of candidates for Governor and Lieutenant Governor shall file with the commission a statement of intent to accept or to reject a transfer from the election campaign fund. The statement shall be filed not later than the deadline for filing nomination papers.

(2) A qualifying slate of candidates that intends to accept a transfer shall swear that the slate and the slate's authorized agents have complied with and will continue to comply with applicable contribution and expenditure limits.

(3) A slate of candidates shall designate in the statement of intent whether the slate will accept or reject a transfer in either the primary or the general election. A qualifying slate of candidates that receives a transfer from the fund in either the primary or general election shall be bound by the contribution and expenditure limits of Sections 3 and 5 of this Act throughout the campaign. A slate of candidates that rejects expenditure limitations in a primary shall not be eligible to receive a transfer from the fund in a runoff primary or the general election.

(4) Prior to the payment by the commission of either a primary election transfer or a general election transfer, a slate of candidates may rescind its statement of acceptance by filing a notice rescinding its acceptance not later than 4 p.m., prevailing time, not later than ten (10) calendar days after the date for filing nomination papers.

SECTION 5. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

(1) A slate of candidates that has filed a statement of intent to accept transfers from the fund and abide by the maximum expenditure limit which was not rescinded pursuant to subsection (4) of Section 4 of this Act shall not knowingly accept a contribution from a natural person, permanent committee, or contributing organization of more than five hundred dollars ($500) in any one (1) election. No natural person, permanent committee, or contributing organization shall knowingly make a contribution of more than five hundred dollars ($500) in any one (1) election to a slate of candidates that has filed a statement of intent to accept transfers from the fund and abide by the maximum expenditure limit which was not rescinded.

(2) A slate of candidates that has filed a statement of intent to reject transfers from the fund and not abide by the maximum expenditure limit or one that has rescinded a statement of intent to accept transfers from the fund pursuant to subsection (4) of Section 4 of this Act shall not knowingly accept a contribution of more than one hundred dollars ($100) in any one (1) election from a natural person, permanent committee, or contributing organization. A slate of candidates that has accepted a contribution in excess of one hundred dollars ($100) that later rejects expenditure limitations or rescinds its acceptance of expenditure

limitations shall refund to the contributor the amount of a contribution in excess of one hundred dollars ($100). No natural person, permanent committee, or contributing organization shall knowingly make a contribution of more than one hundred dollars ($100) in any one (1) election to a slate of candidates that has filed a statement of intent to reject transfers from the fund and not abide by the maximum expenditure limit or one that has rescinded a statement of intent to accept transfers from the fund.

(3) No slate of candidates shall knowingly accept any cash contribution from a natural person, permanent committee, or contributing organization. No natural person, permanent committee, or contributing organization shall knowingly make a cash contribution to a slate of candidates.

SECTION 6. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

(1) In order to become a qualifying slate of candidates for the purpose of receiving a transfer from the fund in a primary or general election, or both, a slate of candidates shall request certification from the commission in a form and in the manner which the commission shall prescribe by administrative regulations promulgated in accordance with this chapter.

(2) The commission shall immediately review the request of a slate of candidates for certification to receive a transfer from the fund. The request for certification shall include:

(a) A statement of intent accepting maximum expenditure limitations;

(b) A copy of the slate's nomination papers;

(c) The financial reports filed by or on behalf of the slate of candidates as of the date of the request for certification which indicate that the slate of candidates has raised a threshold qualifying amount in individual qualifying contributions for a transfer from the fund at a two (2) for one (1) matching ratio. The threshold qualifying amount for a slate of candidates for Governor and Lieutenant Governor that elects to be eligible to receive a transfer from the fund in a primary election shall be six hundred thousand dollars ($600,000) in qualifying contributions. The minimum threshold qualifying amount for a slate of candidates for Governor and Lieutenant Governor in a general election that elects to be eligible to receive a transfer from the fund shall be three hundred thousand dollars ($300,000) in qualifying contributions and the maximum threshold qualifying amount for a general election shall be six hundred thousand dollars ($600,000) in qualifying contributions for any one (1) election. Not more than fifty percent (50%) of a threshold qualifying amount shall be received from residents of the same congressional district. No transfer from the fund shall be made for qualifying contributions which a slate of candidates may receive in any one (1) election which in the aggregate exceed the maximum threshold qualifying amount unless a qualifying slate of candidates has been released from expenditure limitations pursuant to subsection (4) or (5) of Section 8 of this Act. The threshold qualifying amounts shall be increased or decreased in accordance with the consumer price index for all urban workers, and the commission shall annually make that adjustment, beginning in 1996; and

(d) Any other information reasonably necessary that is required by the commission.

(3) The commission shall certify whether a slate of candidates is eligible to receive a primary election transfer no later than seven (7) calendar days after the slate submits the required documentation.

(4) The commission shall certify whether a slate of candidates is eligible to receive a general election transfer not later than seven (7) calendar days after the slate submits the required documentation; except that if the slate is required to take part in a primary election, the results of the primary election shall have been certified by the commission.

(5) A separate determination and certification shall be made for a primary and a general election.

(6) The certification issued by the commission shall indicate:

(a) Whether a slate of candidates is eligible to receive a transfer; and

(b) The amount of fund transfers the slate of candidates is eligible to receive based on the amount of qualifying contributions that the slate has received at the time that it requests a transfer eligibility certification.

(7) A slate of candidates may make multiple requests for fund transfer eligibility certification in the course of a primary or general election at the times and in the manner which the commission shall prescribe by administrative regulation.

(8) If a slate of candidates that has filed a statement of intent to accept a transfer is not eligible to receive a transfer, the certification shall:

(a) State the reasons why the slate of candidates is not eligible to receive a transfer; and,

(b) What action, if any, the slate of candidates may take to qualify for a transfer.

(9) A slate of candidates may file with the commission a written request to review the determination of the commission no later than seven (7) calendar days after the date of certification.

(10) A slate of candidates denied certification by the commission may appeal an adverse ruling within twenty (20) days by filing a notice of appeal in the Court of Appeals in accordance with the Rules of Civil Procedure.

(11) No threshold qualifying amount shall be required for a slate of candidates participating in a runoff primary. A qualifying slate of candidates shall be certified to receive a fund transfer for the runoff primary upon the commission's certification that the qualifying slate of candidates received the highest or next highest number of votes for its party's nomination for Governor and Lieutenant Governor at the primary election.

SECTION 7. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

(1) All transfers received from the fund by a qualifying slate of candidates and all contributions or personal resources of any slate of candidates to be used for campaign expenditures shall be deposited in the candidate campaign account.

(2) For each deposit in excess of one hundred dollars ($100) made in the account of any slate of candidates for Governor and Lieutenant Governor, there shall be retained by the campaign treasurer a short statement, in the form prescribed by the commission, showing:

(a) The amount of each contribution or amount of personal resources deposited;

(b) The date each contribution was received or each amount of personal resources was made available, and;

(c) The name, address, and, in the case of individuals, occupation and employer of each contributor and each employed individual residing with the contributor, and, if a contribution is made from the personal resources of the slate of candidates, the banks and account numbers from which the funds were transferred and an explanation of how the contributed funds were acquired. The occupation listed for each contributor shall be specific. A general classification, such as "businessman," shall be insufficient. If the contributor or any individual residing with the contributor is self-employed, the name under which he is doing business shall be listed.

(3) The slate of candidates shall designate in writing, to be filed with the commission, not more than three (3) individuals who shall be authorized, in addition to the slate, to withdraw funds from the candidate campaign account.

(4) No individual authorized to make withdrawals from the candidate campaign account shall pay any amount out of the account for goods or services furnished, other than staff salaries, except upon the presentation of an invoice submitted by the person to whom the payment is to be made. The invoice shall describe disbursements to persons, the name, address, occupation, and employer of each person, and the date and the amount disbursed. These invoices shall be preserved by the slate of candidates and made available for reasonable inspection and auditing by employees of the commission.

SECTION 8. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

(1) If the commission certifies that a qualifying slate of candidates is eligible to receive a transfer from the fund, the slate may submit a transfer entitlement voucher to the commission, complying with the procedures of subsection (7) of this section. A transfer entitlement voucher may document total qualifying contributions of not less than three hundred thousand dollars ($300,000) but not more than six hundred thousand dollars ($600,000) for receipt of a fund transfer in an amount equal to twice the amount of qualifying contributions documented. A qualifying slate may submit multiple transfer entitlement vouchers as additional qualifying contributions are received in a general election, but the maximum amount of fund transfers a slate may receive in a primary or general election shall not exceed twice the amount of the maximum threshold qualifying amount, subject to the provisions of subsections (4) and (5) of this section.

(2) The fund transfer which a qualifying slate of candidates for Governor and Lieutenant Governor in a runoff primary may receive shall be three hundred thousand dollars ($300,000).

(3) The fund transfer amounts shall be increased or decreased in accordance with the consumer price index for all urban workers, and the commission shall annually make that adjustment, beginning in 1996. If, during the course of a primary or general election, the commission determines that the existing appropriations in the fund are insufficient to cover the anticipated fund transfers, the commission shall reduce the matching ratio to the ratio the commission determines so as not to exceed the amount of the fund, which shall be applied retroactively to all transfers made to qualifying slates of candidates.

(4) (a) If the commission makes a finding of fact, after a public hearing of which all slates of candidates for Governor and Lieutenant Governor shall be notified, that in the course of a primary election or general election campaign a slate of candidates for Governor and Lieutenant Governor that has not accepted the provisions of this chapter has exceeded the expenditure limit as provided in subsection (1) of Section 3 of this Act, the commission shall certify that those slates of candidates that have elected to become eligible for fund transfers or may in the future elect to become eligible for fund transfers shall be released from expenditure limitations and shall continue to be eligible to receive transfers from the fund;

(b) The commission shall conduct a public hearing within three (3) days after any report submitted to the commission by a campaign committee of a slate of candidates indicates that expenditure limits have, or may have, been exceeded; and

(c) A public hearing shall be conducted within three (3) days upon petition to the commission by a slate of candidates that, upon its knowledge and belief, another slate of candidates has exceeded expenditure limitations.

(5) Nothing in this section shall prevent any slate of candidates from notifying the commission in writing that its campaign committee has exceeded the expenditure limitations established by law. In that case, no public hearing shall be held and the commission shall certify that those slates of candidates who have elected to become eligible for fund transfers or may in the future elect to become eligible for fund transfers shall be released from expenditure limitations and shall continue to be eligible to receive transfers from the fund if qualified by law.

(6) Any carryover of money in a candidate campaign account, from whatever source derived, received prior to the date of the primary election if the slate of candidates is seeking the primary nomination of its party, shall be counted for purposes of expenditure limitations in the general election but shall not be counted for purposes of receiving a transfer from the fund or for meeting the threshold qualifying amount.

(7) To receive fund transfers for which it is eligible, each qualifying slate of candidates shall submit to the commission at the times and in the form and manner the commission may require, a transfer entitlement voucher. The voucher shall include the full name of all persons making a contribution to the campaign committee of the slate of candidates together with the date, the exact amount of the contribution, the specific address of the contributor, the congressional district in which the contributor resides, the occupation and employer of the contributor and each employed individual residing with the contributor, or if the contributor or any individual residing with the contributor is self-employed, the name under which he is doing business, and any other information the commission may require.

(8) Within three (3) working days of the receipt of the voucher, the commission shall:

(a) Make a determination, according to the procedures the commission may establish by administrative regulation, whether each contribution enumerated on the voucher is consistent with the provisions of this chapter;

(b) Certify for payment to the qualifying slate of candidates the amount of fund transfer for which it is eligible; and

(c) Promptly upon certification, issue a warrant on the fund for a transfer to the qualifying slate of candidates or its authorized treasurer in the amount certified by the commission.

(9) For the purpose of financing primary election campaigns, the commission shall make no transfer to a qualifying slate of candidates entitled to transfers from the fund earlier than January 1 of a year in which the Governor and Lieutenant Governor are elected.

(10) For the purpose of financing general election campaigns, if a qualifying slate of candidates is not participating in a primary or is unopposed in a primary, the commission shall make no transfer to that slate from the fund earlier than the date the results of the primary election preceding the general election of a year in which the Governor and Lieutenant Governor are elected are certified. If a qualifying slate of candidates is unopposed in a general election, the commission shall make no payment to that slate from the fund for the general election.

(11) If a vacancy occurs in a slate of candidates before the ballots are printed for the primary election because of death, disqualification to hold the office sought, or severe disabling condition which arose after the slate formed a campaign committee, the remaining member of the slate may designate a replacement for the vacant candidate or change the composition of the slate and designate a running mate on forms filed with the commission not later than the deadline for printing primary election ballots, but only following certification to the remaining candidate by the Secretary of State that a vacancy exists for a reason specified in this subsection. If a vacancy occurs in a slate of candidates after the ballots are printed for the primary election, the remaining member of the slate may designate a replacement for the vacant candidate or change the composition of the slate and designate a running mate on forms filed with the commission. If a replacement for a vacant candidate is made after the ballots are printed for the primary election, notices informing the voters of the change in the composition of the slate shall be posted at each precinct polling place.

(12) The provisions of KRS 118.105 shall apply to vacancies occuring in the nomination of a qualifying slate of candidates.

(13) If during the course of a primary or general election, a qualifying slate of candidates withdraws, is otherwise removed from the ballot, becomes the only slate of candidates for a party nomination or election

on the ballot, or if both candidates on the slate die, the commission shall certify and pay on vouchers previously submitted by that slate, but any subsequent vouchers submitted by that slate shall not be certified nor shall transfers be made.

(14) The commission shall not certify any contribution made to a qualifying slate of candidates entitled to transfers from the fund, which, when added to other contributions made by the same contributor to the slate in connection with the primary election and in connection with the general election, violates the provisions of Section 5 of this Act or KRS 121.150.

(15) The commission shall perform a continuing audit of all slates of candidates for Governor and Lieutenant Governor to ensure that they are in compliance with this chapter and the election laws of the Commonwealth.

SECTION 9. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

If it appears, after a qualifying slate of candidates has filed financial statements as required by KRS 121.180 for the general election, that an unexpended balance of contributions and fund transfers exists which is not otherwise obligated for the payment of the expenses of the completed general election, the unobligated funds shall be forwarded to the commission for deposit in the fund. The payment shall be due and owing within ten (10) working days after the filing of the final financial statement for a particular general election.

SECTION 10. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

Any qualifying slate of candidates that receives a transfer from the fund shall comply with and be subject to all campaign finance requirements contained in KRS Chapter 121 to the extent that the requirements are not inconsistent with the provisions of this chapter.

SECTION 11. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

(1) Any qualifying slate of candidates that elects to receive a transfer from the fund shall participate preceding the primary, runoff primary, if one is held, and general election of a year in which the Governor and Lieutenant Governor are elected in a reasonable number of televised candidate forums or debates managed and designed by the Kentucky Authority for Educational Television in a manner to ensure participation by all slates of candidates. The authority shall make the televised candidate forums or debates available at no charge to all other media. The authority shall promulgate administrative regulations necessary to implement the requirements of this subsection.

(2) All programming decisions concerning televised candidate forums or debates shall be the ultimate responsibility of the Kentucky Authority for Educational Television. The authority shall maintain editorial integrity in accordance with accepted public broadcasting principles. No appointed or elected state officeholder or any other person shall directly or indirectly attempt to secure or create privileges, exemptions, or advantages for himself or others in derogation of the public interest at large in a manner that seeks to leave any person assigned responsibility for candidate forum or debate programming decisions no alternative but to comply with the wishes of the officeholder or person. Persons assigned candidate forum or debate programming decisions shall be free of obligation or the appearance of obligation to any interest other than the public right to know. It shall not be considered a violation of this subsection for an office holder or other person to seek remedies in a court of law to any programming decision he considers to be an abridgement of his legal rights.

(3) The commission shall promulgate administrative regulations which prescribe the grounds for which failure of a qualifying slate of candidates to participate in any of the televised candidate forums or debates required by subsection (1) of this section shall be excused, the process by which a qualifying slate of candidates shall inform the commission of the grounds for its failure to participate, and the process by which a qualifying slate of candidates may appeal an adverse ruling by the commission.

(4) If the commission determines that failure of a qualifying slate of candidates to participate in any televised candidate forum or debate required by subsection (1) of this section was not justified, no fund transfer shall be made to the slate if it shall be otherwise qualified to receive one. If the commission determines that a slate that has already received a fund transfer has unjustifiably failed to participate in any required televised candidate forum or debate, the slate's campaign committee shall reimburse the fund the amount of the transfer within thirty (30) days of the date on which the commission's determination becomes final. If the slate's campaign committee has not reimbursed the fund the amount of the transfer within the thirty (30) day period, the slate shall be personally liable to the fund for the transfer amount to be reimbursed.

SECTION 12. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:
